

41. For Auction 90, the Bureaus propose to establish an additional default payment of twenty percent. As previously noted by the Commission defaults weaken the integrity of the auction process and may impede the deployment of service to the public, and an additional default payment of more than the previous three percent will be more effective in deterring defaults. In light of these considerations for Auction 90, the Bureaus propose an additional default payment of twenty percent of the relevant bid. The Bureaus seek comment on this proposal.

V. Deadlines and Filing Procedures

42. Comments are due on or before September 30, 2010, and reply comments are due on or before October 15, 2010. All filings related to procedures for Auction 90 must refer to AU Docket No. 10–147. Comments may be submitted using the Commission's Electronic Comment Filing System or by filing paper copies. The Bureaus strongly encourage interested parties to file comments electronically.

43. This proceeding has been designated as a permit-but-disclose proceeding in accordance with the Commission's *ex parte* rules. Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentations must contain summaries of the substance of the presentations and not merely a listing of the subjects discussed. More than a one or two sentence description of the views and arguments presented is generally required. Other rules pertaining to oral and written *ex parte* presentations in permit-but-disclose proceedings are set forth in 47 CFR 1.1206(b).
