Locomotive Safety Standards; Correction

AGENCY: Federal Railroad Administration (FRA), DOT.

ACTION: Final rule; correction.

SUMMARY: FRA is notifying the public that the correct docket number for the Locomotive Safety Standards final rule is FRA–2009–0094. The final rule issued on April 9, 2012, incorrectly identified docket number FR–2009–0095 as the public docket for this rulemaking proceeding. FRA is requesting that all petitions for reconsideration and all comments on any petitions for reconsideration related to this proceeding be submitted to FRA–2009–0094.

DATES: The deadline for petitions for reconsideration of the final rule published April 9, 2012, at 77 FR 21312, remains June 8, 2012. The deadline for comments on such petitions remains July 23, 2012.

FOR FURTHER INFORMATION CONTACT: Michael Masci, Trial Attorney, Office of Chief Counsel, FRA, 1200 New Jersey Avenue SE., Washington, DC (telephone 202–493–6037).

SUPPLEMENTARY INFORMATION: On April 9, 2012, FRA published a final rule related to locomotive safety standards. See 77 FR 21312. The final rule established a public docket to receive petitions for reconsideration in response to FRA's final rule related to locomotive safety standards and comments on such petitions. That final rule mistakenly lists FR–2009–0095 (“incorrect docket”) as the docket number for the final rule. The correct docket number for this proceeding is FRA–2009–94 (“correct docket”). FRA requests that petitions for reconsideration related to the final rule and comments on such petitions be submitted to the correct docket.

Petitions for reconsideration and comments on such petitions submitted to the incorrect docket will be fully considered as part of the locomotive safety standards rulemaking. Because the incorrect docket is listed in the April 9, 2012, **Federal Register** document issuing the final rule, petitions for reconsideration and comments on such petitions submitted to the incorrect docket will remain valid. FRA will transfer all comments and information that are received in the incorrect docket to the correct docket. As such, interested parties that wish to read petitions for reconsideration related to the final rule and comments on such petitions should access docket FRA–2009–0094 to locate them.

Issued in Washington, DC, on April 12, 2012.

Ron Hynes,

Acting Deputy Associate Administrator for Regulatory and Legislative Operations.
