Notes for Committees Involved in Both the Special Election(s) and Regularly-Scheduled Election(s)

In addition to the special election reports listed in the tables above, committees involved in the regularly-scheduled election(s) may have additional filing obligations. (See <https://www.fec.gov/help-candidates-and-committees/dates-and-deadlines/2020-reporting-dates/pre-and-post-general-reports-2020/>.) Given the proximity of special and regularly-scheduled elections, some reporting periods overlap. As a result, the Commission has waived the Pre-General Report (due October 22) for any committee required to file a Special Post-General Report (due October 29). This is the only report the Commission has waived as a result of the overlap. Committees must file all other required special and regularly-scheduled reports. Remember, a reporting period always begins the day after the close of books for the last report filed. Filers with questions are encouraged to call the Commission at 1-800-424-9530.

Dated: August 3, 2020.

On behalf of the Commission,

Ellen L. Weintraub,

Commissioner, Federal Election Commission.
