Title of Collection: Application Forms and Instructions for the National Resource Centers (84.015A) and Foreign Language and Area Studies Fellowships (84.015B) Programs.

OMB Control Number: 1840-0807.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: Private Sector.

Total Estimated Number of Annual Responses: 165.

Total Estimated Number of Annual Burden Hours: 17,325.

Abstract: This information collection (OMB 1840-0807) includes application instructions and forms for the National Resource Centers (NRC) Program (CFDA Number 84.015A) and the Foreign Language and Area Studies (FLAS) Fellowships Program (CFDA Number 84.015B), authorized under Title VI of the Higher Education Act of 1965, as amended (20 U.S.C. The NRC Program provides grants to institutions of higher education (IHE) or consortia of IHEs to establish, strengthen, and operate comprehensive and undergraduate foreign language and area or international studies centers. These centers serve as centers of excellence for world language training and teaching, research, and instruction in fields needed to provide full understanding of areas, regions, or countries where the languages are commonly used. The FLAS Fellowship Program awards allocations of fellowships, through institutions of higher education, to meritorious students enrolled in programs that offer performance-based instruction in world languages in combination with area studies, international studies, or the international aspects of professional studies.

Together, these programs respond to the ongoing national need for individuals with expertise and

competence in world languages and area or international studies; advance national security by developing a pipeline of highly proficient linguists and experts in critical world regions; and contribute to developing a globally competent workforce able to engage with a multilingual/multicultural clientele at home and abroad. Approval of this collection is necessary in order to conduct fiscal year (FY) 2022 program competitions.

This collection is being submitted under the Streamlined Clearance Process for Discretionary Grant Information Collections (1894-0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection request."
