

condition, or past, present or future uses, and the conveyance of any such parcel will not be on a contingency basis. The buyer is responsible to be aware of all applicable federal, state, and local government policies and regulations that would affect the subject lands. It is also the buyer's responsibility to be aware of existing or prospective uses of nearby properties. Lands without access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

The parcels may be subject to land use applications received prior to publication of this notice if processing the application would have no adverse effect on the marketability of title, or the FMV of the parcel. Encumbrances of record, appearing in the case file are available for review during business hours, 7:30 a.m. to 4:30 p.m., Pacific Time, Monday through Friday at the Caliente Field Office, except during federally recognized holidays.

The parcels are subject to limitations prescribed by law and regulation, and prior to patent issuance, a holder of any ROW within the parcels will be given the opportunity to amend the ROW for conversion to a new term, including perpetuity, if applicable, or to an easement.

The BLM will notify valid existing ROW holders of their ability to convert their complaint ROW to perpetual ROW or easements. Each valid holder will be notified in writing of their rights and then must apply for the conversion of their current authorization.

Unless other satisfactory arrangements are approved in advance by a BLM authorized officer, conveyance of title shall be through the use of escrow. Designation of the escrow agent shall be through mutual agreement between the BLM and the prospective patentee, and costs of escrow shall be borne by the prospective patentee.

Requests for all escrow instructions must be received by the Caliente Field Office 30 days before the scheduled closing date. There are no exceptions.

All name changes and supporting documentation must be received at the Caliente Field Office 30 days from the date of the high bidder letter by 4:00 p.m. Pacific Standard Time. Name changes will not be accepted after that date. To submit a name change, the high bidder must submit the name change on the Certificate of Eligibility form to the BLM, Caliente Field Office in writing. Certificate of Eligibility forms are available at the Caliente Field Office and at the BLM Web site at: [http://](http://www.blm.gov/nv/st/en/fo/ely_field_office.html)

www.blm.gov/nv/st/en/fo/ely_field_office.html.

The BLM will not sign any documents related to 1031 Exchange transactions. The timing for completion of the exchange is the bidder's responsibility in accordance with Internal Revenue Service regulations. The BLM is not a party to any 1031 Exchange.

In order to determine the FMV through appraisal, certain extraordinary assumptions and hypothetical conditions are made concerning the attributes and limitations of the land and potential effects of local regulations and policies on potential future land uses. Through publication of this Notice, the BLM advises that these assumptions may not be endorsed or approved by units of local Government.

In accordance with 43 CFR 2711.3–1(f), the BLM may accept or reject any or all offers to purchase, or withdraw any parcel of land or interest therein from sale, if, in the opinion of the BLM authorized officer, consummation of the sale would be inconsistent with any law, or for other reasons.

Only written comments will be considered properly filed.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us in your comment to withhold your personnel identifying information from public review, we cannot guarantee that we will be able to do so.

Any comments regarding the proposed date will be reviewed by the BLM Nevada State Director, who may sustain, vacate, or modify this realty action. In the absence of any adverse comments, this realty action will become the final determination of the Department of Interior.
