The petitioner states that mining at the #2 Mine is approaching an area of the reserve where the seam height thickens and is concerned that the current equipment will not be capable of reaching the roof without blocking and ramping the continuous miner. The petitioner asserts that the proposed alternative method would provide at least the same measure of protection as the existing standard.

BILLING CODE 4510-43-U

DEPARTMENT OF LABOR

Pension and Welfare Benefits Administration

[Prohibited Transaction Exemption 2002-19; Exemption Application Number D-11041]

Notice of Grant of Individual Exemption To Modify Prohibited Transaction Exemption 90-23 (PTE 90-23); Prohibited Transaction Exemption 90-31 (PTE 90-31) and Prohibited Transaction Exemption 90-33 (PTE 90-33) Involving J.P. Morgan Chase & Company and Its Affiliates (the Applicants) Located in New York, NY

AGENCY: Pension and Welfare Benefits Administration, U.S. Department of Labor (the Department).

ACTION: Notice of grant of individual exemption to modify PTE 90-23; PTE 90-31; and PTE 90-33 (collectively, the Exemptions).

SUMMARY: This document contains a notice of grant of a proposed individual administrative exemption which amends: PTE 90-23 (55 FR 20545, May 17, 1990), an exemption which was granted to J.P. Morgan Securities, Inc.; PTE 90-31 (55 FR 23144, June 6, 1990),

an exemption which was granted to Chase Manhattan Bank; and PTE 90-33 (55 FR 23151, June 6, 1990), an exemption which was granted to Chemical Banking Corporation.¹ The Exemptions provide relief for the operation of certain asset pool investment trusts and the acquisition, holding and disposition by employee benefit plans (the Plans) of certificates or debt instruments that are issued by such trusts with respect to which one of the Applicants is the lead underwriter or a co-managing underwriter. This amendment permits the trustee of the trust to be an affiliate of the underwriter. The amendment affects the participants and beneficiaries of the Plans participating in such transactions and the fiduciaries with respect to such Plans.

FOR FURTHER INFORMATION CONTACT: Mr. Gary H. Lefkowitz, Office of Exemption Determinations, Pension and Welfare Benefits Administration, U.S. Department of Labor, telephone (202) 693-8546. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: On January 18, 2002, notice was published in the **Federal Register** (67 FR 2699) of the pendency before the Department of a proposed exemption to amend the Exemptions. The amendment, as proposed, would modify the Exemptions, each as subsequently amended by PTE 97-34 (62 FR 39021, July 21, 1997) and PTE 2000-58 (65 FR 67765, November 13, 2000) as set forth below:

The first sentence of section II.A.(4) of the Exemptions is amended to read: "The trustee is not an Affiliate of any member of the Restricted Group, other than an Underwriter."

The only written comment received by the Department on the proposed amendment was submitted by the Applicants, who requested that the Department clarify and restate the Exemptions as a single exemption. In response to that comment, the Department has determined to publish the final exemption as requested, which includes all of the amendments made by PTEs 97-34 and 2000-58.

The Department also received an e-mail message regarding the proposed amendment from an interested person who suggested that the same amendment be made to other

exemptions previously granted by the Department for transactions involving asset-backed securities relating to credit card receivables [e.g., PTE 98-13, 63 FR 17020 (April 7, 1998) regarding MBNA America Bank, N.N.; and PTE 98-14, 63 FR 17027 (April 7, 1998) regarding Citibank (South Dakota), N.A., and Affiliates]. The Department has determined to separately consider a similar amendment to its prior individual exemptions for credit card securitizations in a separate proposal at a later date.

Finally, the Department contacted The Bond Market Association (TBMA) to discuss extending similar relief to all of the prior individual exemptions granted for mortgage-backed and other asset-backed securities (commonly known as the "Underwriter Exemptions"). In this regard, the Department notes that all of the Underwriter Exemptions are essentially identical to the original three Underwriter Exemptions [i.e., PTE 89-88, 54 FR 42582 (October 17, 1989), regarding Goldman, Sachs & Co., et al.; PTE 89-89, 54 FR 42569 (October 17, 1989), regarding Salomon Brothers, Inc.; and PTE 89-90, 54 FR 42597 (October 17, 1989), regarding First Boston Corp.]. In addition, each of the Underwriter Exemptions was also subsequently amended by PTEs 97-34 and 2000-58.² In this regard, the Department anticipates a similar amendment to the remaining Underwriter Exemptions.

Exemption

Under section 408(a) of ERISA and section 4975(c)(2) of the Code and in accordance with the procedures set forth in 29 CFR Part 2570, subpart B (55 FR 32836, August 10, 1990), the Department amends the following individual exemption for J.P. Morgan Chase & Company and its Affiliates and restates the following individual Prohibited Transaction Exemptions (PTEs) as a single exemption: PTE 90-23 (55 FR 20545, May 17, 1990), an exemption which was granted to J.P. Morgan Securities, Inc.; PTE 90-31 (55 FR 23144, June 6, 1990), an exemption which was granted to Chase Manhattan Bank; and PTE 90-33 (55 FR 23151, June 6, 1990), an exemption which was granted to Chemical Banking Corporation.

I. Transactions

A. The restrictions of sections 406(a) and 407(a) of the Act, and the taxes imposed by sections 4975(a) and (b) of the Code, by reason of section

¹ The notice of proposed exemption for PTE 90-23 was published on February 20, 1990 at 55 FR 5906; the notice of proposed exemption for PTE 90-31 was published on February 21, 1990 at 55 FR 6074; and the notice of proposed exemption for PTE 90-33 was published on February 21, 1990 at 55 FR 6082.

² For a listing of such exemptions, see PTE 2000-58, footnote 1, 65 FR at 67765 (November 13, 2000).

4975(c)(1)(A) through (D) of the Code shall not apply to the following transactions involving Issuers and Securities evidencing interests therein:

(1) The direct or indirect sale, exchange or transfer of Securities in the initial issuance of Securities between the Sponsor or Underwriter and an employee benefit plan when the Sponsor, Servicer, Trustee or Insurer of an Issuer, the Underwriter of the Securities representing an interest in the Issuer, or an Obligor is a party in interest with respect to such plan;

(2) The direct or indirect acquisition or disposition of Securities by a plan in the secondary market for such Securities; and

(3) The continued holding of Securities acquired by a plan pursuant to subsection I.A.(1) or (2).

Notwithstanding the foregoing, section I.A. does not provide an exemption from the restrictions of sections 406(a)(1)(E), 406(a)(2) and 407 of the Act for the acquisition or holding of a Security on behalf of an Excluded Plan by any person who has discretionary authority or renders investment advice with respect to the assets of that Excluded Plan.³

B. The restrictions of sections 406(b)(1) and 406(b)(2) of the Act and the taxes imposed by sections 4975(a) and (b) of the Code, by reason of section 4975(c)(1)(E) of the Code, shall not apply to:

(1) The direct or indirect sale, exchange or transfer of Securities in the initial issuance of Securities between the Sponsor or Underwriter and a plan when the person who has discretionary authority or renders investment advice with respect to the investment of plan assets in the Securities is (a) an Obligor with respect to 5 percent or less of the fair market value of obligations or receivables contained in the Issuer, or (b) an Affiliate of a person described in (a); if:

(i) The plan is not an Excluded Plan;

(ii) Solely in the case of an acquisition of Securities in connection with the initial issuance of the Securities, at least 50 percent of each class of Securities in which plans have invested is acquired by persons independent of the members of the Restricted Group and at least 50 percent of the aggregate interest in the Issuer is acquired by persons independent of the Restricted Group;

(iii) A plan's investment in each class of Securities does not exceed 25 percent of all of the Securities of that class

outstanding at the time of the acquisition; and

(iv) Immediately after the acquisition of the Securities, no more than 25 percent of the assets of a plan with respect to which the person has discretionary authority or renders investment advice are invested in Securities representing an interest in an Issuer containing assets sold or serviced by the same entity.⁴ For purposes of this paragraph (iv) only, an entity will not be considered to service assets contained in an Issuer if it is merely a Subservicer of that Issuer;

(2) The direct or indirect acquisition or disposition of Securities by a plan in the secondary market for such Securities, provided that the conditions set forth in paragraphs (i), (iii) and (iv) of subsection I.B.(1) are met; and

(3) The continued holding of Securities acquired by a plan pursuant to subsection I.B.(1) or (2).

C. The restrictions of sections 406(a), 406(b) and 407(a) of the Act, and the taxes imposed by section 4975(a) and (b) of the Code by reason of section 4975(c) of the Code, shall not apply to transactions in connection with the servicing, management and operation of an Issuer, including the use of any Eligible Swap transaction; or, effective January 1, 1999, the defeasance of a mortgage obligation held as an asset of the Issuer through the substitution of a new mortgage obligation in a commercial mortgage-backed Designated Transaction, provided:

(1) Such transactions are carried out in accordance with the terms of a binding Pooling and Servicing Agreement;

(2) The Pooling and Servicing Agreement is provided to, or described in all material respects in the prospectus or private placement memorandum provided to, investing plans before they purchase Securities issued by the Issuer;⁵ and

⁴ For purposes of this Underwriter Exemption, each plan participating in a commingled fund (such as a bank collective trust fund or insurance company pooled separate account) shall be considered to own the same proportionate undivided interest in each asset of the commingled fund as its proportionate interest in the total assets of the commingled fund as calculated on the most recent preceding valuation date of the fund.

⁵ In the case of a private placement memorandum, such memorandum must contain substantially the same information that would be disclosed on a prospectus if the offering of the securities were made in a registered public offering under the Securities Act of 1933. In the Department's view, the private placement memorandum must contain sufficient information to permit plan fiduciaries to make informed investment decisions. For purposes of this exemption, references to "prospectus" include any related prospectus supplement thereto, pursuant to which Securities are offered to investors.

(3) The defeasance of a mortgage obligation and the substitution of a new mortgage obligation in a commercial mortgage-backed Designated Transaction meet the terms and conditions for such defeasance and substitution as are described in the prospectus or private placement memorandum for such Securities, which terms and conditions have been approved by a Rating Agency and does not result in the Securities receiving a lower credit rating from the Rating Agency than the current rating of the Securities.

Notwithstanding the foregoing, section I.C. does not provide an exemption from the restrictions of section 406(b) of the Act or from the taxes imposed by reason of section 4975(c) of the Code for the receipt of a fee by a Servicer of the Issuer from a person other than the Trustee or Sponsor, unless such fee constitutes a Qualified Administrative Fee.

D. The restrictions of sections 406(a) and 407(a) of the Act, and the taxes imposed by section 4975(a) and (b) of the Code by reason of section 4975(c)(1)(A) through (D) of the Code, shall not apply to any transactions to which those restrictions or taxes would otherwise apply merely because a person is deemed to be a party in interest or disqualified person (including a fiduciary) with respect to a plan by virtue of providing services to the plan (or by virtue of having a relationship to such service provider described in section 3(14)(F), (G), (H) or (I) of the Act or section 4975(e)(2)(F), (G), (H) or (I) of the Code), solely because of the plan's ownership of Securities.

II. General Conditions

A. The relief provided under section I. is available only if the following conditions are met:

(1) The acquisition of Securities by a plan is on terms (including the Security price) that are at least as favorable to the plan as they would be in an arm's-length transaction with an unrelated party;

(2) The rights and interests evidenced by the Securities are not subordinated to the rights and interests evidenced by other Securities of the same Issuer, unless the Securities are issued in a Designated Transaction;

(3) The Securities acquired by the plan have received a rating from a Rating Agency at the time of such acquisition that is in one of the three (or in the case of Designated Transactions, four) highest generic rating categories;

(4) The Trustee is not an Affiliate of any member of the Restricted Group,

³ Section I.A. provides no relief from sections 406(a)(1)(E), 406(a)(2) and 407 of the Act for any person rendering investment advice to an Excluded Plan within the meaning of section 3(21)(A)(ii) of the Act, and regulation 29 CFR 2510.3-21(c).

other than an Underwriter. For purposes of this requirement:

(a) The Trustee shall not be considered to be an Affiliate of a Servicer solely because the Trustee has succeeded to the rights and responsibilities of the Servicer pursuant to the terms of a Pooling and Servicing Agreement providing for such succession upon the occurrence of one or more events of default by the Servicer; and

(b) Effective for transactions occurring on or after January 1, 1998, subsection II.A.(4) will be deemed satisfied notwithstanding a Servicer becoming an Affiliate of the Trustee as the result of a merger or acquisition involving the Trustee, such Servicer and/or their Affiliates which occurs after the initial issuance of the Securities, provided that:

(i) such Servicer ceases to be an Affiliate of the Trustee no later than six months after the later of August 23, 2000 or the date such Servicer became an Affiliate of the Trustee; and

(ii) such Servicer did not breach any of its obligations under the Pooling and Servicing Agreement, unless such breach was immaterial and timely cured in accordance with the terms of such agreement, during the period from the closing date of such merger or acquisition transaction through the date the Servicer ceased to be an Affiliate of the Trustee;

(5) The sum of all payments made to and retained by the Underwriters in connection with the distribution or placement of Securities represents not more than Reasonable Compensation for underwriting or placing the Securities; the sum of all payments made to and retained by the Sponsor pursuant to the assignment of obligations (or interests therein) to the Issuer represents not more than the fair market value of such obligations (or interests); and the sum of all payments made to and retained by the Servicer represents not more than Reasonable Compensation for the Servicer's services under the Pooling and Servicing Agreement and reimbursement of the Servicer's reasonable expenses in connection therewith;

(6) The plan investing in such Securities is an "accredited investor" as defined in Rule 501(a)(1) of Regulation D of the Securities and Exchange Commission under the Securities Act of 1933; and

(7) In the event that the obligations used to fund an Issuer have not all been transferred to the Issuer on the Closing Date, additional obligations of the types specified in subsection III.B.(1) may be transferred to the Issuer during the Pre-

Funding Period in exchange for amounts credited to the Pre-Funding Account, provided that:

(a) The Pre-Funding Limit is not exceeded;

(b) All such additional obligations meet the same terms and conditions for determining the eligibility of the original obligations used to create the Issuer (as described in the prospectus or private placement memorandum and/or Pooling and Servicing Agreement for such Securities), which terms and conditions have been approved by a Rating Agency. Notwithstanding the foregoing, the terms and conditions for determining the eligibility of an obligation may be changed if such changes receive prior approval either by a majority vote of the outstanding securityholders or by a Rating Agency;

(c) The transfer of such additional obligations to the Issuer during the Pre-Funding Period does not result in the Securities receiving a lower credit rating from a Rating Agency upon termination of the Pre-Funding Period than the rating that was obtained at the time of the initial issuance of the Securities by the Issuer;

(d) The weighted average annual percentage interest rate (the average interest rate) for all of the obligations held by the Issuer at the end of the Pre-Funding Period will not be more than 100 basis points lower than the average interest rate for the obligations which were transferred to the Issuer on the Closing Date;

(e) In order to ensure that the characteristics of the receivables actually acquired during the Pre-Funding Period are substantially similar to those which were acquired as of the Closing Date, the characteristics of the additional obligations will either be monitored by a credit support provider or other insurance provider which is independent of the Sponsor or an independent accountant retained by the Sponsor will provide the Sponsor with a letter (with copies provided to the Rating Agency, the Underwriter and the Trustee) stating whether or not the characteristics of the additional obligations conform to the characteristics of such obligations described in the prospectus, private placement memorandum and/or Pooling and Servicing Agreement. In preparing such letter, the independent accountant will use the same type of procedures as were applicable to the obligations which were transferred as of the Closing Date;

(f) The Pre-Funding Period shall be described in the prospectus or private placement memorandum provided to investing plans; and

(g) The Trustee of the Trust (or any agent with which the Trustee contracts to provide Trust services) will be a substantial financial institution or trust company experienced in trust activities and familiar with its duties, responsibilities and liabilities as a fiduciary under the Act. The Trustee, as the legal owner of the obligations in the Trust or the holder of a security interest in the obligations held by the Issuer, will enforce all the rights created in favor of securityholders of the Issuer, including employee benefit plans subject to the Act;

(8) In order to insure that the assets of the Issuer may not be reached by creditors of the Sponsor in the event of bankruptcy or other insolvency of the Sponsor:

(a) The legal documents establishing the Issuer will contain:

(i) Restrictions on the Issuer's ability to borrow money or issue debt other than in connection with the securitization;

(ii) Restrictions on the Issuer merging with another entity, reorganizing, liquidating or selling assets (other than in connection with the securitization);

(iii) Restrictions limiting the authorized activities of the Issuer to activities relating to the securitization;

(iv) If the Issuer is not a Trust, provisions for the election of at least one independent director/partner/member whose affirmative consent is required before a voluntary bankruptcy petition can be filed by the Issuer; and

(v) If the Issuer is not a Trust, requirements that each independent director/partner/member must be an individual that does not have a significant interest in, or other relationships with, the Sponsor or any of its Affiliates; and

(b) The Pooling and Servicing Agreement and/or other agreements establishing the contractual relationships between the parties to the securitization transaction will contain covenants prohibiting all parties thereto from filing an involuntary bankruptcy petition against the Issuer or initiating any other form of insolvency proceeding until after the Securities have been paid; and

(c) Prior to the issuance by the Issuer of any Securities, a legal opinion is received which states that either:

(i) A "true sale" of the assets being transferred to the Issuer by the Sponsor has occurred and that such transfer is not being made pursuant to a financing of the assets by the Sponsor; or

(ii) In the event of insolvency or receivership of the Sponsor, the assets transferred to the Issuer will not be part of the estate of the Sponsor;

(9) If a particular class of Securities held by any plan involves a Ratings Dependent or Non-Ratings Dependent Swap entered into by the Issuer, then each particular swap transaction relating to such Securities:

(a) Shall be an Eligible Swap;

(b) Shall be with an Eligible Swap Counterparty;

(c) In the case of a Ratings Dependent Swap, shall provide that if the credit rating of the counterparty is withdrawn or reduced by any Rating Agency below a level specified by the Rating Agency, the Servicer (as agent for the Trustee) shall, within the period specified under the Pooling and Servicing Agreement:

(i) Obtain a replacement swap agreement with an Eligible Swap Counterparty which is acceptable to the Rating Agency and the terms of which are substantially the same as the current swap agreement (at which time the earlier swap agreement shall terminate); or

(ii) Cause the swap counterparty to establish any collateralization or other arrangement satisfactory to the Rating Agency such that the then current rating by the Rating Agency of the particular class of Securities will not be withdrawn or reduced.

In the event that the Servicer fails to meet its obligations under this subsection II.A.(9)(c), plan securityholders will be notified in the immediately following Trustee's periodic report which is provided to securityholders, and sixty days after the receipt of such report, the exemptive relief provided under section I.C. will prospectively cease to be applicable to any class of Securities held by a plan which involves such Ratings Dependent Swap; provided that in no event will such plan securityholders be notified any later than the end of the second month that begins after the date on which such failure occurs.

(d) In the case of a Non-Ratings Dependent Swap, shall provide that, if the credit rating of the counterparty is withdrawn or reduced below the lowest level specified in section III.GG., the Servicer (as agent for the Trustee) shall within a specified period after such rating withdrawal or reduction:

(i) Obtain a replacement swap agreement with an Eligible Swap Counterparty, the terms of which are substantially the same as the current swap agreement (at which time the earlier swap agreement shall terminate); or

(ii) Cause the swap counterparty to post collateral with the Trustee in an amount equal to all payments owed by the counterparty if the swap transaction were terminated; or

(iii) Terminate the swap agreement in accordance with its terms; and

(e) Shall not require the Issuer to make any termination payments to the counterparty (other than a currently scheduled payment under the swap agreement) except from Excess Spread or other amounts that would otherwise be payable to the Servicer or the Sponsor;

(10) Any class of Securities, to which one or more swap agreements entered into by the Issuer applies, may be acquired or held in reliance upon this Underwriter Exemption only by Qualified Plan Investors; and

(11) Prior to the issuance of any debt securities, a legal opinion is received which states that the debt holders have a perfected security interest in the Issuer's assets.

B. Neither any Underwriter, Sponsor, Trustee, Servicer, Insurer or any Obligor, unless it or any of its Affiliates has discretionary authority or renders investment advice with respect to the plan assets used by a plan to acquire Securities, shall be denied the relief provided under section I., if the provision of subsection II.A.(6) is not satisfied with respect to acquisition or holding by a plan of such Securities, provided that (1) such condition is disclosed in the prospectus or private placement memorandum; and (2) in the case of a private placement of Securities, the Trustee obtains a representation from each initial purchaser which is a plan that it is in compliance with such condition, and obtains a covenant from each initial purchaser to the effect that, so long as such initial purchaser (or any transferee of such initial purchaser's Securities) is required to obtain from its transferee a representation regarding compliance with the Securities Act of 1933, any such transferees will be required to make a written representation regarding compliance with the condition set forth in subsection II.A.(6).

III. Definitions

For purposes of this exemption:

A. *Security* means:

(1) A pass-through certificate or trust certificate that represents a beneficial ownership interest in the assets of an Issuer which is a Trust and which entitles the holder to payments of principal, interest and/or other payments made with respect to the assets of such Trust; or

(2) A security which is denominated as a debt instrument that is issued by, and is an obligation of, an Issuer; with respect to which the Underwriter is either (i) the sole underwriter or the manager or co-manager of the

underwriting syndicate, or (ii) a selling or placement agent.

B. *Issuer* means an investment pool, the corpus or assets of which are held in trust (including a grantor or owner Trust) or whose assets are held by a partnership, special purpose corporation or limited liability company (which Issuer may be a Real Estate Mortgage Investment Conduit (REMIC) or a Financial Asset Securitization Investment Trust (FASIT) within the meaning of section 860D(a) or section 860L, respectively, of the Code); and the corpus or assets of which consist solely of:

(1) (a) Secured consumer receivables that bear interest or are purchased at a discount (including, but not limited to, home equity loans and obligations secured by shares issued by a cooperative housing association); and/or

(b) Secured credit instruments that bear interest or are purchased at a discount in transactions by or between business entities (including, but not limited to, Qualified Equipment Notes Secured by Leases); and/or

(c) Obligations that bear interest or are purchased at a discount and which are secured by single-family residential, multi-family residential and/or commercial real property (including obligations secured by leasehold interests on residential or commercial real property); and/or

(d) Obligations that bear interest or are purchased at a discount and which are secured by motor vehicles or equipment, or Qualified Motor Vehicle Leases; and/or

(e) Guaranteed governmental mortgage pool certificates, as defined in 29 CFR 2510.3-101(i)(2)⁶; and/or

(f) Fractional undivided interests in any of the obligations described in clauses (a)-(e) of this subsection B.(1).⁷

Notwithstanding the foregoing, residential and home equity loan

⁶ In Advisory Opinion 99-05A (Feb. 22, 1999), the Department expressed its view that mortgage pool certificates guaranteed and issued by the Federal Agricultural Mortgage Corporation ("Farmer Mac") meet the definition of a guaranteed governmental mortgage pool certificate as defined in 29 CFR 2510.3-101(i)(2).

⁷ The Department wishes to take the opportunity to clarify its view that the definition of Issuer contained in subsection III.B. includes a two-tier structure under which Securities issued by the first Issuer, which contains a pool of receivables described above, are transferred to a second Issuer which issues Securities that are sold to plans. However, the Department is of the further view that, since the Underwriter Exemption generally provides relief only for the direct or indirect acquisition or disposition of Securities that are not subordinated, no relief would be available if the Securities held by the second Issuer were subordinated to the rights and interests evidenced by other Securities issued by the first Issuer, unless such Securities were issued in a Designated Transaction.

receivables issued in Designated Transactions may be less than fully secured, provided that: (i) the rights and interests evidenced by the Securities issued in such Designated Transactions (as defined in section III.DD.) are not subordinated to the rights and interests evidenced by Securities of the same Issuer; (ii) such Securities acquired by the plan have received a rating from a Rating Agency at the time of such acquisition that is in one of the two highest generic rating categories; and (iii) any obligation included in the corpus or assets of the Issuer must be secured by collateral whose fair market value on the Closing Date of the Designated Transaction is at least equal to 80% of the sum of: (I) the outstanding principal balance due under the obligation which is held by the Issuer and (II) the outstanding principal balance(s) of any other obligation(s) of higher priority (whether or not held by the Issuer) which are secured by the same collateral.

(2) Property which has secured any of the obligations described in subsection III.B.(1);

(3) (a) Undistributed cash or temporary investments made therewith maturing no later than the next date on which distributions are made to securityholders; and/or

(b) Cash or investments made therewith which are credited to an account to provide payments to securityholders pursuant to any Eligible Swap Agreement meeting the conditions of subsection II.A.(9) or pursuant to any Eligible Yield Supplement Agreement; and/or

(c) Cash transferred to the Issuer on the Closing Date and permitted investments made therewith which:

(i) Are credited to a Pre-Funding Account established to purchase additional obligations with respect to which the conditions set forth in paragraphs (a)–(g) of subsection II.A.(7) are met; and/or

(ii) Are credited to a Capitalized Interest Account; and

(iii) Are held by the Issuer for a period ending no later than the first distribution date to securityholders occurring after the end of the Pre-Funding Period.

For purposes of this paragraph (c) of subsection III.B.(3), the term “permitted investments” means investments which: (i) are either: (x) direct obligations of, or obligations fully guaranteed as to timely payment of principal and interest by, the United States or any agency or instrumentality thereof, provided that such obligations are backed by the full faith and credit of the United States or (y) have been rated (or the Obligor has

been rated) in one of the three highest generic rating categories by a Rating Agency; (ii) are described in the Pooling and Servicing Agreement; and (iii) are permitted by the Rating Agency.

(4) Rights of the Trustee under the Pooling and Servicing Agreement, and rights under any insurance policies, third-party guarantees, contracts of suretyship, Eligible Yield Supplement Agreements, Eligible Swap Agreements meeting the conditions of subsection II.A.(9) or other credit support arrangements with respect to any obligations described in subsection III.B.(1).

Notwithstanding the foregoing, the term “Issuer” does not include any investment pool unless: (i) the assets of the type described in paragraphs (a)–(f) of subsection III.B.(1) which are contained in the investment pool have been included in other investment pools, (ii) Securities evidencing interests in such other investment pools have been rated in one of the three (or in the case of Designated Transactions, four) highest generic rating categories by a Rating Agency for at least one year prior to the plan’s acquisition of Securities pursuant to this Underwriter Exemption, and (iii) Securities evidencing interests in such other investment pools have been purchased by investors other than plans for at least one year prior to the plan’s acquisition of Securities pursuant to this Underwriter Exemption.

C. *Underwriter* means:

(1) J.P. Morgan Chase & Company (the Applicant);

(2) Any person directly or indirectly, through one or more intermediaries, controlling, controlled by or under common control with the Applicant; or

(3) Any member of an underwriting syndicate or selling group of which a person described in subsections III.C.(1) or (2) is a manager or co-manager with respect to the Securities.

D. *Sponsor* means the entity that organizes an Issuer by depositing obligations therein in exchange for Securities.

E. *Master Servicer* means the entity that is a party to the Pooling and Servicing Agreement relating to assets of the Issuer and is fully responsible for servicing, directly or through Subservicers, the assets of the Issuer.

F. *Subservicer* means an entity which, under the supervision of and on behalf of the Master Servicer, services loans contained in the Issuer, but is not a party to the Pooling and Servicing Agreement.

G. “Servicer” means any entity which services loans contained in the Issuer,

including the Master Servicer and any Subservicer.

H. *Trust* means an Issuer which is a trust (including an owner trust, grantor trust or a REMIC or FASIT which is organized as a Trust).

I. *Trustee* means the Trustee of any Trust which issues Securities and also includes an Indenture Trustee.

“Indenture Trustee” means the Trustee appointed under the indenture pursuant to which the subject Securities are issued, the rights of holders of the Securities are set forth and a security interest in the Trust assets in favor of the holders of the Securities is created. The Trustee or the Indenture Trustee is also a party to or beneficiary of all the documents and instruments transferred to the Issuer, and as such, has both the authority to, and the responsibility for, enforcing all the rights created thereby in favor of holders of the Securities, including those rights arising in the event of default by the servicer.

J. *Insurer* means the insurer or guarantor of, or provider of other credit support for, an Issuer. Notwithstanding the foregoing, a person is not an insurer solely because it holds Securities representing an interest in an Issuer which are of a class subordinated to Securities representing an interest in the same Issuer.

With respect to a Non-Ratings Dependent Swap, each Rating Agency

rating the Securities must confirm, as of the date of issuance of the Securities by the Issuer, that entering into an Eligible Swap with such counterparty will not affect the rating of the Securities.

FF. *Eligible Swap* means a Ratings Dependent or Non-Ratings Dependent Swap:

(1) Which is denominated in U.S. dollars;

(2) Pursuant to which the Issuer pays or receives, on or immediately prior to the respective payment or distribution date for the class of Securities to which the swap relates, a fixed rate of interest, or a floating rate of interest based on a publicly available index (e.g., LIBOR or the U.S. Federal Reserve's Cost of Funds Index (COFI)), with the Issuer receiving such payments on at least a quarterly basis and obligated to make separate payments no more frequently than the counterparty, with all simultaneous payments being netted;

(5) Which has a final termination date that is either the earlier of the date on which the Issuer terminates or the related class of securities is fully repaid; and

from the applicable Rating Agency, and provided further that if the class of Securities with which the swap is associated has a final maturity date of more than one year from the date of issuance of the Securities, and such swap is a Ratings Dependent Swap, the swap counterparty is required by the terms of the swap agreement to establish any collateralization or other arrangement satisfactory to the Rating Agencies in the event of a ratings downgrade of the swap counterparty.

HH. *Qualified Plan Investor* means a plan investor or group of plan investors on whose behalf the decision to purchase Securities is made by an appropriate independent fiduciary that is qualified to analyze and understand the terms and conditions of any swap transaction used by the Issuer and the effect such swap would have upon the credit ratings of the Securities. ⁸ PTE 84-14 provides a class exemption for transactions between a party in interest with respect to an employee benefit plan and an investment fund (including either a single customer or pooled separate account) in which the plan has an interest, and which is managed by a QPAM, provided certain conditions are met. QPAMs (e.g., banks, insurance companies, registered investment advisers with total client assets under management in excess of \$50 million) are considered to be experienced investment managers for plan investors that are aware of their fiduciary duties under ERISA.

⁹ PTE 96-23 permits various transactions involving employee benefit plans whose assets are managed by an INHAM, an entity which is generally a subsidiary of an employer sponsoring the plan which is a registered investment adviser with management and control of total assets attributable to plans maintained by the employer and its affiliates which are in excess of \$50 million.

described in subsection III.B.(1). Effective for transactions occurring on or after April 7, 1998, such an agreement or arrangement may involve a notional principal contract provided that:

(1) It is denominated in U.S. dollars;

(2) The Issuer receives on, or immediately prior to the respective payment date for the Securities covered by such agreement or arrangement, a fixed rate of interest or a floating rate of interest based on a publicly available index (e.g., LIBOR or COFI), with the Issuer receiving such payments on at least a quarterly basis;

(3) It is not "leveraged" as described in subsection III.FF.(4);

(4) It does not incorporate any provision which would cause a unilateral alteration in any provision described in subsections III.JJ.(1)-(3) without the consent of the Trustee;

(5) It is entered into by the Issuer with an Eligible Swap Counterparty; and

(6) It has a notional amount that does not exceed either: (i) The principal balance of the class of Securities to which such agreement or arrangement relates, or (ii) the portion of the principal balance of such class represented solely by those types of corpus or assets of the Issuer referred to in subsections III.B.(1), (2) and (3).

The availability of this exemption is subject to the express condition that the material facts and representations contained in the application for exemption are true and complete and accurately describe all material terms of the transactions. In the case of continuing transactions, if any of the material facts or representations described in the application change, the exemption will cease to apply as of the date of such change. In the event of any such change, an application for a new exemption must be made to the Department.
