

The Office of Citizen Exchanges of ECA will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at <http://exchanges.state.gov> or from: United States Department of State, Office of Exchange Coordination and Designation, ECA/EC/ECD—SA-44, Room 734, 301 4th Street, SW., Washington, DC 20547, Telephone: (202) 401-9810, FAX: (202) 401-9809.

#### Review Process

The Bureau will acknowledge receipt of all proposals and will review them for technical eligibility. Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package. All eligible proposals will be reviewed by the program office, as well as the Public Diplomacy section overseas, where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. Final funding decisions are at the discretion of the Department of State's Assistant Secretary for Educational and Cultural Affairs. Final technical authority for assistance award grants resides with the Bureau's Grants Officer.

**Authority:** Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Pub. L. 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations \* \* \* and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

#### Notice

The terms and conditions published in this RFGP are binding and may not be modified by any Bureau representative. Explanatory information provided by the Bureau that contradicts published language will not be binding. Issuance of the RFGP does not constitute an award commitment on the part of the Government. The Bureau

reserves the right to reduce, revise, or increase proposal budgets in accordance with the needs of the program and the availability of funds. Awards made will be subject to periodic reporting and evaluation requirements.

#### Notification

Final awards cannot be made until funds have been appropriated by Congress, allocated and committed through internal Bureau procedures.

Dated: April 14, 2004.

##### Federal Aviation Administration

##### Noise Exposure Map Notice

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Notice.

**SUMMARY:** The Federal Aviation Administration (FAA) announces its determination that the noise exposure maps submitted by the Pennsylvania State University for the University Park Airport under the provisions of 49 U.S.C. 47501 *et seq.* (Aviation Safety and Noise Abatement Act) and 14 CFR part 150 are in compliance with applicable requirements.

**EFFECTIVE DATE:** The effective date of the FAA's determination on the noise exposure maps is April 15, 2004.

**FOR FURTHER INFORMATION CONTACT:** Maria Stanco, New York Airports District Office, 600 Old Country Road, Suite 440, Garden City, New York, 11530 (516-227-3808).

**SUPPLEMENTARY INFORMATION:** This notice announces that the FAA finds that the noise exposure maps submitted for the University Park Airport are in compliance with applicable requirements of Part 150, effective April 15, 2004. Under 49 U.S.C. section 47503 of the Aviation Safety and Noise Abatement Act (hereinafter referred to as "the Act"), an airport operator may submit to the FAA noise exposure maps which meet applicable regulations and which depict non-compatible land uses as of the date of submission of such maps, a description of projected aircraft operations, and the ways in which such operations will affect such maps. The Act requires such maps to be developed in consultation with interested and affected parties in the local community, government agencies and persons using the airport. An airport operator who has submitted noise exposure maps that are found by the FAA to be in compliance with the requirements of Federal Aviation Regulations (FAR) Part 150,

promulgated pursuant to the Act, may submit a noise compatibility program for FAA approval which sets forth the measures the operator has taken or proposes to take to reduce existing non-compatible uses and prevent the introduction of additional non-compatible uses.

The FAA has completed its review of the noise exposure maps and accompanying documentation submitted by the Pennsylvania State University. The documentation that constitutes the "noise exposure maps" as defined in section 150.7 of Part 150 includes: 2000 Noise Exposure Map (Exhibit 4-4), 2005 Noise Exposure Map (Exhibit 4-5) and documentation in Chapter 4 of the Noise Exposure Maps Report for the University Park Airport; type and frequency of aircraft (Tables 4-1, 4-2) and documentation in section 4.2; airport layout and flight patterns (Exhibits 4-1, 4-2, Table 4-4) and documentation in sections 4.1, 4.4; and nighttime operations Table 4.4. The FAA has determined that these noise exposure maps and accompanying documentation are in compliance with the applicable requirements. This determination is effective on April 15, 2004.

FAA's determination on an airport operator's noise exposure maps is limited to a finding that the maps were developed in accordance with the procedures contained in appendix A of FAR part 150. Such determination does not constitute approval of the applicant's data, information or plans, or a commitment to approve a noise compatibility program or to fund the implementation of that program.

If questions arise concerning the precise relationship of specific properties to noise exposure contours depicted on a noise exposure map submitted under section 47503 of the Act, it should be noted that the FAA is not involved in any way in determining the relative locations of specific properties with regard to the depicted noise contours, or in interpreting the noise exposure maps to resolve questions concerning, for example, which properties should be covered by the provisions of section 47503 of the Act. These functions are inseparable from the ultimate land use control and planning responsibilities of local government. These local responsibilities are not changed in any way under part 150 or through FAA's review of noise exposure maps. Therefore, the responsibility for the detailed overlaying of noise exposure contours onto the map depicting properties on the surface rests exclusively with the airport operator which submitted these

maps, or with those public agencies and planning agencies with which consultation is required under section 47503 of the Act. The FAA has relied on the certification by the airport operator, which under § 150.21 of FAR part 150, that the statutorily required consultation has been accomplished.

Copies of the full noise exposure maps documentation and of the FAA's evaluation of the maps are available at the following locations:

Federal Aviation Administration, New York Airports District Office, 600 Old Country Road, Suite 440, Garden City, NY 11530, and

Bryan Rodgers, University Park Airport, 2535 Fox Hill Road, State College, PA.

Questions may be directed to the individual named above under the heading **FOR FURTHER INFORMATION CONTACT**.

Issued in Jamaica, Queens, April 15th, 2004.

## DEPARTMENT OF TRANSPORTATION

### National Highway Traffic Safety Administration

[Docket No. NHTSA 2001-10856]

#### Agency Information Collection Activities; Proposals, Submissions, and Approvals

**AGENCY:** National Highway Traffic Safety Administration (NHTSA), DOT.

**ACTION:** Second request for public comment on proposed collection of information.

**SUMMARY:** Before a Federal agency can collect certain information from the public, it must receive approval from the Office of Management and Budget (OMB). Under procedures established by the Paperwork Reduction Act of 1995, before seeking OMB approval, Federal agencies must solicit public comment on the proposed collection of information.

This document describes a proposed collection of information under regulations implementing section 7 of the Transportation Recall Effectiveness, Accountability, and Documentation (TREAD) Act with respect to the disposition of recalled tires, for which NHTSA intends to seek OMB approval. NHTSA issued a notice of proposed rulemaking to implement section 7 on December 18, 2001 (66 FR 65165). It

then issued a supplemental notice on July 26, 2002 (67 FR 48852).

In response to an earlier request for public comment on a proposed collection of information based on the NPRM, which was published on May 27, 2003 (68 FR 28876), the Rubber Manufacturers Association (RMA) commented that NHTSA had not requested comment or fulfilled other PRA duties with respect to certain information that would have to be provided to third parties. The agency agrees that the May 27, 2003, request was inadequate. Accordingly, NHTSA is publishing this request for comment, which addresses the items identified by the RMA as well as other relevant items.

The first request for comment stated that this was a new information collection. Upon further consideration, NHTSA has decided to treat this as a revision to an existing information collection, OMB No. 2127-0004.

**DATES:** Comments must be received on or before June 21, 2004.

**ADDRESSES:** Comments must refer to the docket and notice numbers cited at the beginning of this notice and be submitted to Docket Management, Room PL-401, 400 Seventh Street, SW., Washington, DC 20590. The Docket is open on weekdays from 9:30 a.m. to 5 p.m. Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (volume 65, number 70, pages 19477-78), or you may visit <http://dms.dot.gov>.

**FOR FURTHER INFORMATION CONTACT:** Mr. George Person, Office of Defects Investigation, NHTSA, 400 Seventh Street, SW., Room 5326, Washington, DC 20590. Mr. Person's telephone number is (202) 366-5210.

**SUPPLEMENTARY INFORMATION:** Under the Paperwork Reduction Act of 1995 (PRA), before an agency submits a proposed collection of information to OMB for approval, it must publish a document in the **Federal Register** providing a 60-day comment period and otherwise consult with members of the public and affected agencies concerning each proposed collection of information. The OMB has promulgated regulations describing what must be included in such a document. Under OMB's regulations (at 5 CFR 1320.8(d)), an agency must ask for public comment on the following:
