BILLING CODE 7710–12–P

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

50 CFR Part 17

[4500030115]

Endangered and Threatened Wildlife and Plants; 90-Day Findings on 31 Petitions

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of petition findings and initiation of status reviews.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), announce 90-day findings on various petitions to list 30 species and one petition that describes itself as a petition to reclassify one species under the Endangered Species Act of 1973, as amended (Act). Based on our review, we find that eight petitions do not present substantial scientific or commercial information

indicating that the petitioned actions may be warranted, we find that one petition does not present substantial information that the petitioned entity may be a listable entity under the Act, and we find that one petition does not present substantial information that the petitioned entity may be a listable entity under the Act and does not present substantial scientific or commercial information indicating that the petitioned action may be warranted, and we are not initiating status reviews in response to these petitions. We refer to these as “not-substantial petition findings.” Based on our review, we find that 21 petitions present substantial scientific or commercial information indicating that the petitioned actions may be warranted. Therefore, with the publication of this document, we are initiating a review of the status of each of these species to determine if the petitioned actions are warranted. To ensure that these status reviews are comprehensive, we are requesting scientific and commercial data and other information regarding these species. Based on the status reviews, we will issue 12-month findings on the petitions, which will address whether the petitioned action is warranted, as provided in section 4(b)(3)(B) of the Act.

DATES: To allow us adequate time to conduct the status reviews, we request that we receive information on or before August 31, 2015. Information submitted electronically using the Federal eRulemaking Portal (see **ADDRESSES**, below) must be received by 11:59 p.m. Eastern Time on the closing date.

ADDRESSES: Not-substantial petition findings: The not-substantial petition findings announced in this document are available on <http://www.regulations.gov> under the appropriate docket number (see Table 1, below). Supporting information in preparing these findings is available for public inspection, by appointment, during normal business hours by contacting the appropriate person, as specified under **FOR FURTHER INFORMATION CONTACT**.
