[Docket No. BOEM–2016–0045]

Atlantic Wind Lease Sale 7 (ATLW–7) for Commercial Leasing for Wind Power on the Outer Continental Shelf Offshore North Carolina (Kitty Hawk)—Proposed Sale Notice and Request for Interest; MMAA104000

AGENCY: Bureau of Ocean Energy Management (BOEM or “the Bureau”), Interior.

ACTION: Proposed sale notice and request for interest for commercial leasing for Wind Power on the outer

continental shelf offshore North Carolina (Kitty Hawk).

SUMMARY: This is the Proposed Sale Notice (PSN) for the sale of one commercial wind energy lease on the Outer Continental Shelf (OCS) offshore Kitty Hawk, North Carolina, pursuant to 30 CFR 585.216. BOEM proposes to offer Lease OCS–A 0508 for sale using an ascending-bid auction. In this PSN, you will find information pertaining to the area available for leasing, proposed lease provisions and conditions, auction details, the lease form, criteria for evaluating competing bids, award procedures, appeal procedures, and lease execution. BOEM invites public comment during a 60-day comment period following publication of this notice. The issuance of the proposed lease resulting from this sale would not constitute an approval of project-specific plans to develop offshore wind energy. Such plans, expected to be submitted by the auction winner, would be subject to subsequent environmental and technical reviews prior to a decision to proceed with development. This document is also a Request for Interest (RFI), pursuant to 30 CFR 585.212, to assess if there has been a change in competitive interest in the area encompassing proposed lease OCS–A 0508 since the publication of the North Carolina Call for Information and Nominations (Call) (77 FR 74204) on December 13, 2012. If BOEM determines that competitive interest in the proposed lease area (OCS–A 0508) still exists, BOEM will proceed with the competitive process set forth in 30 CFR 585.211 through 585.225. If BOEM determines competitive interest in the proposed lease area (OCS–A 0508) no longer exists because only one potential lessee is interested in the area, BOEM may proceed with the non-competitive process set forth in 30 CFR 585.231(d)–(i) following the receipt of the acquisition fee specified in 30 CFR 585.502(a).

DATES: Comments should be submitted electronically or postmarked no later than October 17, 2016. All comments received or postmarked during the comment period will be made available to the public and considered prior to publication of the Final Sale Notice (FSN).

Everyone wishing to participate as a bidder in the proposed Kitty Hawk lease sale must respond to this notice by the end of the 60-day comment period. Prospective bidders whom BOEM has already determined are qualified to hold an OCS lease for commercial wind energy development offshore North
