Title of the Collection: Teen Pregnancy Prevention Fiscal Year 2020/2021 Tier 1 and Tier 2 Implementation Study.

Type of Collection: New.
OMB No. 0990–NEW–Office of Population Affairs.

Abstract: The Office of Population Affairs (OPA), U.S. Department of Health and Human Services (HHS) is requesting 2 years of approval by OMB on a new collection. The Teen Pregnancy Prevention (TPP) Tier 1 and Tier 2 Implementation Study will document how 75 grantees funded in 2020 and 2021 are implementing their grant strategies to reduce rates of teen pregnancy and sexually transmitted infections in their selected communities or priority areas. OPA anticipates that grantees will employ diverse strategies working with partner organizations within communities to implement their teen pregnancy prevention projects. To document approaches and experiences

of each grantee, a lead staff member in each grantee organization and up to one other staff member will be interviewed during an in-person or virtual site visit.

Up to two staff members from key grantee partner organizations will be interviewed for 31 of the 62 Tier 1 grantees and all 13 Tier 2 grantees. Interview participants will include up to 124 Tier 1 grantee staff members, 62 Tier 1 grantee partner organization staff members, 26 Tier 2 grantee staff members and 26 Tier 2 grantee partner organization staff members. The data collection effort will occur once and will primarily affect public and private businesses.
