ADDRESSES: Copies of the proposed collection of information can be obtained and comments may be forwarded by emailing *OPREinfocollection@acf.hhs.gov.* Alternatively, copies can also be obtained by writing to the Administration for Children and Families, Office of Planning, Research, and Evaluation, 330 C Street SW, Washington, DC 20201, Attn: OPRE Reports Clearance Officer. All requests, emailed or written should be identified by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: This information collection is to provide nationally descriptive, longitudinal data on partnerships between Early Head Start programs and child care providers to inform program planning, technical assistance, and research. The proposed data collection is a follow-up study of the 2015 National Descriptive Study (NDS) of Early Head Start–Child Care Partnerships (OMB 0970–0471) that obtained information about the EHS programs, community-based child care centers, and family child care providers participating in the federal grants supporting the implementation of Early Head Start–child care partnerships (EHS–CCPs). The current information collection request will follow up with EHS programs and child care providers who participated in the NDS to understand whether and how partnerships have been sustained or have dissolved, and which features of partnerships support or impede sustainability. Data collection activities will include surveys of directors of 2015 EHS–CCP grantees and of child care provider directors/managers who were selected for participation in the NDS, as well as semi-structured interviews with a purposive sample of providers whose partnerships have dissolved and have been sustained since 2016.

Respondents: Early Head Start program directors and child care providers.

Submission for OMB Review; Interstate Administrative Subpoena and Notice of Interstate Lien (OMB #0970–0152)

AGENCY: Office of Child Support Enforcement; Administration for Children and Families; HHS.

ACTION: Request for public comment.

SUMMARY: The Administration for Children and Families (ACF) is requesting a 3-year extension of the Interstate Administrative Subpoena and Notice of Interstate Lien forms (OMB #0970–0152, expiration 7/31/2021). There are no changes requested to these forms.

DATES: *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to *www.reginfo.gov/public/do/PRAMain.* Find this particular information collection by selecting ''Currently under 30-day Review—Open for Public Comments'' or by using the search function.

SUPPLEMENTARY INFORMATION:

Description: The Administrative Subpoena is used by State IV–D agencies to obtain income and other financial information regarding noncustodial parents for purposes of establishing, enforcing, and modifying child support orders. The Notice of Interstate Lien imposes liens in cases with overdue support and allows a State IV–D agency to file liens across state lines, when it is more efficient than involving the other state's IV–D agency. Section 452 (a) (11) of the Social Security Act requires the Secretary of the Department of Health and Human Services to promulgate forms for administrative subpoenas and imposition of liens used by state child support enforcement (Title IV–D) agencies in interstate cases. Section 454(9)(E) of the Social Security Act

requires each state to cooperate with any other state in using the federal forms for issuance of administrative subpoenas and imposition of liens in interstate child support cases.

Respondents: State, local, or tribal agencies administering a child support enforcement program under title IV–D of the Social Security Act.
