

October 20, 2011.<sup>1</sup> The preliminary results are currently due no later than January 29, 2012.<sup>2</sup>

### Statutory Time Limits

In antidumping duty administrative reviews, section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

### Extension of Time Limit of Preliminary Results

We determine that it is not practicable to complete the preliminary results of this administrative review within the original time limit because the Department requires additional time to analyze the questionnaire responses, which include substantial sales and factor information, issue supplemental questionnaires, evaluate surrogate value submissions, and conduct an on-site verification.

Therefore, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department is extending the time limit for the preliminary results by 30 days, until February 28, 2012. The final results continue to be due 120 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: January 13, 2012.

<sup>2</sup> The 90 day extension FR noted the deadline was extended to January 30, 2012. However, this was because the initial 90 day extension to January 29, 2012 fell on a Sunday. As a result, per Department practice, the deadline fell to the next business day. #### SUPPLEMENTARY INFORMATION:

#### Background

On August 9, 2004, we published in the **Federal Register** an antidumping duty order on PRCBs from the PRC. See *Antidumping Duty Order: Polyethylene Retail Carrier Bags From the People’s Republic of China*, 69 FR 48201 (August 9, 2004). On August 1, 2011, we published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on PRCBs from the PRC. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 76 FR 45773 (August 1, 2011). On August 31, 2011, pursuant to section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), the petitioners, the Polyethylene Retail Carrier Bag Committee and its individual members, Hilex Poly Co., LLC, and Superbag Corporation, requested an administrative review of the order with respect to Nozawa, an exporter of PRCBs from the PRC. See the letter from the petitioners dated August 31, 2011. On October 3, 2011, in accordance with section 751(a) of the

Act and 19 CFR 351.221(c)(1)(i), we published a notice of initiation of an administrative review of the order. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocations in Part*, 76 FR 61076 (October 3, 2011).

### Rescission of Review

In accordance with 19 CFR 351.213(d)(1), the Department will rescind an administrative review, “in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review.” We received a letter of withdrawal from the petitioners with respect to the review requested of Nozawa within the 90-day time limit. See the letter from the petitioners dated December 21, 2011. Because we received no other requests for review of Nozawa and no other requests for the review of the order on PRCBs from the PRC with respect to other companies subject to the order, we are rescinding the administrative review of the order in full. This rescission is in accordance with 19 CFR 351.213(d)(1).

The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

### Notification to Importer

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice is published in accordance with section 777(i)(1) of the Act and 19 CFR 351.213(d)(4).
