

results would trigger management changes to maximize recreational use and facility development while minimizing natural resource degradation and depletion. The BLM's preferred alternative is Alternative B with a focus on management concerns associated with the Monument while complying with the Proclamation and current BLM policies. The objectives balance ecological health and resource conservation with visitor use, research and environmental education opportunities, and recreational facilities development. Copies of the Kasha-Katuwe Tent Rocks National Monument PRMP/FEIS have been sent to affected Federal, State, and local government agencies and to interested parties. Copies of the PRMP/FEIS are available for public inspection at BLM's Rio Puerco Field Office 435 Montano NE, Albuquerque, NM and BLM's New Mexico State Office 1474 Rodeo Road, Santa Fe, NM and other BLM offices throughout the State. Interested persons may also review the PRMP/FEIS at www.nm.blm.gov. Comments on the Draft RMP/EIS received from the public and internal BLM review comments were incorporated into the proposed plan. Public comments resulted in clarifying the text of the PRMP/FEIS. The acquisition of lands immediately adjacent to the southwest Monument boundary after release of the Draft RMP/EIS required changes in ownership figures and miles of Federally owned roads and trails in the PRMP/FEIS, but did not significantly change proposed land use decisions.

Instructions for filing a protest with the Director of the BLM regarding the Proposed Plan/Final EIS may be found at 43 CFR 1610.5-2. A protest may only raise those issues which were submitted for the record during the planning process. E-mail and faxed protests will not be accepted as valid protests unless the protesting party also provides the original letter by either regular or overnight mail postmarked by the close of the protest period. Under these conditions, the BLM will consider the e-mail or faxed protest as an advance copy and it will receive full consideration. If you wish to provide BLM with such advance notification, please direct faxed protests to the attention of the BLM protest coordinator at 202-452-5112, and e-mails to Brenda_Hudgens-Williams@blm.gov.

Please direct the follow-up letter to the appropriate address provided below. The protest must contain:

a. The name, mailing address, telephone number, and interest of the person filing the protest.

b. A statement of the part or parts of the plan and the issue or issues being protested.

c. A copy of all documents addressing the issue(s) that the protesting party submitted during the planning process of a statement or the date they were discussed for the record.

d. A concise statement explaining why the protestor believes the State Director's decision is wrong.

All protests must be in writing and mailed to one of the following addresses:

Regular Mail: Director 210, Attention: Brenda Williams, P.O. Box 66538, Washington, DC 20035.

Overnight Mail: Director 210, Attention: Brenda Williams, 1620 L Street, NW., Suite 1075, Washington, DC 20036.

Individual respondents may request confidentiality. If you wish to withhold your name or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your protest. Such requests will be honored to the extent allowed by law. All submissions from organizations and businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be available for public inspection in their entirety. The Director will promptly render a decision on the protest. The decision will be in writing and will be sent to the protesting party by certified mail, return receipt requested.
