SUPPLEMENTARY INFORMATION:

Purpose: The Secretary, the Assistant Secretary for Health, and by delegation the Director, Centers for Disease Control and Prevention, are authorized under Sections 301 and 308 of the Public Health Service Act to conduct directly or by grants or contracts, research, experiments, and demonstrations relating to occupational safety and health and to mine health. The Board of Scientific Counselors, National Firefighter Registry Subcommittee (the Subcommittee) provides guidance to the Director, National Institute for Occupational Safety and Health on matters related to the National Firefighter Registry. Specifically, the Subcommittee provides guidance and professional input to the Board of Scientific Counselors (BSC) that will assist the BSC in advising the Director about NIOSH's efforts to establish and operate the National Firefighter Registry. The Subcommittee also provides guidance to the Board of Scientific Counselors (BSC) on the following issues pertaining to the "required strategy" as mandated by the Firefighter Cancer Registry Act of 2018 (the Act): (1) Increase awareness of the National Firefighter Registry and encouraging participation among all groups of firefighters, (2) consider data collection needs, (3) consider data storage and electronic access of health information, (4) in consultation with subject matter experts develop a method for estimating the number and type of fire incidents attended by a firefighter. Additional responsibilities of the Subcommittee are to provide guidance to the BSC regarding inclusion and the maintenance of data on firefighters as required by the Act.

Matters To Be Considered: The agenda for the meeting addresses issues related to: The National Firefighter Registry (NFR) protocol including functionality of the planned NFR enrollment system,

security measures, high-level technology, and use cases applicable to stakeholders. Agenda items are subject to change as priorities dictate. An agenda is also posted on the NIOSH website <https://www.cdc.gov/niosh/bsc/nfrs/>.

Meeting Information: The virtual meeting is open to the public, limited only by web conference lines (500 web conference lines are available). Register at the NIOSH website <https://www.cdc.gov/niosh/bsc/nfrs/registration.html> or call (404-498-2581) no later than August 6, 2021.

Public Participation

Comments received are part of the public record and are subject to public disclosure. Do not include any information in your comment or supporting materials that you consider confidential or inappropriate for public disclosure. If you include your name, contact information, or other information that identifies you in the body of your comments, that information will be on public display.
