

	Period of review
Republic of Korea: Certain Cut-To-Length Carbon-Quality Steel Plate C-580-837 Suspension Agreements	1/11/11-12/31/11
None.	

In accordance with 19 CFR 351.213(b), an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review. In addition, a domestic interested party or an interested party described in section 771(9)(B) of the Act must state why it desires the Secretary to review those particular producers or exporters.³ If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Please note that, for any party the Department was unable to locate in prior segments, the Department will not accept a request for an administrative review of that party absent new information as to the party's location. Moreover, if the interested party who files a request for review is unable to locate the producer or exporter for which it requested the review, the interested party must provide an explanation of the attempts it made to locate the producer or exporter at the same time it files its request for review, in order for the Secretary to determine if the interested party's attempts were reasonable, pursuant to 19 CFR 351.303(f)(3)(ii).

² In the notice of opportunity to request administrative reviews that published on December 1, 2011 (76 FR 74773) the Department listed the period of review for case Certain Hot-Rolled Carbon Steel Flat Products from Indonesia (C-560-813) incorrectly. The correct period of review for this case is listed above.

³ If the review request involves a non-market economy and the parties subject to the review request do not qualify for separate rates, all other exporters of subject merchandise from the non-market economy country who do not have a separate rate will be covered by the review as part of the single entity of which the named firms are a part.

As explained in *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003), the Department has clarified its practice with respect to the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. See also the Import Administration Web site at <http://ia.ita.doc.gov>.

All requests must be filed electronically in Import Administration's Antidumping and Countervailing Duty Centralized Electronic Service System ("IA ACCESS") on the IA ACCESS Web site at <http://iaaccess.trade.gov>. See *Antidumping and Countervailing Duty Proceedings: Electronic Filing Procedures; Administrative Protective Order Procedures*, 76 FR 39263, (July 6, 2011). Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy of each request must be served on the petitioner and each exporter or producer specified in the request.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of February 2012. If the Department does not receive, by the last day of February 2012, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct CBP to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures "gap" period, of

the order, if such a gap period is applicable to the period of review.

This notice is not required by statute but is published as a service to the international trading community.

Dated: January 19, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Chlorinated Isocyanurates From the People's Republic of China: Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* February 1, 2012.

FOR FURTHER INFORMATION CONTACT: Emily Halle or Andrew Huston, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0176 or (202) 482-4261, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 28, 2011, the Department of Commerce (Department) initiated the administrative review of the antidumping duty order on chlorinated isocyanurates (chlorinated isos) from the People's Republic of China (PRC) covering the period of review, June 1, 2010, through May 31, 2011.¹ The current deadline for the preliminary results is March 1, 2012.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), and section 351.213(h)(1) of the

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews, Requests for Revocations in Part and Deferral of Administrative Reviews*, 76 FR 45227 (July 28, 2011).

Department's regulations require the Department to issue the preliminary results of a review within 245 days after the last day of the anniversary month of the order or suspension agreement for which the administrative review was requested, and the final results of the review within 120 days after the date on which the notice of the preliminary results is published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within the aforementioned specified time limits, section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the 245-day period to 365 days and to extend the 120-day period to 180 days.

The Department finds that it requires additional time to complete the preliminary results of the administrative review of chlorinated isos from the PRC. Specifically, the Department requires further time to select an appropriate surrogate country and analyze data sources for over forty factors of production. Therefore, because the Department finds that it is not practicable to complete the review within the original deadlines, the Department is extending the time period for completion of the preliminary results of this review from 245 days to 365 days. The revised deadline for the preliminary results of this administrative review is now no later than June 29, 2012.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: January 25, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Initiation and Preliminary Results of Changed Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request for a changed circumstances review ("CCR") of C. P. Vietnam Corporation, the Department of Commerce (the

"Department") is initiating a CCR of the antidumping duty order on certain frozen warmwater shrimp from the Socialist Republic of Vietnam ("Vietnam"). We have preliminarily concluded that C. P. Vietnam Corporation is the successor-in-interest to C. P. Vietnam Livestock Corporation, and, as a result, should be accorded the same treatment previously accorded to C. P. Vietnam Livestock Corporation with regard to the antidumping duty order on certain frozen warmwater shrimp from Vietnam. Interested parties are invited to comment on these preliminary results.

DATES: *Effective Date:* February 1, 2012.

FOR FURTHER INFORMATION CONTACT: Jerry Huang at (202) 482-4047, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

The Department published the antidumping duty order on certain frozen warmwater shrimp from Vietnam on February 1, 2005.¹ C.P. Vietnam Livestock Co., Ltd. was granted separate rate status in the original investigation and the second administrative review.² In July 2008, during the fourth administrative review, the company converted from a limited liability company into a joint stock company, changing its name to C. P. Vietnam Livestock Corporation.³ In September 2011, C. P. Vietnam Livestock Corporation changed its name to C. P. Vietnam Corporation, eliminating the word "Livestock." On December 13, 2011, C. P. Vietnam Corporation requested that the Department conduct a CCR to confirm that C. P. Vietnam Corporation is the successor-in-interest to C. P. Vietnam Livestock Corporation, for purposes of determining antidumping duties due as a result of the *VN Shrimp Order*.

Frozen shrimp and prawns that are packed with marinade, spices or sauce are included in the scope of this order. In addition, food preparations (including dusted shrimp), which are not "prepared meals," that contain more than 20 percent by weight of shrimp or prawn are also included in the scope of this order.

Excluded from the scope are: (1) Breaded shrimp and prawns (HTS subheading 1605.20.10.20); (2) shrimp and prawns generally classified in the *Pandalidae* family and commonly referred to as coldwater shrimp, in any state of processing; (3) fresh shrimp and prawns whether shell-on or peeled (HTS subheadings 0306.23.00.20 and 0306.23.00.40); (4) shrimp and prawns
