The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-1142.

Title: Electronic Tariff filing System (ETFS), WC Docket No. 10-141.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents and Responses: 1,307 respondents; 1,307 responses.

Estimated Time per Response: 1 hour.

Frequency of Response: On occasion and annual reporting requirements.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 151, 152, 154(i), 201-205, and 226(h)(1)(A) of the Communications Act of 1934, as amended.

Total Annual Burden: 1,307 hours.

Total Annual Cost: \$2,170,490.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: The Commission does not anticipate providing confidentiality of the information submitted by local exchange carriers. In particular, the tariffs and related documents sent to the Commission will be made public through ETFS. If the respondents submit information they believe to be confidential, they may request confidential treatment of such information under 47 CFR 0.459 of the Commission's rules.

Needs and Uses: Incumbent local exchange carriers (LECs) file their tariffs and associated documents electronically, using ETFS. ETFS has improved the usefulness of tariff filings for both filers and the public and made the tariff filing process more open, transparent, and efficient. On June 30, 2011, the Commission released a Report and Order, WC Docket No. 10-141, FCC 11-92, determining that the benefits of using ETFS for incumbent LEC tariff filings would also be obtained if all tariff filers filed electronically. Such action benefits the public and carriers by creating a central system providing on-line access to all carrier tariffs and related documents filed with the Commission. As such, competitive LECs (and other nondominant carriers) must now file tariffs and associated documents electronically.

Federal Communications Commission.

Secretary, Office of the Secretary.

For users of TDD, please dial 7-1-1 anywhere in the United States to access telecommunication relay services.

SUPPLEMENTARY INFORMATION: The Board is discontinuing BGFRS-8, “FRB—Travel Records” because the Board shifted its travel processes to the General Services Administration (GSA) E2 travel system in 2009. Therefore, the Board’s current travel records are covered by the GSA government-wide system of records GSA/GOVT-4 Contracted Travel Services Program (E-Travel), which is published in the **Federal Register** at 74 FR 26700 (June 3, 2009). The retention periods for the Board’s historic travel records expired in 2015 (six years after final payment or cancellation) or 2019 (for records related to overcharges or deductions). Thus, consistent with the applicable records retention schedule, the Board no longer retains or possesses historic travel records. Accordingly, the Board no longer requires BGFRS-8 “FRB-Travel Records,” and is providing notice of the discontinuation of this system.

SYSTEM NAME AND NUMBER:

BGFRS-8 “FRB—Travel Records.”

This SORN was previously published in the **Federal Register** at 73 FR 24984 at 24993 (May 6, 2008). The SORN was also amended to incorporate two new routine uses required by OMB at 83 FR 43872 (August 28, 2018).
