SUPPLEMENTARY INFORMATION: On July 21, 2011, pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act),¹ the Bureau of Consumer Financial Protection (CFPB) was granted the authority to, among other things, supervise large banks and Federal savings associations with more than \$10 billion in assets for compliance with certain consumer protection laws. The CFPB's authority also includes the handling of consumer complaints related to those large financial companies.

Representatives from the OCC and the CFPB as well as the other FFIEC

agencies have been meeting on a regular basis since the passage of the Dodd-Frank Act to establish policies and procedures to coordinate the processing of consumer complaints.

The OCC will continue to process questions and complaints concerning consumer issues within the jurisdiction of the OCC through our Consumer Assistance Group (CAG), and will continue to send misdirected complaints it receives to the appropriate Federal or state regulator.

Title: Customer Complaint Form.

OMB Control No.: 1557-0232.

Description: The customer complaint form was developed as a courtesy for those that contact CAG at the Office of the Comptroller of the Currency, and wish to file a formal, written complaint. The form allows consumers to focus their issues and provide a complete picture of their concerns, but is entirely voluntary. It is designed to prevent having to go back to a consumer for additional information, which delays the process. Completion of the form allows CAG to process the complaint more efficiently.

CAG uses the information to create a record of the consumer's contact, including capturing information that can be used to resolve the consumer's issues and provide a database of information that is incorporated into the OCC's supervisory process.

Type of Review: Regular.

Affected Public: Businesses or other for-profit.

Number of Respondents: 40,000.

Total Annual Responses: 40,000.

Frequency of Response: On occasion.

Total Annual Burden Hours: 3,320.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record.

Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility;

(b) The accuracy of the agency's estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
