

United States for the period December 1, 2008, through November 30, 2009. Pursuant to this request, the Department published a notice of the initiation of the administrative review of the antidumping duty order on malleable cast iron pipe fittings from the PRC. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 75 FR 4770 (January 29, 2010).

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the requests within 90 days of the date of publication of the notice of initiation. On January 12, 2010, Mueller and Southland timely withdrew their request that the Department conduct an administrative review of Mueller's entries of subject merchandise, and no other interested party requested a review of this company. Therefore, the Department is rescinding this administrative review of the antidumping duty order on malleable cast iron pipe fittings from the PRC covering the period December 1, 2008, through November 30, 2009, in accordance with 19 CFR 351.213(d)(1).

Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the publication of this notice in the **Federal Register**.

Notification to Interested Parties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Pursuant to 19 CFR 351.402(f)(3), failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information

disclosed under APO, in accordance with 19 CFR 351.305 and as explained in the APO itself. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: February 25, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

RIN 0648-XU40

Schedules for Atlantic Shark Identification Workshops and Protected Species Safe Handling, Release, and Identification Workshops

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public workshops.

SUMMARY: NMFS announces free Atlantic Shark Identification Workshops and Protected Species Safe Handling, Release, and Identification Workshops to be held in April, May, and June of 2010. Certain fishermen and shark dealers are required to attend a workshop to meet regulatory requirements and maintain valid permits. Specifically, the Atlantic Shark Identification Workshop is mandatory for all federally permitted Atlantic shark dealers. The Protected Species Safe Handling, Release, and Identification Workshop is mandatory for vessel owners and operators who use bottom longline, pelagic longline, or gillnet gear, and have also been issued shark or swordfish limited access permits. Additional free workshops will be held in 2010 and announced in the **Federal Register**.

DATES: The Atlantic Shark Identification Workshops will be held April 8, May 20, and June 10, 2010.

The Protected Species Safe Handling, Release, and Identification Workshops will be held April 7, April 28, May 20, May 26, June 16, and June 30, 2010.

See **SUPPLEMENTARY INFORMATION** for further details.

ADDRESSES: The Atlantic Shark Identification Workshops will be held in Stuart, FL; Foxborough, MA; and Alvin, TX.

The Protected Species Safe Handling, Release, and Identification Workshops will be held in Daytona Beach, FL; Kenner, LA; Kitty Hawk, NC; Warwick, RI; Charleston, SC; and Manahawkin, NJ.

See **SUPPLEMENTARY INFORMATION** for further details on workshop locations.

FOR FURTHER INFORMATION CONTACT:

Richard A. Pearson by phone:(727) 824-5399, or by fax:(727) 824-5398.

SUPPLEMENTARY INFORMATION: The workshop schedules, registration information, and a list of frequently asked questions regarding these workshops are posted on the Internet at: <http://www.nmfs.noaa.gov/sfa/hms/workshops/>.

Atlantic Shark Identification Workshops

Since January 1, 2008, Atlantic shark dealers have been prohibited from receiving, purchasing, trading, or bartering for Atlantic sharks unless a valid Atlantic Shark Identification Workshop certificate is on the premises of each business listed under the shark dealer permit which first receives Atlantic sharks (71 FR 58057; October 2, 2006). Dealers who attend and successfully complete a workshop are issued a certificate for each place of business that is permitted to receive sharks. These certificate(s) are valid for 3 years. Approximately 43 free Atlantic Shark Identification Workshops have been conducted since January 2007.

Currently permitted dealers may send a proxy to an Atlantic Shark Identification Workshop. However, if a dealer opts to send a proxy, the dealer must designate a proxy for each place of business covered by the dealer's permit which first receives Atlantic sharks. Only one certificate will be issued to each proxy. A proxy must be a person who: is currently employed by a place of business covered by the dealer's permit; is a primary participant in the identification, weighing, and/or first receipt of fish as they are offloaded from a vessel; and fills out dealer reports. Atlantic shark dealers are prohibited from renewing a federal shark dealer permit unless a valid Atlantic Shark Identification Workshop certificate for each business location which first receives Atlantic sharks has been submitted with the permit renewal application. Additionally, trucks or other conveyances - which are

extensions of a dealer's place of business -- must possess a copy of a valid dealer or proxy Atlantic Shark Identification Workshop certificate.

Workshop Dates, Times, and Locations

1. April 8, 2010, 12 p.m. - 5 p.m., Florida Oceanographic Coastal Center, 890 NE Ocean Boulevard, Stuart, FL 34996.

2. May 20, 2010, 12 p.m. - 5 p.m., Boyden Library - Fuller Room, 10 Bird Street, Foxborough, MA 02035.

3. June 10, 2010, 12 p.m. - 5 p.m., Alvin Library, 105 South Gordon Street, Alvin, TX 77511.

Registration

To register for a scheduled Atlantic Shark Identification Workshop, please contact Eric Sander at esander@peoplepc.com or at (386) 852-8588.

Registration Materials

To ensure that workshop certificates are linked to the correct permits, participants will need to bring specific items to the workshop:

- Atlantic shark dealer permit holders must bring proof that the attendee is an owner or agent of the business (such as articles of incorporation), a copy of the applicable permit, and proof of identification.
- Atlantic shark dealer proxies must bring documentation from the permitted dealer acknowledging that the proxy is attending the workshop on behalf of the permitted Atlantic shark dealer for a specific business location, a copy of the appropriate valid permit, and proof of identification.

Workshop Objectives

The shark identification workshops are designed to reduce the number of unknown and improperly identified sharks reported in the dealer reporting form and increase the accuracy of species-specific dealer-reported information. Reducing the number of unknown and improperly identified sharks will improve quota monitoring and the data used in stock assessments. These workshops will train shark dealer permit holders or their proxies to properly identify Atlantic shark carcasses.

Protected Species Safe Handling, Release, and Identification Workshops

Since January 1, 2007, shark limited-access and swordfish limited-access permit holders who fish with longline or gillnet gear have been required to submit a copy of their Protected Species Safe Handling, Release, and Identification Workshop certificate in

order to renew either permit (71 FR 58057; October 2, 2006). These certificate(s) are valid for 3 years. As such, vessel owners who have not already attended a workshop and received a NMFS certificate, or vessel owners whose certificate(s) will expire prior to the next permit renewal, must attend a workshop to fish with, or renew, their swordfish and shark limited-access permits. Additionally, new shark and swordfish limited access permit applicants who intend to fish with longline or gillnet gear must attend a Protected Species Safe Handling, Release, and Identification Workshop and submit a copy of their workshop certificate before either of the permits will be issued. Approximately 82 free Protected Species Safe Handling, Release, and Identification Workshops have been conducted since 2006.

In addition to certifying vessel owners, at least one operator on board vessels issued a limited-access swordfish or shark permit that uses longline or gillnet gear is required to attend a Protected Species Safe Handling, Release, and Identification Workshop and receive a certificate. Vessels that have been issued a limited-access swordfish or shark permit and that use longline or gillnet gear may not fish unless both the vessel owner and operator have valid workshop certificates onboard at all times. The certificate(s) are valid for 3 years. As such, vessel operators who have not already attended a workshop and received a NMFS certificate, or vessel operators whose certificate(s) will expire prior to their next fishing trip, must attend a workshop to operate a vessel with swordfish and shark limited-access permits that uses with longline or gillnet gear.

Workshop Dates, Times, and Locations

1. April 7, 2010, 9 a.m. - 5 p.m., Holiday Inn, 137 Automall Circle, Daytona Beach, FL 32124.

2. April 28, 2010, 9 a.m. - 5 p.m., Hilton Hotel (at Louis Armstrong New Orleans airport), 901 Airline Drive, Kenner, LA 70062.

3. May 20, 2010, 9 a.m. - 5 p.m., Hilton Garden Inn, 5353 Virginia Dare Trail, Kitty Hawk, NC 27949.

4. May 26, 2010, 9 a.m. - 5 p.m., Hilton Garden Inn (at T. F. Green Providence airport), 1 Thurber Street, Warwick, RI 02886.

5. June 16, 2010, 9 a.m. - 5 p.m., Town & Country Inn, 2008 Savannah Highway, Charleston, SC 29407.

6. June 30, 2010, 9 a.m. - 5 p.m., Holiday Inn, 151 Route 72 East, Manahawkin, NJ 08050.

Registration

To register for a scheduled Protected Species Safe Handling, Release, and Identification Workshop, please contact Angler Conservation Education at (386) 290-8955.

Registration Materials

To ensure that workshop certificates are linked to the correct permits, participants will need to bring specific items with them to the workshop:

- Individual vessel owners must bring a copy of the appropriate swordfish and/or shark permit(s), a copy of the vessel registration or documentation, and proof of identification.
- Representatives of a business owned or co-owned vessel must bring proof that the individual is an agent of the business (such as articles of incorporation), a copy of the applicable swordfish and/or shark permit(s), and proof of identification.
- Vessel operators must bring proof of identification.

Workshop Objectives

The Protected Species Safe Handling, Release, and Identification Workshops are designed to teach longline and gillnet fishermen the required techniques for the safe handling and release of entangled and/or hooked protected species, such as sea turtles, marine mammals, and smalltooth sawfish. The proper identification of protected species will also be taught at these workshops in an effort to improve reporting. Additionally, individuals attending these workshops will gain a better understanding of the requirements for participating in these fisheries. The overall goal of these workshops is to provide participants with the skills needed to reduce the mortality of protected species, which may prevent additional regulations on these fisheries in the future.

Grandfathered Permit Holders

Participants in the industry-sponsored workshops on safe handling and release of sea turtles that were held in Orlando, FL (April 8, 2005), and in New Orleans, LA (June 27, 2005), were issued a NOAA workshop certificate in December 2006 that was valid for 3 years. These workshop certificates have expired.

Vessel owners and operators whose certificates expire prior to the next permit renewal or fishing trip must attend a workshop, successfully complete the course, and obtain a new certificate in order to fish with or renew their limited-access shark and limited-access swordfish permits. Failure to

provide a valid NOAA workshop certificate could result in a permit denial.

Dated: March 1, 2010.

Emily Menashes,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

BILLING CODE 3510-22-S

DEPARTMENT OF COMMERCE

Economic Development Administration

[Docket No.: 100210082-0082-01]

Solicitation of Applications for the FY 2010 University Center Economic Development Program Competition in EDA's Austin and Denver Regional Offices

AGENCY: Economic Development Administration (EDA), Department of Commerce.

ACTION: Notice and request for applications.

SUMMARY: EDA is soliciting competitive applications from accredited institutions of higher education, including community colleges, and from consortia of accredited institutions of higher education for FY 2010 University Center Economic Development Program funding in the geographic areas served by its Austin and Denver regional offices. EDA's mission is to lead the federal economic development agenda by promoting innovation and competitiveness, preparing American regions for growth and success in the worldwide economy. Institutions of higher education have many assets and are able to establish and operate University Centers in partnership with EDA. These EDA-sponsored University Centers conduct research; provide technical assistance to tribal entities, local governments, and public and private sector organizations; and undertake other activities with the goal of enhancing regional economic development by promoting a favorable business environment to attract private capital investment and higher-skill, higher-wage jobs.

DATES: The closing date and time for receipt of applications for funding under the FY 2010 University Center Economic Development Program competition is June 1, 2010 at 5 p.m. CST for applicants in the Austin regional office's service area and 5 p.m. MST for applicants in the Denver regional office's service area. The Austin regional office will hold an informational teleconference for

prospective applicants on April 1, 2010 at 1 p.m. CST. The Denver regional office will hold its informational teleconference call on March 19, 2010 at 1 p.m. MST. For instruction regarding these teleconferences, please see the information provided below under "Informational Teleconferences."

Subject to the availability of funding, successful applicants should expect to receive grant awards within approximately sixty days from the application closing date and time(s) set out in this notice and request for applications. The anticipated initial award will have a twelve-month duration with an estimated start date on or about August 1, 2010.

Application Submission

Requirements: Applicants are advised to read carefully the instructions contained in section IV of the Federal Funding Opportunity (FFO) announcement for this request for applications. To access the FFO announcement, please see the Web sites listed below under "Electronic Access."

Applications may be submitted in two formats: (i) Electronically in accordance with the procedures provided on www.grants.gov; or (ii) in paper format to the addresses provided below. EDA will not accept facsimile transmissions of applications. The content of the application is the same for paper submissions as it is for electronic submissions. A complete application must contain all the items listed in the *Checklist of Application Materials*, which is attached as an Exhibit to the FFO announcement.

You may obtain a paper application package by contacting the designated point of contact listed below under "For Further Information Contact" for the EDA regional office servicing your geographic area. Applicants applying electronically through www.grants.gov may access the application package by following the instructions provided on www.grants.gov.

Paper Submissions: Applicants in Arkansas, Louisiana, New Mexico, Oklahoma or Texas should submit paper submissions (via postal mail, overnight delivery, or hand-delivery) to: FY 2010 University Center Program Competition, Economic Development Administration, Austin Regional Office, 504 Lavaca, Suite 1100, Austin, Texas 78701-2858.

Applicants in Colorado, Iowa (excluding Muscatine and Scott counties), Kansas, Missouri, Montana, Nebraska, North Dakota, South Dakota, Utah or Wyoming should submit paper submissions (via postal mail, overnight delivery, or hand-delivery) to: FY 2010 University Center Program Competition, Economic Development Administration,

Denver Regional Office, 410 17th Street, Suite 250, Denver, Colorado 80202.

Department of Commerce mail security measures may delay receipt of United States Postal Service mail for up to two weeks. Therefore, applicants who submit paper submissions are advised to use a guaranteed overnight delivery service.

Electronic Submissions: Applicants may submit applications electronically in accordance with the instructions provided at www.grants.gov. EDA strongly encourages that applicants not wait until the application closing date to begin the application process through www.grants.gov. The preferred file format for electronic attachments (e.g., the Project Narrative and attachments to Form ED-900) is portable document format (PDF); however, EDA will accept electronic files in Microsoft Word, WordPerfect, or Excel formats.

Applicants should access the following link for assistance in navigating www.grants.gov and for a list of useful resources: <http://www.grants.gov/help/help.jsp>. If you do not find an answer to your question under "Applicant FAQs," try consulting the "Applicant User Guide." If you still cannot find an answer to your question, contact www.grants.gov via email at support@grants.gov or telephone at 1-800-518-4726. The hours of operation for www.grants.gov are Monday-Friday, 7 a.m. to 9 p.m. Eastern Time (except for federal holidays).

FOR FURTHER INFORMATION CONTACT: For additional information or for a paper copy of the application package, the designated contact person in the Austin regional office is Camille Osborne. Ms. Osborne may be reached at cosborne@eda.doc.gov or at 512.381.8145. The designated contact person in the Denver regional office is Forlesia S. Willis. Ms. Willis may be reached at fwillis@eda.doc.gov or at 303.844.5452. EDA's website at <http://www.eda.gov> also has information on EDA and its programs, including the University Center Economic Development Program.

SUPPLEMENTARY INFORMATION:

Program Information: EDA's mission is to lead the federal economic development agenda by promoting innovation and competitiveness, preparing American regions for growth and success in the worldwide economy. EDA fulfills its mission by helping our partners across the nation create wealth and minimize poverty by promoting a favorable business environment to attract private capital investment and higher-skill, higher-wage jobs through capacity-building, planning,
