National Park Service Concessions Management Advisory Board Reestablishment

AGENCY: National Park Service, Interior.

ACTION: Notice of reestablishment of the National Park Service Concessions Management Advisory Board.

SUMMARY: The Secretary of the Interior intends to administratively reestablish the National Park Service Concessions Management Advisory Board. This action is necessary and in the public interest in connection with the performance of statutory duties imposed upon the Department of the Interior and the National Park Service.

FOR FURTHER INFORMATION CONTACT: Jo Pendry, Chief, Commercial Services Program on 202-513-7156.

SUPPLEMENTARY INFORMATION: The National Park Service Concessions Management Advisory Board was established by Title IV, Section 409 of Public Law 105-391, the National Parks Omnibus Management Act of 1998, November 13, 1998, with a termination date of December 31, 2008. Pursuant to Title VII, Subtitle A, Section 7403 of

Public Law 111-11, the Omnibus Public Land Management Act of 2009, March 30, 2009, the Board was extended and will terminate on December 31, 2009.

The advice and recommendations provided by the Board and its subcommittees fulfill an important need within the Department of the Interior and the National Park Service, and it is necessary to administratively reestablish the Board to ensure its work is not disrupted. The Board's seven members will be balanced to represent a cross-section of disciplines and expertise relevant to the National Park Service mission. The reestablishment of the Board comports with the requirements of the Federal Advisory Committee Act, as amended (5 U.S.C., Appendix), and follows consultation with the General Services Administration. The administrative reestablishment will be effective on the date the charter is filed pursuant to section 9(c) of the Act and 41 CFR 102-3.70.

Certification: I hereby certify that the administrative reestablishment of the National Park Service Concessions Management Advisory Board is necessary and in the public interest in connection with the performance of duties imposed on the Department of the Interior by the Act of August 25, 1916, 16 U.S.C. 1 *et seq.*, and other statutes relating to the administration of the National Park System.

Dated: January 13, 2010.

Ken Salazar,

Secretary of the Interior.

Notice of Proposed Withdrawal Extension and Opportunity for Public Meeting; Alaska

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: On behalf of the United States Department of Agriculture (USDA), Forest Service, the Bureau of Land Management (BLM) proposes to extend the duration of Public Land Order (PLO) No. 6892 for an additional 20-year period. This order withdrew approximately 473 acres of National Forest System land from surface entry and mining, but not from mineral leasing, to protect the recreational values of the Sixmile Creek Recreation Area. This notice gives an opportunity to comment on the proposed action and to request a public meeting.

DATES: Comments and requests for a public meeting must be received by May 11, 2010.

ADDRESSES: Comments and meeting requests should be sent to the Alaska State Director, BLM Alaska State Office,

222 West 7th Avenue, No. 13,
Anchorage, Alaska 99513-7504.

FOR FURTHER INFORMATION CONTACT:
Ramona Chinn, BLM Alaska State
Office, 907-271-3806 or at the address
listed above.

SUPPLEMENTARY INFORMATION: The
withdrawal created by PLO No. 6892 (56
FR 52210 (1991)), will expire on
October 17, 2011, unless extended. The
USDA Forest Service has filed an
application to extend the withdrawal for
an additional 20-year period to protect
the recreational values of the Sixmile
Creek Recreation Area.

This withdrawal comprises
approximately 473 acres of National
Forest System land located in the
Chugach National Forest, within Tps. 7
and 8 N., R. 1 E., and Tps. 8 and 9 N.,
R. 1 W., Seward Meridian, Alaska, as
described in PLO No. 6892.

A complete description, along with all
other records pertaining to the extension
application, can be examined in the
BLM Alaska State Office at the address
listed above.

As extended, the withdrawal would
not alter the applicability of those
public land laws governing the use of
land under lease, license, or permit or
governing the disposal of the mineral or
vegetative resources other than under
the mining laws.

The use of a right-of-way or
interagency or cooperative agreement
would not adequately protect the
recreational values of the Sixmile Creek
Recreation Area.

There are no suitable alternative sites
available that could be substituted for
the above described National Forest
system land, since the Sixmile Creek
Recreation Area is unique.

No water rights would be needed to
fulfill the purpose of the requested
withdrawal extension.

For a period of 90 days from the date
of publication of this notice, all persons
who wish to submit comments,
suggestions, or objections in connection
with the proposed withdrawal extension
may present their views in writing to
the BLM Alaska State Director at the
address listed above. Before including
your address, phone number, e-mail
address, or other personal identifying
information in your comment, you
should be aware that your entire
comment—including your personal
identifying information—may be made
publicly available at any time. While
you can ask us in your comment to
withhold your personal identifying
information from public review, we
cannot guarantee that we will be able to
do so. Individual respondents may
request confidentiality. If you wish to

withhold your name or address from
public review or from disclosure under
the Freedom of Information Act, you
must state this prominently at the
beginning of your comments. Such
requests will be honored to the extent
allowed by law. All submissions from
organizations or businesses, and from
individuals identifying themselves as
representatives or officials of
organizations or businesses, will be
made available for public inspection in
their entirety.

Notice is hereby given that an
opportunity for a public meeting is
afforded in connection with the
proposed withdrawal extension. All
interested parties who desire a public
meeting for the purpose of being heard
on the proposed withdrawal must
submit a written request to the BLM
Alaska State Director to the address
listed above within 90 days from the
date of publication of this notice. Upon
determination by the authorized officer
that a public meeting will be held, a
notice of the time and place will be
published in the **Federal Register** at
least 30 days before the scheduled date
of the meeting.

The withdrawal extension proposal
will be processed in accordance with
the regulations set forth in 43 CFR
2310.4 and subject to Section 810 of the
Alaska National Interest Lands
Conservation Act, 16 U.S.C. 3120.

Authority: 43 CFR 2310.3-1(b).

*Deputy State Director, Division of Alaska
Lands.*

The area described contains 4.82 acres in

void the direct sale and any monies

suitable for disposal through sale, and it
has been determined that no significant
resource values will be affected by
disposal of the parcel. The land is not
required for any Federal purpose.

The following rights, reservations,
and conditions will be included in the
patent that may be issued for the above
described parcel of land:
