Notice of Inventory Completion: Autry Museum of the American West, Los Angeles, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Autry Museum of the American West (Southwest Museum Collection) has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains in this notice may occur on or after June 9, 2025.

ADDRESSES: Karimah Richardson, M.Phil., RPA, Associate Curator of Anthropology and Repatriation Supervisor, Autry Museum of the American West, 4700 Western Heritage Way, Los Angeles, CA 90027, telephone (323) 495–4203, email krichardson@theautry.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Autry Museum of the American West, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at least, one individual has been reasonably identified. No associated funerary objects are present. In 1941, Mrs.

Caroline Gill collected a human cranium from a site near Biggs, in Butte County, Sacramento Valley, CA. Mrs. Gill gifted the cultural item in 1942 to the Southwest Museum (now part of the Autry Museum of the American West). Currently, the human remains are missing/not located. The Berry Creek Rancheria of Maidu Indians of California (federally recognized tribe) is claiming cultural affiliation for the human remains on behalf of KonKow Valley Band of Maidu (a non-federally recognized Tribe).

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains described in this notice.

Determinations

The Autry Museum of the American West has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- There is a reasonable connection between the human remains described in this notice and the Berry Creek Rancheria of Maidu Indians of California.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after June 9, 2025. If competing requests for repatriation are received, the Autry Museum of the American West must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The Autry Museum of the American West is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: April 22, 2025.

Melanie O'Brien,

Manager, National NAGPRA Program.

Notice of Inventory Completion: California Department of Transportation, Oakland, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the California Department of Transportation (Caltrans) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after June 9, 2025.

ADDRESSES: Lindsay Busse PQS Principal Investigator, Prehistoric Archaeology, California Department of Transportation, District 4, 111 Grand Avenue, Oakland, CA 94612, telephone (510) 847–1977, email lindsay.busse@dot.ca.gov and Althea Asaro, PQS Principal Investigator, Prehistoric Archaeology, California Department of Transportation, District 4, 111 Grand Avenue, Oakland, CA 94612, telephone (510) 847–2178, email althea.asaro@dot.ca.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of Caltrans, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, 16 individuals have been identified. The

12,235 associated funerary objects are catalog entries representing lithics, paleobotanicals, soil samples, faunal remains, shell, shell and beads, light fraction samples, ground stone, baked clay, and post-contact artifacts. Of the 12,235 associated funerary objects, 329 catalog numbers are missing and Caltrans and Sonoma State University (SSU) continue to look for them. These collections are from Napa County along Highway 29 and 121 and are housed at SSU. The collections are the result of Caltrans project-delivery related excavations at the following sites between 1974 and 2019: CA-NAP-15/H (Acc. 78-19, 79-14, 74-06, 79-28, & 77-15); CA-NAP-518 (Acc. 78-6); CA-NAP-39 (Acc. 2019-001 & 99-06). There are no known/documentated potentially hazardous substances used to treat any of the cultural items.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

Determinations

Caltrans has determined that:

- The human remains described in this notice represent the physical remains of 16 individuals of Native American ancestry.
- The 12,235 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between associated funerary objects described in this notice and the Yocha Dehe Wintun Nation, California.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after June 9, 2025. If

competing requests for repatriation are received, Caltrans must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. Caltrans is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: April 22, 2025.

Notice of Inventory Completion: Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after June 9, 2025.

ADDRESSES: Deanna Byrd, Peabody Museum of Archaeology and Ethnology, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, telephone (617) 384-0672, email deannabyrd@fas.harvard.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the PMAE, and additional information on the determinations in this notice, including the results of consultation, can be found

in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, one individual have been identified. No associated funerary objects are present. The individual was removed from a hill overlooking the Missouri River in Bismarck, Burleigh County, ND, by George F. Will in 1910 and donated to the PMAE by Will the same year.

Human remains representing, at least, 22 individuals have been identified. The two associated funerary objects are two worked bone items. The individuals and associated funerary objects were removed from a mound in "Dakota," i.e., the Dakota Territory, representing present-day North and South Dakota, by Daniel Frank Whitten, D.M.D., at an unknown date, but likely between 1878 and 1891. Whitten transferred the individuals and associated funerary objects to Frank T. Taylor, D.M.D., at an unknown date, and Taylor donated the ancestors and associated funerary objects to the Harvard Dental School Museum (HDSM) in 1899. In 1936, the HDSM transferred the individuals and associated funerary objects to the PMAE. Additional human remains from this mound are under the control of and reported by the Center for the History of Medicine, Francis A. Countway Library of Medicine, Harvard University, in a separate notice.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of 23 individuals of Native American ancestry.
- The two objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Assiniboine and Sioux Tribes of the Fort Peck Indian Reservation, Montana; Cheyenne River Sioux Tribe of the Cheyenne River Reservation, South Dakota; Crow Creek Sioux Tribe of the Crow Creek Reservation, South Dakota;
