The proposed survey is directed to entities that have obtained an outstanding exclusion order, and asks each such entity that responds to the survey to: (i) Evaluate whether the exclusion order has prevented the importation of items covered by the order; (ii) if not, estimate what are the absolute value and effect in the United States market of such imports; and (iii) indicate what experience it has had in policing the exclusion order, particularly with respect to any investigatory efforts and any interactions with U.S. Customs and Border Protection.
