SUPPLEMENTARY INFORMATION: The subject amendment to Permit No. 26667 is requested under the authority of the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*), the regulations governing the taking and importing of marine mammals (50 CFR part 216), the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*), and the regulations governing the taking, importing, and exporting of endangered and threatened species (50 CFR parts 222-226), and the Fur Seal Act of 1966, as amended (16 U.S.C. 1151 *et seq.*).

Permit No. 26667, issued on September 20, 2022 (87 FR 61573, October 12, 2022), authorizes the permit holder to collect, receive, import, and export biological samples from Alaskan pinnipeds and cetaceans annually for scientific research, including the creation and maintenance of cell lines. The permit holder is requesting the permit be amended to add a new objective for research on parts from cetaceans outside of Alaska. This includes the annual import, export, and receipt of parts from the Eastern Canada-West Greenland stock of bowhead whales (N = 300 animals) and parts from all other cetacean species (N = 1,500 animals).

In compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), an initial determination has been made that the activity proposed is categorically excluded from the requirement to prepare an environmental assessment or environmental impact statement.

Concurrent with the publication of this notice in the **Federal Register**, NMFS is forwarding copies of this application to the Marine Mammal Commission and its Committee of Scientific Advisors.

Dated: November 1, 2023.

Marine Mammals; File No. 26667

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; receipt of application for permit amendment.

SUMMARY: Notice is hereby given that North Slope Borough Department of Wildlife Management (Taquilik Hepa, Responsible Party), P.O. Box 69, Barrow, AK 99723, has applied for an amendment to scientific research Permit No. 26667-01.

DATES: Written comments must be received on or before December 8, 2023.

ADDRESSES: The application and related documents are available for review by selecting "Records Open for Public Comment" from the "Features" box on the Applications and Permits for Protected Species (APPS) home page, <https://apps.nmfs.noaa.gov>, and then selecting File No. 26667 from the list of available applications. These documents

Workshop is a data report that compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The product of the Assessment Process is a stock assessment report that describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The assessment is independently peer reviewed at the Review Workshop. The product of the Review Workshop is a Summary documenting panel opinions regarding the strengths and weaknesses of the stock assessment and input data. Participants for SEDAR Workshops are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office, HMS Management Division, and Southeast Fisheries Science Center. Participants include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and NGO's; International experts; and staff of Councils, Commissions, and state and federal agencies.

The items of discussion in the webinar are as follows:

Participants will discuss what red tide data may be available for use in the assessment of Gulf of Mexico red grouper.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Information Collection Requirement; Defense Federal Acquisition Regulation Supplement; Part 239, Acquisition of Information Technology

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Notice and request for comments regarding a proposed revision and extension of an approved information collection requirement.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, DoD announces the proposed revision and extension of a public information collection requirement and seeks public

comment on the provisions thereof. DoD invites comments on: whether the proposed collection of information is necessary for the proper performance of the functions of DoD, including whether the information will have practical utility; the accuracy of DoD's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology. The Office of Management and Budget (OMB) has approved this information collection for use under OMB Control Number 0704-0341 through March 31, 2024. DoD proposes that OMB approve an extension of the information collection requirement, to expire three years after the approval date.

DATES: DoD will consider all comments received by January 8, 2024.

ADDRESSES: You may submit comments, identified by OMB Control Number 0704-0341, using either of the following methods:

Federal eRulemaking Portal: <https://www.regulations.gov>. Follow the instructions for submitting comments.

Email: osd.dfars@mail.mil. Include OMB Control Number 0704-0341 in the subject line of the message.

Comments received generally will be posted without change to <https://www.regulations.gov>, including any personal information provided.
