3M Precision Optics, Inc., Cincinnati, OH; Notice of Affirmative Determination Regarding Application for Reconsideration

By application dated September 18, 2008, the petitioners requested administrative reconsideration of the negative determination regarding workers' eligibility to apply for Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA) applicable to workers and former workers of the subject firm. The determination was issued on September 3, 2008. The Notice of Determination was published in the **Federal Register** on September 18, 2008 (73 FR 54174).

The initial investigation resulted in a negative determination based on the finding that imports of optical systems for projection televisions and projectors did not contribute importantly to worker separations at the subject firm and no shift of production to a foreign source occurred.

In the request for reconsideration, the petitioners provided additional information pertaining to the customers of the subject firm and alleged that imports of projection televisions and projectors increased.

The Department has carefully reviewed the request for reconsideration and the existing record and has

determined that the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 10th day of October 2008.

Elliott S. Kushner,

Certifying Officer, Division of Trade Adjustment Assistance.
