

Commodity Branch in FAS' Cooperator Programs Division. The Commodity Branch will review each application against the criteria listed in section 1485.14 of the MAP regulations. The purpose of this review is to identify meritorious proposals and to recommend an appropriate funding level for each application based upon these criteria.

(2) *Phase 2—Competitive Review:*

Meritorious applications then will be passed on to the Office of the Deputy Administrator, Office of Trade Programs, for the purpose of allocating available funds among the applicants. Applicants will compete for funds on the basis of the following allocation criteria (the number in parentheses represents a percentage weight factor):

(a) *Applicant's Contribution Level (40)*

- The applicant's 4-year average share (2008–2011) of all contributions (cash and goods and services provided by U.S. entities in support of overseas marketing and promotion activities) compared to;
- The applicant's 4-year average share (2008–2011) of the funding level for all MAP participants.

(b) *Past Performance (30)*

- The 3-year average share (2007–2009) of the value of exports promoted by the applicant compared to;
- The applicant's 2-year average share (2009–2010) of the funding level for all MAP applicants plus, for those groups participating in the Cooperator program, the 2-year average share (2009–2010) of Cooperator marketing plan budgets.

(c) *Projected Export Goals (15)*

- The total dollar value of projected exports promoted by the applicant for 2011 compared to;
- The applicant's requested funding level;

(d) *Accuracy of Past Projections (15)*

- Actual exports for 2009 as reported in the 2011 MAP application compared to;
- Past projections of exports for 2009 as specified in the 2009 MAP application.

The Commodity Branches' recommended funding levels for each applicant are converted to percentages of the total MAP funds available and then multiplied by each weight factor as described above to determine the amount of funds allocated to each applicant.

2. *Anticipated Announcement Date:* Announcements of funding decisions for the MAP are anticipated during October 2010.

## VI. Award Administration Information

1. *Award Notices:* The FAS will notify each applicant in writing of the final disposition of its application. The FAS

will send an approval letter and program agreement to each approved applicant. The approval letter and program agreement will specify the terms and conditions applicable to the project, including the levels of MAP funding and cost-share contribution requirements.

2. *Administrative and National Policy Requirements:* Interested parties should review the MAP regulations, which are available at the following URL address: <http://www.fas.usda.gov/mos/programs/map.asp>. Hard copies may be obtained by contacting the Program Operations Division.

3. *Reporting:* The FAS requires various reports and evaluations from MAP participants. Reporting requirements are detailed in the MAP regulations in section 1485.20(b) and (c).
