

Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Student Assistance General Provisions, Federal Supplemental Educational Opportunity Grant, Federal Family Education Loan, Federal Work-Study, Federal Perkins Loan, Federal Pell Grant, Leveraging Educational Assistance Partnership, William D. Ford Federal Direct Loan, Academic Competitiveness Grant, and National Science and Mathematics Access To Retain Talent Grant Programs

ACTION: Notice of deadline dates for receipt of applications, reports, and other records for the 2007-2008 award year.

SUMMARY: The Secretary announces deadline dates for the receipt of documents and other information from institutions and applicants for the Federal student aid programs authorized under Title IV of the Higher Education Act of 1965, as amended, for the 2007-2008 award year. The Federal student aid programs include the Federal Supplemental Educational Opportunity Grant, Federal Family Education Loan,

Federal Work-Study, Federal Perkins Loan, Federal Pell Grant, Leveraging Educational Assistance Partnership, William D. Ford Federal Direct Loan, Academic Competitiveness Grant (ACG), and National Science and Mathematics Access to Retain Talent Grant (National SMART Grant) programs.

These programs, administered by the U.S. Department of Education (Department), provide financial assistance to students attending eligible postsecondary educational institutions to help them pay their educational costs.

Deadline and Submission Dates: See Tables A and B at the end of this notice.

Table A—Deadline Dates for Application Processing and Receipt of Student Aid Reports (SARs) or Institutional Student Information Records (ISIRs) by Institutions

Table A provides information and deadline dates for application processing, including receipt of the Free Application for Federal Student Aid (FAFSA) and corrections to and signatures for the FAFSA, submission and receipt of SARs and ISIRS, and submission and receipt of verification documents.

The single date for the receipt of a FAFSA is June 30, 2008, regardless of the method that the applicant uses to submit the FAFSA. The deadline date for the submission and receipt of a signature page for the FAFSA (if required), corrections, changes of addresses or schools, or requests for a duplicate SAR is September 22, 2008. Verification documents must be submitted and received no later than the earlier of 120 days after the student's last date of enrollment or September 29, 2008.

SARS and ISIRS with an official expected family contribution for all Federal student aid programs except Parent PLUS must be submitted and received no later than the earlier of the student's last date of enrollment or September 29, 2008. A valid SAR or valid ISIR for a student not meeting the conditions for a late disbursement for purposes only of the Federal Pell Grant, ACG, or National SMART Grant programs must be submitted and received no later than the earlier of the student's last date of enrollment or September 29, 2008. A valid SAR or valid ISIR for a student meeting the conditions for a late disbursement under the Federal Pell Grant, ACG, or National SMART Grant programs must be submitted and received according to the deadline dates provided below.

Under the current provisions of 34 CFR 668.164(g)(4)(i), an institution may make a late disbursement for a student no later than 120 days after the date of the institution's determination that the student withdrew or, for a student who did not withdraw, 120 days after the date the student otherwise became ineligible. Under the current regulations, on an exception basis, we may approve a late disbursement after the 120-day period if the reason that the late disbursement was not made within that 120-day period was not the fault of the student. The valid SAR or valid ISIR for a student meeting the conditions for a late disbursement under the Federal Pell Grant, ACG, or National SMART Grant programs must be submitted and received no later than the earlier of the timeframes provided in 34 CFR 668.164(g)(4)(i) or September 29, 2008.

On November 1, 2007, we published final regulations in the **Federal Register** (72 FR 62014, 62029) that among other things amended 34 CFR 668.164(g)(4)(i) regarding late disbursements. Amended 34 CFR 668.164(g)(4)(i) is effective July 1, 2008, unless an institution chooses to implement this amended provision earlier than July 1, 2008. Amended 34 CFR 668.164(g)(4)(i) provides that an institution may not make a late disbursement later than 180 days after the date of the institution's determination that the student withdrew or, for a student who did not withdraw, 180 days after the date the student otherwise became ineligible. The amended regulations do not provide for an extension to this 180-day period.

If an institution chooses to implement the amended provisions earlier than July 1, 2008, we are providing in Table A that an institution must receive a valid SAR or valid ISIR no later than 180 days after its determination of a student's withdrawal or, for a student who did not withdraw, 180 days after the date the student otherwise became ineligible, but not later than September 29, 2008.

We will not accept a request for an extension of the 120-day period under the current regulations after June 30, 2008.

Table B—Federal Pell Grant, ACG, and National SMART Grant Programs Submission Dates for Disbursement Information by Institutions

Table B provides the earliest submission and deadline dates for

institutions to submit Federal Pell Grant, ACG, and National SMART Grant disbursement records to the Department's Common Origination and Disbursement (COD) System and deadline dates for requests for administrative relief if the institution cannot meet the established deadline for specified reasons.

In general, an institution must submit Federal Pell Grant, ACG, or National SMART Grant disbursement records no later than 30 days after making a Federal Pell Grant, ACG, or National SMART Grant disbursement or becoming aware of the need to adjust a student's previously reported Federal Pell Grant, ACG, or National SMART Grant disbursement. In accordance with the regulations in 34 CFR 668.164, we consider that Federal Pell Grant, ACG, and National SMART Grant funds are disbursed on the date that the institution: (a) Credits those funds to a student's account in the institution's general ledger or any subledger of the general ledger, or (b) pays those funds to a student directly. We consider that Federal Pell Grant, ACG, and National SMART Grant funds are disbursed even if an institution uses its own funds in advance of receiving program funds from the Department. An institution's failure to submit disbursement records within the required 30-day timeframe may result in an audit or program review finding. In addition, the Secretary may initiate an adverse action, such as a fine or other penalty for such failure.

¹ The deadline for electronic transactions is 11:59 p.m. (Central Time) on the deadline date. Transmissions must be completed and accepted before 12:00 midnight to meet the deadline. If transmissions are started before 12:00 midnight but are not completed until after 12:00 midnight, those transmissions do not meet the deadline. In addition, any transmission submitted on or just prior to the deadline date that is rejected may not be reprocessed because the deadline will have passed by the time the user gets the information notifying him/her of the rejection.

² The date the ISIR/SAR transaction was processed by CPS is considered to be the date the institution received the ISIR or SAR regardless of whether the institution has downloaded the ISIR from its SAIG mailbox or when the student submits the SAR to the institution.

³ Although the Secretary has set this deadline date for the submission of verification documents, if corrections are required, deadline dates for submission of paper or electronic corrections and, for a Federal Pell Grant, ACG, and National SMART Grant, the submission of a valid SAR or valid ISIR to the institution must still be met. An institution may establish an earlier deadline for the submission of verification documents for purposes of the campus-based programs, the FFEL Program, and the Federal Direct Loan Program. Students completing verification and submitting a valid SAR or valid ISIR while no longer enrolled will be paid based on the higher of the two EFCs.
