**SUPPLEMENTARY INFORMATION:**

**Full Text of Announcement**

**I. Funding Opportunity Description**

On March 11, 2021, the President signed into law the ARP (Pub. L. 117–2). This new law makes available approximately \$39.6 billion for institutions of higher education under the HEERF grant program, with funding appropriated through existing programs previously authorized under the CRRSAA (Pub. L. 116–260).

With this notice, the Secretary is announcing that proprietary institutions of higher education, as defined in section 102(b) of the Higher Education Act of 1965, as amended, 20 U.S.C. 1002(b) (HEA), that did not previously receive funding under section 314(a)(4) of CRRSAA may apply for HEERF III grant funds under the ARP (a)(4) program, Proprietary Institution Grant Funds for Students ALN 84.425Q. The estimated available funds for this program is approximately \$396 million. Allocations for eligible proprietary institutions of higher education will be calculated on the basis of the formula specified under section 314(a)(1)(A)–(F) of CRRSAA, with the total amount of funding allocated to the (a)(4) funding stream determined under ARP section 2003(4).

Under CRRSAA section 314(d)(7), which continues to apply to ARP (a)(4) funds, awards from the Proprietary Institution Grant Funds for Students program may only be used to provide emergency financial aid grants to students (including students exclusively

enrolled in distance education), which may be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or childcare. In making such emergency financial aid grants to students, grantees must prioritize grants to students with exceptional need, such as students who receive Pell Grants. Please note that drawing down any amount of these supplemental funds constitutes an institution's acceptance of the terms and conditions under the ARP and Supplemental Agreement, which are included as appendices to this notice for reference.

The Department will award supplemental funds to eligible institutions that previously received a CRRSAA section 314(a)(4) ALN 84.425Q award without requiring these institutions to submit a new application for funding. However, by August 11, 2021 (90 days of the publication of this notice) and prior to receiving an award, eligible institutions must submit a Required Proprietary Institution Certification (RPIC) form, which must be signed by the institution's president or chief executive officer and any owners with an ownership interest in the institution of 25 percent or more. The Department is adopting this form as an additional risk mitigation procedure. Completed RPIC forms must be emailed to [HEERFARP4@ed.gov](mailto:HEERFARP4@ed.gov).

Proprietary institutions that did not receive a CRRSAA section 314(a)(4) award but are on the Department's published ARP (a)(4) allocation table may apply for and receive ARP (a)(4) funds. To receive an award, institutions must submit an application as well as the RPIC form by August 11, 2021.

The Department recognizes that some institutions may not want additional funds under the ARP. Institutions wanting to decline their award or a specified amount may should submit the Voluntary Decline of HEERF Grant Funds form to [HEERFRefund@ed.gov](mailto:HEERFRefund@ed.gov), available at [www2.ed.gov/about/offices/list/ope/arp.html](http://www2.ed.gov/about/offices/list/ope/arp.html), to redirect these funds to institutions with greater needs. If the Department has already made an ARP supplemental award to the institution, the Department will deobligate those supplemented funds in G5 by the amount specified in the form. Any returned funds will be redistributed to institutions that have not declined funds by applying the appropriate distribution formula and making additional supplemental awards. Institutions have 90 days from the publication of this notice to indicate if
