

*Proposed Collection Title:* Generic Clearance for Application Information from Fellows, Interns, and Trainees, 0925–0761, Expiration Date 07/31/2025, EXTENSION, National Cancer Institute (NCI), National Institutes of Health (NIH).

*Need and Use of Information Collection:* The “Generic Clearance for Application Information from Fellows, Interns, and Trainees” request supports research experiences for high school, post-baccalaureate (including post-

masters) individuals, graduate students, and postdoctoral fellows, interns, and trainees in a multidisciplinary environment at the NCI. This information collection request is for applications, reference letters, letters of intent and interest, and other related documentation necessary for various Divisions, Offices, and Centers at NCI to evaluate the eligibility, merits, and quality of potential candidates. The applications will also assist in matching potential candidates to various training

and internship programs. The information is for internal use to make decisions about candidates invited to visit and attend NCI fellowships, internships, and other training opportunities.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 22,215 hours.
