

SUMMARY: This notice is to inform the public that the Substance Abuse and Mental Health Services Administration (SAMHSA) is supporting a supplement (in scope of the parent award) for the Cooperative Agreement for National Suicide Prevention Lifeline and Disaster Distress Helpline recipient, Mental Health Association of New York City, Inc. (DBA Vibrant Emotional Health), funded in FY 2021 under Notice of Funding Opportunity (NOFO) SM 21–005. The recipient may receive up to \$100,000,000 and has a project end date of September 2026. The supplemental funding will be used to maintain 988 operations and services, both at local levels and across all subnetwork services. This funding will ensure continuation of all 988 services and supports.

FOR FURTHER INFORMATION CONTACT: James Wright, Division Director, 988 and Behavioral Health Crisis Coordinating Office, Substance Abuse and Mental Health Services Administration, 5600 Fishers Lane, Rockville, MD 20857, telephone 240–276–1615; email: james.wright@samhsa.hhs.gov.

SUPPLEMENTARY INFORMATION:

Funding Opportunity Title:

Cooperative Agreement for the National Suicide Prevention Lifeline and Disaster Distress Helpline, SM–21–005.

Assistance Listing Number: 93.243.

Authority: Section 520E–3 [42 U.S.C. 290bb–36c] of the Public Health Service Act, as amended.

Justification: The 988 Suicide and Crisis Lifeline Cooperative Agreement (988 Lifeline) manages, enhances, and strengthens the 988 Lifeline network that routes individuals in the United States to a network of certified crisis centers that links to local emergency, mental health, and social services resources. The 988 Lifeline is a 24/7 confidential suicide and crisis hotline providing phone, chat, and text services for anyone in the United States experiencing a suicidal crisis or in emotional distress. This supplemental funding will ensure continuation of all active services and supporting infrastructure to ensure stability, safety, privacy, and connection of service.

Since 2005, Vibrant Emotional Health has provided oversight and management of the Suicide Prevention Lifeline and its local call centers and subnetwork functions with a network of over 215+ centers in all fifty states. Vibrant Emotional Health has the infrastructure, experience, and national reach to work with the backup centers, language services, and chat/text organizations to address the increased contact volumes

expected in 2025 and beyond. With the transition to 988 accomplished, consistent services, such as ensuring access to the local and national Lifeline backup centers, geo-routing, language services, system evaluation and data reporting, and access are required to fully realize the potential impact to 988 contact service. Through this supplemental funding, SAMHSA and Vibrant can ensure capacity to address increased call, chat and text volume following 988 implementation, further develop connection and support, and strengthen the efficiency and customer experience of the network through unified, integrated and coordinated technology.

This is not a formal request for application. Assistance will only be provided to Vibrant Emotional Health funded in FY 2021 under the 988 Suicide and Crisis Lifeline Cooperative Agreement (SM–21–005) based on the receipt of a satisfactory application and associated budget that is approved by a review group.

Dated: April 14, 2025.
