

“UAL” to reflect a recent corporate action.¹⁰

The Exchange has designated this proposal to be operative on November 1, 2010.

2. Statutory Basis

The basis under the Exchange Act for this proposed rule change is the requirement under Section 6(b)(4)¹¹ that an exchange have an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The impact of the proposal upon the net fees paid by a particular market participant will depend on a number of variables, most important of which will be its propensity to add or remove liquidity in options overlying the Select Symbols. The Exchange operates in a highly competitive market in which market participants can readily direct order flow to another exchange if they deem fee levels at a particular exchange to be excessive. The Exchange believes that the proposed fees are within the range assessed by other exchanges¹² and therefore continue to be reasonable and equitably allocated to those members that opt to direct orders to the Exchange rather than to a competing exchange. The Exchange's maker/taker fees, which are currently applicable to each market participant, will continue to apply to the Select Symbols.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.¹³ At any time

within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal offices of the Exchange. [Release No. 34-63278; File No. SR-OCC-2010-05]

Self-Regulatory Organizations; The Options Clearing Corporation; Order Granting Approval of a Proposed Rule Change Relating to Cash-Settled Foreign Currency Options With One-Cent Exercise Prices

November 8, 2010.

I. Introduction

On March 16, 2010, The Options Clearing Corporation (“OCC”) filed with the Securities and Exchange Commission (“Commission”) a proposed rule change pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder² to clarify that cash-settled foreign currency options traded on national securities exchanges will be treated and cleared as securities options notwithstanding that they may have a nominal exercise price such as one cent. The proposed rule change was published for comment in the **Federal Register** on April 7, 2010.³ No comment letters were received on the proposal. This order approves the proposal.

II. Description of the Proposal

OCC will add a sentence to the Introduction to Article XXII of its By-Laws to make clear that cash-settled foreign currency options traded on national securities exchanges will be treated and cleared as securities options notwithstanding that they may have a nominal exercise price such as one cent.⁴

¹⁴ 17 CFR 200.30-3(a)(12).

² 17 CFR 240.19b-4.

³ Securities Exchange Act Release No. 61820 (Apr. 1, 2010), 75 FR 17805.

⁴ The exact language of the proposal can be seen at http://www.theocc.com/component/docs/legal/rules_and_bylaws/sr_OCC_10_05.pdf.

¹⁰ On October 1, 2010, UAL Corporation announced that as a result of a merger between UAL Corporation and Continental Airlines, Inc. that it would change its name and underlying symbol. UAL Corporation is now known as United Continental Holding, Inc.

¹¹ 15 U.S.C. 78f(b)(4).

¹² See *supra* note 8.

¹³ 15 U.S.C. 78s(b)(3)(A)(ii).

In its capacity as a “derivatives clearing organization” registered as such with the Commodities Futures Trading Commission, OCC also filed this proposed rule change with the CFTC for prior approval pursuant to provisions of the Commodity Exchange Act (“CEA”) in order to foreclose any potential argument that the clearing by OCC of such options as securities options constitutes a violation of the CEA. The products involved here are essentially the same as cash-settled foreign currency options that OCC currently clears except for the low strike price.

III. Discussion

Section 17A(b)(3)(F) of the Act⁵ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and derivative transactions. OCC’s clarification of its By-Laws with respect to cash-settled foreign currency options with nominal exercise prices should help reduce the likelihood of confusion as to OCC’s treatment of such products, and accordingly should help to promote the prompt and accurate clearance and settlement of securities transactions.

IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act and in particular Section 17A of the Act⁶ and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁷ that the proposed rule change (File No. SR–OCC–2010–05) be and hereby is approved.⁸

For the Commission by the Division of Trading and Markets, pursuant to delegated authority.⁹

Deputy Secretary.
