#### SUPPLEMENTARY INFORMATION:

**Background.**—On October 31, 1994, the Department of Commerce (“Commerce”) suspended an antidumping duty investigation on imports of silicomanganese from Ukraine (59 FR 60951, November 29, 1994). On December 22, 1994, Commerce issued an antidumping duty

order on imports of silicomanganese from China (59 FR 66003). Following first five-year reviews by Commerce and the Commission, effective February 16, 2001, Commerce issued a continuation of the antidumping duty order on imports of silicomanganese from China and of the suspended investigation on imports of silicomanganese from Ukraine (66 FR 10669). On July 19, 2001, the Government of Ukraine requested termination of the suspension agreement on silicomanganese from Ukraine and, effective September 17, 2001, Commerce issued an antidumping duty order on imports of silicomanganese from Ukraine (66 FR 43838, August 21, 2001). Following second five-year reviews by Commerce and the Commission, effective September 14, 2006, Commerce issued a continuation of the antidumping duty orders on imports of silicomanganese from China and Ukraine (71 FR 54272). Following the third five-year reviews by Commerce and the Commission, effective November 8, 2012, Commerce issued a continuation of the antidumping duty orders on imports of silicomanganese from China and Ukraine (77 FR 66956). The Commission is now conducting fourth five-year reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission’s Rules of Practice and Procedure at 19 CFR parts 201, subparts A and B and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission’s determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

**Definitions.**—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by the Department of Commerce.

(2) The *Subject Countries* in these reviews are China and Ukraine.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original

determinations, its full first five-year review determinations, its expedited second five-year review determinations, and its full third five-year review determinations, the Commission defined the *Domestic Like Product* as all silicomanganese, coextensive with Commerce’s scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, its full first five-year review determinations, its expedited second five-year review determinations, and its full third five-year review determinations, the Commission defined the *Domestic Industry* as all domestic producers of silicomanganese.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

**Participation in the proceeding and public service list.**—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission’s rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission’s designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval
