#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

Regulations at 50 CFR 648.84(a), (b), and (d), § 648.123(b)(3), § 648.144(b)(1), and § 697.21(a) and (b) require that Federal fishing permit holders using specified fishing gear mark that gear with specified information for the purposes of identification (e.g., official vessel number or other method identified in the regulations). The regulations also specify how the gear is to be marked for the purposes of visibility (e.g., buoys, radar reflectors, or other method identified in the regulations). The display of the identifying characters on fishing gear aids in fishery law enforcement. The marking of gear for visibility increases safety at sea.
