

agreed to be cooperating agencies. The Corps will also coordinate with other agencies, such as the City of Rancho Cordova.

Other environmental review and consultation requirements for the proposed action include the need for the applicant to obtain water quality certification under Section 401 of the Clean Water Act from the California Regional Water Quality Control Board. In addition, because the proposed project may affect federally-listed endangered species, the Corps will formally consult with the U.S. Fish and Wildlife Service in accordance with Section 7 of the Federal Endangered Species Act. The Corps will also be consulting with the State Historic Preservation Officer under Section 106 of the National Historic Preservation Act concerning properties listed, or potentially eligible for listing, on the National Register of Historic Places.

Two public scoping meetings for the EIS will be held on December 11, 2008, with the first from 4 p.m. to 6 p.m. and the second from 7 p.m. to 9 p.m. The meetings will be held at the Rancho Cordova City Hall, 2729 Prospect Park Drive, American River Room—South, Rancho Cordova, CA 95670. Interested parties can provide oral and written comments at the meetings. Interested parties may also submit written comments on this notice. Scoping comments should be submitted before February 1, 2008 but may be submitted at any time prior to publication of the Draft EIS.

Interested parties may register for the Corps' public notice e-mail notification lists at: <http://www.spk.usace.army.mil/organizations/cespk-co/regulatory/pnlist.html>.

Dated: November 17, 2008.

James A. Porter,

Lt. Colonel, Corps of Engineers, Acting District Engineer.

BILLING CODE 3720-58-P

DEPARTMENT OF DEFENSE

Department of the Navy

Notice of Public Hearing for the Draft Environmental Impact Statement for the Laurelwood Housing Area Access, Naval Weapons Station Earle, Colts Neck, NJ

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: Pursuant to section (102)(2)(c) of the National Environmental Policy Act (NEPA) of 1969, and regulations

implemented by the Council on Environmental Quality (40 CFR Parts 1500–1508), the Department of the Navy (Navy) has prepared and filed with the U.S. Environmental Protection Agency (EPA) a Draft Environmental Impact Statement (EIS) which evaluates the potential environmental consequences of providing access between the Laurelwood housing area at Naval Weapons Station (NWS) Earle and an adjacent state primary or secondary road. The requirement for this access is a stipulation within the lease agreement between the Navy and the developer of Laurelwood that requires the Navy to provide unimpeded access to the property in 2010. This developer may construct necessary road improvements to obtain access and rent any housing units to the general public through the year 2040. A Notice of Intent for this EIS was published in the **Federal Register** on November 9, 2007 (72 FR 63562).

The Navy will conduct a public hearing to receive oral and written comments on the Draft EIS. Federal agencies, state agencies, local agencies, and interested individuals are invited to be present or represented at the public hearings. This notice announces the date and location of the public hearing for this Draft EIS.

DATES AND ADDRESSES: One public hearing will be held. The hearing will be preceded by an open house session to allow interested individuals to review information presented in the Draft EIS. Navy representatives will be available during the open house session to clarify information related to the Draft EIS. The open house session will occur from 4 p.m. to 5:30 p.m. followed by the formal public hearing from 6 p.m. to 10 p.m. The public hearing is scheduled for the following date and location: Tuesday, December 16, 2008 at the Monmouth Regional High School Performing Arts Center, One Norman J. Field Way, Tinton Falls, NJ 07724.

FOR FURTHER INFORMATION CONTACT:

Naval Facilities Engineering Command (NAVFAC) Atlantic, Attn: Laurelwood Housing Area EIS Project Manager, Code EV21 Laurelwood PM, 6506 Hampton Boulevard, LRA Building A, Norfolk, VA 23508; <http://www.laurelwoodeis.com>.

SUPPLEMENTARY INFORMATION: The purpose of the proposed action is to provide unimpeded access in the year 2010 to the developer of the Laurelwood housing area across a portion of NWS Earle connecting the Laurelwood housing area with a state primary or secondary road. The requirement for this access in 2010 is part of an existing

lease agreement between the Navy and the developer of Laurelwood.

In 1988 the Navy contracted with a developer to construct, own, and operate 300 military family housing units at NWS Earle, now known as the Laurelwood housing area. A 52-year lease agreement for the underlying land was executed between the Navy and the developer which included an in-lease and out-lease period. During the in-lease period, which runs from 1988 until 2010, the Navy guarantees rent payments to the developer for the occupancy of all 300 Laurelwood units. Only military and their dependents are allowed to occupy these housing units during the in-lease period. During the out-lease period, which runs from 2010 until 2040 the developer may rent the units to the general public.

However, the lease requires that the Navy provide “reasonable access” between the Laurelwood housing area and an adjacent state, primary, or secondary road. The lease agreement defines reasonable access as being on a paved road, constructed, operated, and maintained by the developer at its own cost. The Navy may satisfy this obligation by either (a) providing unimpeded access along existing roads of the installation or (b) providing an easement for alternate access adequate to allow the developer to construct a road from an adjacent primary or secondary road to Laurelwood that will provide unimpeded access.

Road construction would be subject to federal, state and local laws and regulations. While the developer must pay for construction of a new road and necessary improvements, the Navy is required to finance the construction of any road enhancements necessary to meet their security or operational requirements (e.g., security fencing, gates). In addition, the Navy is required to obtain all necessary permits for road construction. In 2040, the lease agreement expires and the developer is obligated to demolish the 300 housing units.

This Draft EIS reviews and assesses four action alternatives and the No Action alternative. The Draft EIS addresses potential environmental impacts on multiple resources, including but not limited to: Socioeconomic resources; community facilities and services; traffic; cultural resources; biological resources; environmental health and safety; and security. A preferred alternative has not been selected or identified in the Draft EIS. The Navy seeks comments from the public or interested parties regarding the sufficiency of the Draft EIS and the choice of alternatives.

The Draft EIS has been distributed to various Federal, state, and local agencies, as well as other interested individuals and organizations. The public comment period will end on January 12, 2009. Copies of the Draft EIS are available for public review at the following libraries: Monmouth County Library (Eastern Branch), 1001 Route 35, Shrewsbury, NJ; Monmouth County Library (Colts Neck), 1 Winthrop Drive, Colts Neck, NJ; and Tinton Falls Public Library, 664 Tinton Avenue, Tinton Falls, NJ. An electronic copy of the Draft EIS is also available for public viewing at: <http://www.laurelwoodeis.com>.

Federal, state, and local agencies, as well as interested parties are invited and encouraged to be present or represented at the public hearing. Oral statements will be heard and transcribed by a stenographer; however, to ensure the accuracy of the record, all statements should be submitted in writing. All statements, both oral and written, will become part of the public record on the Draft EIS and will be responded to in the Final EIS. Equal weight will be given to both oral and written statements. You do not need to attend the public hearing in order for your comments to be considered in the Final EIS.

In the interest of available time, and to ensure all who wish to give an oral statement have the opportunity to do so, each speaker's comments will be limited to three (3) minutes. If a longer statement is to be presented, it should be summarized at the public hearing and the full text submitted in writing either at the hearing, or mailed to Naval Facilities Engineering Command (NAVFAC) Atlantic, Attn: Laurelwood Housing Area EIS Project Manager, Code EV21 Laurelwood PM, 6506 Hampton Boulevard, LRA Building A, Norfolk, VA 23508. Comments can also be submitted via the project Web site: <http://www.laurelwoodeis.com>.

All written comments postmarked or submitted to the project website by January 12, 2009, will become a part of the official public record and will be responded to in the Final EIS.

Dated: November 14, 2008.

T. M. Cruz,

Lieutenant Commander, Judge Advocate General's Corps, U.S. Navy, Federal Register Liaison Officer.

BILLING CODE 3810-FF-P

DEPARTMENT OF EDUCATION

Submission for OMB Review; Comment Request

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management invites comments on the submission for OMB review as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before December 29, 2008.

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, Attention: Education Desk Officer, Office of Management and Budget, 725 17th Street, NW., Room 10222, Washington, DC 20503. Commenters are encouraged to submit responses electronically by e-mail to oir_submission@omb.eop.gov or via fax to (202) 395-6974. Commenters should include the following subject line in their response "Comment: [insert OMB number], [insert abbreviated collection name, e.g., "Upward Bound Evaluation"]". Persons submitting comments electronically should not submit paper copies.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Dated: November 3, 2008.

Angela C. Arrington,

IC Clearance Official, Regulatory Information Management Services, Office of Management.

Federal Student Aid

Type of Review: Revision.

Title: Student Aid Report (SAR).

Frequency: Weekly; Monthly; Annually.

Affected Public: Individuals or household.

Reporting and Recordkeeping Hour Burden:

Responses: 17,123,392.

Burden Hours: 5,678,454.

Abstract: The Free Application for Federal Student Aid (FAFSA) collects the data necessary to determine a student's eligibility for participation in the following federal student assistance programs identified in the Higher Education Act (HEA): the Federal Pell Grant Program; the Campus-Based Programs; the William D. Ford Federal Direct Loan Program; the Federal Family Education Loan Program; the Academic Competitiveness Grant; and the National Science and Mathematics Access to Retain Talent (SMART) Grant. The Student Aid Report (SAR) is the output document for the FAFSA. FAFSA applicants use the SAR to review and confirm the information provided on their FAFSA, as required by law.

Requests for copies of the information collection submission for OMB review may be accessed from <http://edicsweb.ed.gov>, by selecting the "Browse Pending Collections" link and by clicking on link number 3847. When you access the information collection, click on "Download Attachments" to view. Written requests for information should be addressed to U.S. Department of Education, 400 Maryland Avenue, SW., LBJ, Washington, DC 20202-4537. Requests may also be electronically mailed to ICDocketMgr@ed.gov or faxed to 202-401-0920. Please specify the complete title of the information collection when making your request.

Comments regarding burden and/or the collection activity requirements should be electronically mailed to ICDocketMgr@ed.gov. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.
