

constructed on the trust acquisition property. The gaming facility would be managed by IKON Group, LLC on behalf of the tribal government, pursuant to the terms of a management agreement between the tribal government and IKON Group, LLC. The BIA serves as the Lead Agency for National Environmental Policy Act (NEPA) compliance, with the NIGC, which is responsible for approval of the gaming management contract, acting as a Cooperating Agency.

The project site is located immediately east of Highway 49, and is within 2½ miles of State Highway 16. The City of Placerville is located approximately 20 miles north of the project site, which is also accessible from State Highway 49. The project site consists of 10 parcels of land totaling 208.06± acres. Eight of the 10 parcels (10.28± acres) are located within the City of Plymouth, while the remaining 2 parcels (197.78± acres) are located on unincorporated land within Amador County.

Phase I of the Proposed Action includes the development of a 120,000± square foot casino complex, which would consist of a porte cochere, main gaming hall, food and beverage services, retail space, and administration space. Approximately 65,000 square feet of this building space would be devoted to the main gaming hall, while the balance of the facility would include administration space, small retail shops and food/beverage facilities and a small gift and art shop. The entire complex would be built on land currently within the City of Plymouth. Primary access to the casino complex would be via State Highway 49.

Phase II of the Proposed Action includes the construction of a hotel (250 rooms maximum), which will include small conference style facilities together with food and beverage services. The proposed hotel would also be fitted with a dual plumbing system for the use of potable and recycled water. In addition, site parking would be increased to supply adequate parking for hotel and conference patrons. The hotel is anticipated to be operational no sooner than the middle of year 3–4 of the project. Primary vehicle access to the hotel would be provided by the main casino and surface-parking driveway.

Areas of environmental concern to be addressed in the EIS include land use, geology and soils, water resources, agricultural resources, biological resources, cultural resources, mineral resources, paleontological resources, traffic and transportation, noise, air quality, public health/environmental hazards, public services and utilities,

hazardous materials and waste/worker safety, socio-economics, environmental justice, and visual resources/aesthetics. The range of issues addressed may be expanded based on comments received during the scoping process.

Bureau of Indian Affairs

Notice of Intent To Prepare an Environmental Impact Statement for the Proposed Mandan, Hidatsa, Arikara Nation Clean Fuels Refinery, Ward County, ND

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA), with the cooperation of the Mandan, Hidatsa, Arikara (MHA) Nation, intends to gather the information necessary for preparing an Environmental Impact Statement (EIS) for the proposed 468-acre Fee-to-Trust Transfer and Clean Fuels Refinery Project in Ward County, North Dakota. The purpose of the proposed action is to help meet the land base and economic needs of the MHA Nation.

DATES: You may submit written comments on the scope and implementation of this proposal through December 8, 2003.

ADDRESSES: You may mail or hand carry written comments to Horace Pipe, 25300 366 Street SW, Makoti, North Dakota 58756.

FOR FURTHER INFORMATION CONTACT: Horace Pipe, (701) 726–5894.

SUPPLEMENTARY INFORMATION: The MHA Nation proposes that 468 acres of land be taken into trust, that a clean fuels refinery be constructed on 160 acres of that land. The 468 acres of land to be taken into trust are in the northeast corner of the Fort Berthold Indian Reservation along the south side of North Dakota Highway 23, about 2 miles west of the turnoff to Makoti, North Dakota. The land and refinery, which will be owned and managed by the MHA Nation, will be in sections 19 and 20 of Township 152 North, Range 87 West.

The MHA Nation proposes to construct a petroleum refinery to process 10,000 barrels per stream day of synthetic crude from northern Alberta, obtained from a nearby, existing pipeline. The refinery will be a new state-of-the-art facility that will be able to meet current and proposed 2008 EPA regulations. The facility will be the most technologically advanced refinery in the United States and it will produce the cleanest gasoline and diesel fuel in the country. The project would employ 600 to 1000 positions during construction and 65 to 70 positions during operation.

The BIA will serve as the Lead Agency for compliance with the National Environmental Policy Act. The Environmental Protection Agency will be a Cooperating Agency.

The EIS will assess the environmental consequences of BIA approval of the fee-to-trust transfer of land and the refinery project. Areas of environmental concern include effects to socio-economics; air quality; transportation; ground and surface water; wildlife and their habitats; threatened, endangered, or special-status species; cultural

resources; aesthetics; land uses; and health and safety. The range of issues to be addressed may be further expanded based on comments received during the scoping process.

Public Comment Solicitation

Comments, including names and home addresses of respondents, will be available for public review at the address shown in the **ADDRESSES** section, during regular business hours, 7:30 a.m. to 4 p.m., Monday through Friday, except holidays. Clarification of the Term *the day* in the Definition of Substantial Restoration of Natural Quiet for Grand Canyon NP

AGENCY: National Park Service, Department of the Interior.

ACTION: Notice.

SUMMARY: This notice clarifies the meaning of the term *the day* as it is used in the National Park Service (NPS) definition of substantial restoration of natural quiet at Grand Canyon National Park (GCNP) pursuant to Public Law 100–91, the National Parks Overflights Act of 1987. It also helps to clarify the definition of substantial restoration of natural quiet recently the subject of litigation before the United States Court of Appeals, District of Columbia Circuit, in the case *United States Air Tour Association v. Federal Aviation Administration (Grand Canyon Trust, Interveners)*. In this case, the Court declared that “* * * the Park Service is entitled to deference for its interpretation of its own definitions” (p. 19). The Court concluded “* * * the FAA’s use of an ‘average annual day’ for measuring ‘substantial restoration of
