

there would be no associated risk of overloading.

Toyo says that NHTSA has previously granted inconsequentiality petitions for similar FMVSS noncompliances and cited sections from the following previous petitions that NHTSA had been granted:

- Guizhou Tyre Corporation; Grant of Petition for Decision of Inconsequential Noncompliance. 78 FR 12828, February 25, 2013.
- Yokohama Tire Corporation, Grant of Petition for Decision of Inconsequential Noncompliance. 84 FR. 64403, November 21, 2019.
- Tireco, Inc., Ruling on Petition for Decision of Inconsequential Noncompliance. 81 FR 58550, August 25, 2016.

Toyo says that the subject tires meet all other performance and regulatory requirements of FMVSS No. 119. Further, Toyo also says that they have not received any complaints, claims, or warranty adjustments related to this noncompliance.

Toyo concludes that the subject noncompliance is inconsequential as it relates to motor vehicle safety as these tires have a higher load carrying capacity than the incorrect marking indicates, therefore, the marking will not cause an operator to overload the tires. Thus, Toyo believes that its petition to be exempted from providing notification of the noncompliance, as required by 49 U.S.C. 30118, and a remedy for the noncompliance, as required by 49 U.S.C. 30120, should be granted.

NHTSA notes that the statutory provisions (49 U.S.C. 30118(d) and 30120(h)) that permit manufacturers to file petitions for a determination of inconsequentiality allow NHTSA to exempt manufacturers only from the duties found in sections 30118 and 30120, respectively, to notify owners, purchasers, and dealers of a defect or noncompliance and to remedy the defect or noncompliance. Therefore, any decision on this petition only applies to the subject equipment that Toyo no longer controlled at the time it determined that the noncompliance existed. However, any decision on this petition does not relieve equipment distributors and dealers of the prohibitions on the sale, offer for sale, or introduction or delivery for introduction into interstate commerce of the noncompliant tires under their control after Toyo notified them that the subject noncompliance existed.

(Authority: 49 U.S.C. 30118, 30120; delegations of authority at 49 CFR 1.95 and 501.8)

Otto G. Matheke III,

Director, Office of Vehicle Safety Compliance.

BILLING CODE 4810-AL-P

DEPARTMENT OF THE TREASURY

Mandatory Survey of Foreign Ownership of U.S. Securities

AGENCY: Departmental Offices, Department of the Treasury.

ACTION: Notice of reporting requirements.

By this Notice and in accordance with 31 CFR part 129, the Department of the Treasury is informing the public that it is conducting a mandatory survey of foreign ownership of U.S. securities as of June 30, 2022. This mandatory survey is conducted under the authority of the International Investment and Trade in Services Survey Act. This Notice constitutes legal notification to all United States persons (defined below) who meet the reporting requirements set forth in this Notice that they must respond to, and comply with, this survey. Additional copies of the reporting forms SHLA (2022) and instructions may be printed from the internet at: <https://home.treasury.gov/data/treasury-international-capital-tic-system-home-page/tic-forms-instructions/forms-shl>.

Definition: A U.S. person is any individual, branch, partnership, associated group, association, estate, trust, corporation, or other organization (whether or not organized under the laws of any State), and any government (including a foreign government, the United States Government, a State or local government, and any agency, corporation, financial institution, or other entity or instrumentality thereof, including a government-sponsored
