

system, and, in general, to protect investors and the public interest.

The Commission notes that the proposal, which would establish two methods by which disseminated size is calculated for options traded on the Phlx, is consistent with Rule 11Ac1-1(d) under the Act.<sup>17</sup> The Phlx proposes to maintain its current disseminated size definition for options that are subject to the current Auto-Quote technology and to establish a new disseminated size definition for options that are subject to the new Auto-Quote technology or an SQF. Specifically, for options that utilize the new Auto-Quote technology or which are subject to an SQF, the disseminated size would be at least the sum of the limit orders, unless the specialist and crowd determine to increase such size. The Commission believes that the Exchange's proposal to begin to disseminate the actual size of the limit orders when such orders represent the Exchange's disseminated price should increase transparency by providing more accurate quotation information, which is consistent with Section 11A of the Act.<sup>18</sup>

The Commission believes that the proposal is a positive step toward deployment of the Exchange's new quotes with size system that will disseminate quotations with actual size in all options traded on the Phlx in the future.<sup>19</sup> The Commission believes that disseminating the actual size of quotations should enhance the quality of Phlx's quotation information that is disseminated to the public by more accurately reflecting trading interest on the Phlx.

The Commission finds good cause, consistent with Section 19(b)(2) of the Act,<sup>20</sup> to approve the proposed rule change prior to the thirtieth day after the date of publication of the notice of filing thereof in the **Federal Register**. The Commission notes that the Phlx has represented that it is technologically capable of implementing the proposal immediately upon approval from the Commission.<sup>21</sup> The Commission believes that accelerated approval of

this proposal should permit the Phlx to promptly implement the proposed changes, which should enhance Phlx's quotation information. Accordingly, the Commission finds that there is good cause, consistent with Section 19(b)(2) of the Act,<sup>22</sup> to approve the proposal on an accelerated basis.

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Act,<sup>23</sup> that the proposed rule change (SR-Phlx-2002-15) is approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>24</sup>

## DEPARTMENT OF STATE

### [Public Notice 4097]

#### Office of Counterterrorism; Determination Pursuant to Section 1(b) of Executive Order 13224 Relating to New People's Army/Communist Party of the Philippines and Jose Maria Sison

Acting under the authority of section 1(b) of Executive Order 13224 of September 23, 2001, and in consultation with the Secretary of the Treasury and the Attorney General, the Secretary of State hereby determines that the New People's Army/Communist Party of the Philippines and Jose Maria Sison have committed, or pose a significant risk of committing, acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States.

Consistent with the determination in section 10 of Executive Order 13224 that prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously, the Secretary of State determines that no prior notice need be provided to any person subject to this determination who might have a constitutional presence in the United States because to do so would render ineffectual the measures authorized in the Order.

This notice shall be published in the **Federal Register**.
