

**SUMMARY:** NOAA is soliciting nominations for members of the NOAA Science Advisory Board (SAB). The SAB is the only Federal Advisory Committee with the responsibility to advise the Under Secretary of Commerce for Oceans and Atmosphere and NOAA Administrator on long- and short-range strategies for research, education, and application of science to resource management and environmental assessment and prediction. The SAB consists of approximately fifteen members reflecting the full breadth of NOAA's areas of responsibility and assists NOAA in maintaining a complete and accurate understanding of scientific issues critical to the agency's missions.

**Composition and Points of View:** The Board will consist of approximately fifteen members, including a Chair, designated by the Under Secretary in accordance with FACA requirements.

Members will be appointed for three-year terms, renewable once, and serve at the discretion of the Under Secretary. If a member resigns before the end of his or her first term, the vacancy appointment shall be for the remainder of the unexpired term, and shall be renewable twice if the unexpired term is less than one year. Members will be appointed as special government employees (SGEs) and will be subject to the ethical standards applicable to SGEs. Members are reimbursed for actual and reasonable travel and per diem expenses incurred in performing such duties but will not be reimbursed for their time. As a Federal Advisory Committee, the Board's membership is required to be balanced in terms of viewpoints represented and the functions to be performed as well as the interests of geographic regions of the country and the diverse sectors of U.S. society.

The SAB meets in person three times each year, exclusive of teleconferences or subcommittee, task force, and working group meetings. Board members must be willing to serve as liaisons to SAB working groups and/or participate in periodic reviews of the NOAA Cooperative Institutes and overarching reviews of NOAA's research enterprise.

**Nominations:** Interested persons may nominate themselves or third parties.

**Applications:** An application is required to be considered for Board membership, regardless of whether a person is nominated by a third party or self-nominated. The application package must include: (1) The nominee's full name, title, institutional affiliation, and contact information; (2) the nominee's area(s) of expertise; (3) a short

description of his/her qualifications relative to the kinds of advice being solicited by NOAA in this Notice; and (4) a current resume (maximum length four [4] pages).

**DATES:** Nominations should be sent to the web address specified below and must be received by October 17, 2016.

**ADDRESSES:** Applications should be submitted electronically to [noaa.sab.newmembers@noaa.gov](mailto:noaa.sab.newmembers@noaa.gov).

**FOR FURTHER INFORMATION CONTACT:** Dr. Cynthia Decker, Executive Director, Science Advisory Board, NOAA, Rm. 11230, 1315 East-West Highway, Silver Spring, Maryland 20910. (Phone: 301-734-1156, Fax: 301-713-1459, Email: [Cynthia.Decker@noaa.gov](mailto:Cynthia.Decker@noaa.gov)); or visit the NOAA SAB Web site at <http://www.sab.noaa.gov>.

**SUPPLEMENTARY INFORMATION:** At this time, individuals are sought with expertise in marine ecosystem science and 'omics, formal and informal education, oceanography, risk management and resilience, and data science. Individuals with expertise in other NOAA mission areas are also welcomed to apply.

Dated: August 26, 2016.

#### Schedules for Atlantic Shark Identification Workshops and Protected Species Safe Handling, Release, and Identification Workshops

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice of public workshops.

**SUMMARY:** Free Atlantic Shark Identification Workshops and Protected Species Safe Handling, Release, and Identification Workshops will be held in October, November, and December of 2016. Certain fishermen and shark dealers are required to attend a workshop to meet regulatory requirements and to maintain valid permits. Specifically, the Atlantic Shark Identification Workshop is mandatory for all federally permitted Atlantic shark dealers. The Protected Species Safe

Handling, Release, and Identification Workshop is mandatory for vessel owners and operators who use bottom longline, pelagic longline, or gillnet gear, and who have also been issued shark or swordfish limited access permits. Additional free workshops will be conducted during 2017 and will be announced in a future notice.

**DATES:** The Atlantic Shark Identification Workshops will be held on October 13, November 10, and December 8, 2016.

The Protected Species Safe Handling, Release, and Identification Workshops will be held on October 20, October 26, November 4, November 7, December 7, and December 16, 2016.

See **SUPPLEMENTARY INFORMATION** for further details.

**ADDRESSES:** The Atlantic Shark Identification Workshops will be held in Somerville, MA; Mount Pleasant, SC; and Clearwater, FL.

The Protected Species Safe Handling, Release, and Identification Workshops will be held in Charleston, SC; Manahawkin, NJ; Kitty Hawk, NC; Panama City, FL; Key Largo, FL; and Ronkonkoma, NY.

See **SUPPLEMENTARY INFORMATION** for further details on workshop locations.

**FOR FURTHER INFORMATION CONTACT:** Rick Pearson by phone: (727) 824-5399, or by fax: (727) 824-5398.

**SUPPLEMENTARY INFORMATION:** The workshop schedules, registration information, and a list of frequently asked questions regarding these workshops are posted on the Internet at: <http://www.nmfs.noaa.gov/sfa/hms/compliance/workshops/index.html>.

#### Atlantic Shark Identification Workshops

Since January 1, 2008, Atlantic shark dealers have been prohibited from receiving, purchasing, trading, or bartering for Atlantic sharks unless a valid Atlantic Shark Identification Workshop certificate is on the premises of each business listed under the shark dealer permit that first receives Atlantic sharks (71 FR 58057; October 2, 2006). Dealers who attend and successfully complete a workshop are issued a certificate for each place of business that is permitted to receive sharks. These certificate(s) are valid for 3 years. Approximately 124 free Atlantic Shark Identification Workshops have been conducted since January 2007.

Currently, permitted dealers may send a proxy to an Atlantic Shark Identification Workshop. However, if a dealer opts to send a proxy, the dealer must designate a proxy for each place of business covered by the dealer's permit which first receives Atlantic sharks.

Only one certificate will be issued to each proxy. A proxy must be a person who is currently employed by a place of business covered by the dealer's permit; is a primary participant in the identification, weighing, and/or first receipt of fish as they are offloaded from a vessel; and who fills out dealer reports. Atlantic shark dealers are prohibited from renewing a Federal shark dealer permit unless a valid Atlantic Shark Identification Workshop certificate for each business location that first receives Atlantic sharks has been submitted with the permit renewal application. Additionally, trucks or other conveyances that are extensions of a dealer's place of business must possess a copy of a valid dealer or proxy Atlantic Shark Identification Workshop certificate.

#### *Workshop Dates, Times, and Locations*

1. October 13, 2016, 12 p.m.–4 p.m., LaQuinta Inn, 23 Cummings Street, Somerville, MA 02145.
2. November 10, 2016, 12 p.m.–4 p.m., Hampton Inn, 1104 Isle of Palms Connector, Mount Pleasant, SC 29464.
3. December 8, 2016, 12 p.m.–4 p.m., LaQuinta Inn, 5000 Lake Boulevard, Clearwater, FL 33760.

#### *Registration*

To register for a scheduled Atlantic Shark Identification Workshop, please contact Eric Sander at [ericssharkguide@yahoo.com](mailto:ericssharkguide@yahoo.com) or at (386) 852–8588.

#### *Registration Materials*

To ensure that workshop certificates are linked to the correct permits, participants will need to bring the following specific items to the workshop:

- Atlantic shark dealer permit holders must bring proof that the attendee is an owner or agent of the business (such as articles of incorporation), a copy of the applicable permit, and proof of identification.
- Atlantic shark dealer proxies must bring documentation from the permitted dealer acknowledging that the proxy is attending the workshop on behalf of the permitted Atlantic shark dealer for a specific business location, a copy of the appropriate valid permit, and proof of identification.

#### *Workshop Objectives*

The Atlantic Shark Identification Workshops are designed to reduce the number of unknown and improperly identified sharks reported in the dealer reporting form and increase the accuracy of species-specific dealer-reported information. Reducing the number of unknown and improperly

identified sharks will improve quota monitoring and the data used in stock assessments. These workshops will train shark dealer permit holders or their proxies to properly identify Atlantic shark carcasses.

#### **Protected Species Safe Handling, Release, and Identification Workshops**

Since January 1, 2007, shark limited-access and swordfish limited-access permit holders who fish with longline or gillnet gear have been required to submit a copy of their Protected Species Safe Handling, Release, and Identification Workshop certificate in order to renew either permit (71 FR 58057; October 2, 2006). These certificate(s) are valid for 3 years. As such, vessel owners who have not already attended a workshop and received a NMFS certificate, or vessel owners whose certificate(s) will expire prior to the next permit renewal, must attend a workshop to fish with, or renew, their swordfish and shark limited-access permits. Additionally, new shark and swordfish limited-access permit applicants who intend to fish with longline or gillnet gear must attend a Protected Species Safe Handling, Release, and Identification Workshop and submit a copy of their workshop certificate before either of the permits will be issued. Approximately 238 free Protected Species Safe Handling, Release, and Identification Workshops have been conducted since 2006.

In addition to certifying vessel owners, at least one operator on board vessels issued a limited-access swordfish or shark permit that uses longline or gillnet gear is required to attend a Protected Species Safe Handling, Release, and Identification Workshop and receive a certificate. Vessels that have been issued a limited-access swordfish or shark permit and that use longline or gillnet gear may not fish unless both the vessel owner and operator have valid workshop certificates onboard at all times. Vessel operators who have not already attended a workshop and received a NMFS certificate, or vessel operators whose certificate(s) will expire prior to their next fishing trip, must attend a workshop to operate a vessel with swordfish and shark limited-access permits that uses longline or gillnet gear.

#### *Workshop Dates, Times, and Locations*

1. October 20, 2016, 9 a.m.–5 p.m., Hampton Inn, 678 Citadel Haven Drive, Charleston, SC 29414.
2. October 26, 2016, 9 a.m.–5 p.m., Holiday Inn, 151 Route 72 East, Manahawkin, NJ 08050.

3. November 4, 2016, 9 a.m.–5 p.m., Hilton Garden Inn, 5353 North Virginia Dare Trail, Kitty Hawk, NC 27949.

4. November 7, 2016, 9 a.m.–5 p.m., Hilton Garden Inn, 1101 US Highway 231, Panama City, FL 32405.

5. December 7, 2016, 9 a.m.–5 p.m., Holiday Inn, 99701 Overseas Highway, Key Largo, FL 33037.

6. December 16, 2016, 9 a.m.–5 p.m., Hilton Garden Inn, 3485 Veterans Memorial Highway, Ronkonkoma, NY 11779.

#### *Registration*

To register for a scheduled Protected Species Safe Handling, Release, and Identification Workshop, please contact Angler Conservation Education at (386) 682–0158.

#### *Registration Materials*

To ensure that workshop certificates are linked to the correct permits, participants will need to bring the following specific items with them to the workshop:

- Individual vessel owners must bring a copy of the appropriate swordfish and/or shark permit(s), a copy of the vessel registration or documentation, and proof of identification.
- Representatives of a business-owned or co-owned vessel must bring proof that the individual is an agent of the business (such as articles of incorporation), a copy of the applicable swordfish and/or shark permit(s), and proof of identification.
- Vessel operators must bring proof of identification.

#### *Workshop Objectives*

The Protected Species Safe Handling, Release, and Identification Workshops are designed to teach longline and gillnet fishermen the required techniques for the safe handling and release of entangled and/or hooked protected species, such as sea turtles, marine mammals, and smalltooth sawfish. In an effort to improve reporting, the proper identification of protected species will also be taught at these workshops. Additionally, individuals attending these workshops will gain a better understanding of the requirements for participating in these fisheries. The overall goal of these workshops is to provide participants with the skills needed to reduce the mortality of protected species, which may prevent additional regulations on these fisheries in the future.

#### New England Fishery Management Council; Public Meeting

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice; public meeting.

**SUMMARY:** The New England Fishery Management Council (Council) is scheduling a public meeting of its Ecosystem Based Fishery Management (EBFM) Committee to consider actions affecting New England fisheries in the exclusive economic zone (EEZ). Recommendations from this group will be brought to the full Council for formal consideration and action, if appropriate.

**DATES:** This meeting will be held on Monday, September 19, 2016 at 10 a.m.

**ADDRESSES:** The meeting will be held at the DoubleTree Hotel, 50 Ferncroft Road, Danvers, MA 01923; telephone: (978) 777–2500; fax: (978) 750–7991.

*Council address:* New England Fishery Management Council, 50 Water Street, Mill 2, Newburyport, MA 01950.

**FOR FURTHER INFORMATION CONTACT:** Thomas A. Nies, Executive Director, New England Fishery Management Council; telephone: (978) 465–0492.

#### SUPPLEMENTARY INFORMATION:

##### Agenda

The committee will discuss and provide feedback on a Draft Operating Model for the Georges Bank Ecosystem Production Unit description prepared by the EBFM Plan Development Team. This operating model will provide the foundation for a Georges Bank Fishery Ecosystem Plan and Management Strategy Evaluation. The committee will also review and draft comments on a Draft NOAA Fisheries EBFM Policy and Roadmap. Other business will be discussed if time permits.

##### Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to

Thomas A. Nies, Executive Director, at (978) 465–0492, at least 5 days prior to the meeting date.

**Authority:** 16 U.S.C. 1801 *et seq.*

Dated: August 30, 2016.

#### Gulf of Mexico Fishery Management Council; Public Meeting

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice of a public meeting.

**SUMMARY:** The Gulf of Mexico Fishery Management Council will hold a one and a half day meeting of its Standing, *Reef Fish*, *Shrimp*, Coastal Migratory *Pelagics* Scientific and Statistical Committees (SSC).

**DATES:** The meeting will begin at 1 p.m. on Tuesday, September 20, 2016, and end at 5 p.m. on Wednesday, September 21, 2016.

**ADDRESSES:** The meeting will be held at the Gulf Council's Conference Room, and via Webinar. You may attend the meeting via Webinar by registering at: <https://attendee.gotowebinar.com/register/816513104821884417>.

*Council address:* Gulf of Mexico Fishery Management Council, 2203 N. Lois Avenue, Suite 1100, Tampa, FL 33607; telephone: (813) 348–1630.

**FOR FURTHER INFORMATION CONTACT:** Steven Atran, Senior Fishery Biologist, Gulf of Mexico Fishery Management Council; [steven.atran@gulfcouncil.org](mailto:steven.atran@gulfcouncil.org); telephone: (813) 348–1630.

#### SUPPLEMENTARY INFORMATION:

##### Agenda

*Tuesday, September 20, 2016*

- I. Introductions and Adoption of Agenda
- II. Election of Chair and Vice-chair
- III. Approval of minutes
  - a. January 6–8, 2015 Standing, *Reef Fish*, and *Mackerel* SSC meeting
  - b. June 1, 2016 Standing, *Shrimp*, and Socioeconomic SSC meeting
  - c. Standing *Reef Fish* socioeconomic *Shrimp* and Spiny Lobster SSC meeting June 2016-verbatim

minutes

d. August 2, 2016 Standing and *Reef Fish* SSC Webinar

IV. Selection of SSC representative at October 17–20, 2016 Council meeting

Standing and *Mackerel* SSC Session

V. Updated OFL and ABC yield streams for Gulf migratory group *king mackerel* for 2017/2018 to 2019/2020 fishing seasons

Standing and *Reef Fish* SSC Session #1

VI. Goliath *Grouper* benchmark assessment

VII. Evaluation of candidate species for future data-poor assessments

*Wednesday, September 21, 2016*

Standing and *Shrimp* SSC Session

VIII. Risk assessment for threshold permit numbers relative to sea turtle incidental take constraints

Standing and *Reef Fish* SSC Session #2

- a. Decision tools for gray *triggerfish*
- b. Commercial seasons and trip limits
- c. Recreational seasons, size limits, bag limits, and effort shifting
- IX. Evaluation of recreational *red snapper* split seasons
- X. Review of updated SEDAR schedule
- XI. Discussion on limit and target reference points and MSY proxies for *reef fish*
  - a. Discussion of limit and target reference points
  - b. Discussion of components of risk and uncertainty associated with the choice and estimation of reference points
  - c. Discussion of the components of risk and uncertainty associated with choosing MSY proxies
    - i. General discussion
    - ii. Discussion specific to *red snapper*
  - d. Ad Hoc Working Group on MSY proxies
    - i. Charge to the working group
    - ii. Recommendations for working group participants
- XII. Review of ABC Control Rule Alternatives
  - a. Current ABC control rule
  - b. Modified from the method described in Martel and Froese (2012)
  - c. Fixed proportion of  $F_{MSY}$  or MSY
  - d. Bucket method for setting  $P^*$
- XIII. Dates for next SSC meeting
- XIV. Other Business

—Meeting Adjourns—

You may register for SSC Meeting: Standing, *Reef Fish*, *Mackerel*, and *Shrimp* on September 20 and 21, 2016 at: <https://attendee.gotowebinar.com/register/816513104821884417>.
