SUPPLEMENTARY INFORMATION:

Background

On January 23, 2012, the Department of the Treasury (Treasury) and the Internal Revenue Service (IRS) published in the **Federal Register** a temporary regulation and a notice of proposed rulemaking relating to dividend equivalents from sources within the United States. See TD 9572, 77 FR 3108 (Temporary Regulations); REG-120282-10, 77 FR 3202 (Proposed Regulations). Section 871(m)(2) defines the term “dividend equivalent” to include, in part, any payment made

pursuant to a specified notional principal contract (specified NPC) that is contingent upon or determined by reference to a U.S. source dividend. Section 871(m)(3)(A) provides a definition for the term specified NPC that is applicable to payments made through March 18, 2012. Section 1.871-16T(b) of the Temporary Regulations provides that the definition of specified NPC contained in paragraphs (i) through (iv) of section 871(m)(3)(A) will apply to payments made after March 18, 2012, and before January 1, 2013. The Proposed Regulations provide a different definition of specified NPC that would apply to payments made on or after January 1, 2013.

Explanation of Provisions

Treasury and the IRS received numerous comments on the Proposed Regulations, stating that the proposed effective date of January 1, 2013, would not allow taxpayers sufficient time to build and test the systems required to implement the withholding rules for specified NPCs and equity-linked instruments. In response to these comments, this document amends § 1.871-16T(b) of the Temporary Regulations so that the definition of a specified NPC contained in paragraphs (i) through (iv) of section 871(m)(3)(A) will apply to payments made after March 18, 2012, and before January 1, 2014. When final regulations are issued adopting the Proposed Regulations, Treasury and the IRS intend that the rules contained in the final regulations will apply to payments made on or after January 1, 2014.

Treasury and the IRS continue to consider the other public comments made on the Temporary Regulations and the Proposed Regulations.

Drafting Information

The principal author of these regulations is D. Peter Merkel, the Office of Associate Chief Counsel (International). Other personnel from Treasury and the IRS participated in their development.
