AGENCY: Defense Nuclear Facilities Safety Board.

ACTION: Notice of Public Meeting and Hearing.

SUMMARY: Pursuant to the provisions of the "Government in the Sunshine Act" (5 U.S.C. 552b), and as authorized by 42 U.S.C. 2286b, notice is hereby given of the Defense Nuclear Facilities Safety Board's (Board) public meeting and hearing described below. The Board invites any interested persons or groups to present any comments, technical information, or data concerning safety issues related to the matters to be considered.

TIME AND DATE OF MEETING: Session I: 1:00 p.m.-5:30 p.m., March 14, 2013; Session II: 7:00 p.m.-9:00 p.m., March 14, 2013.

PLACE: Amarillo Civic Center, 401 S. Buchanan Street, Amarillo, Texas 79101. The Board will convene the hearing in the Regency Room which is accessible from Entrance 4 on the Johnson Street side of the Civic Center.

STATUS: Open. While the Government in the Sunshine Act does not require that the scheduled discussion be conducted in a meeting, the Board has determined that an open meeting in this specific case furthers the public interests underlying both the Government in the Sunshine Act and the Board's enabling legislation.

MATTERS TO BE CONSIDERED: In Session I of this public meeting and hearing, the Board will receive testimony from the

National Nuclear Security Administration (NNSA) and its contractor concerning the safety culture at the Pantex Plant. Areas of inquiry will include identification of shortfalls in the Pantex safety culture, potential impacts that a flawed safety culture may have on nuclear explosives operations, and management approaches to improving safety culture. The Board will also examine the status of emergency preparedness at the Pantex Plant. The Board will focus on plans and capabilities to respond to a site emergency, demonstrated performance in drills and exercises, and preparation for severe events resulting from natural phenomena, such as the event that occurred at the Fukushima Daiichi complex. During Session II, the Board will receive testimony concerning safety at Pantex defense nuclear facilities. The Board will examine issues related to nuclear explosive safety, fire protection systems, and facility structures.

FOR FURTHER INFORMATION CONTACT: Debra H. Richardson, Deputy General Manager, Defense Nuclear Facilities Safety Board, 625 Indiana Avenue NW., Suite 700, Washington, DC 20004-2901, (800) 788-4016. This is a toll-free number.

SUPPLEMENTARY INFORMATION: Public participation in the hearing is invited. The Board is setting aside time at the end of each session of the hearing for presentations and comments from the public. At the beginning of Session I, the Board will post a schedule for speakers at the entrance to the hearing room. Anyone who wishes to comment or provide technical information or data may do so in writing, either in lieu of, or in addition to, making an oral presentation. The Board Members may question presenters to the extent deemed appropriate. Documents will be accepted at the hearing or may be sent to the Board's Washington, DC office. The Board will hold the record open until April 15, 2013, for the receipt of additional materials. The hearing will be presented live through Internet video streaming. Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Minorities and Retirement Security (MRS) Program is a new discretionary grant program jointly administered by the United States Department of Education (ED or the Department) and the United States Social Security Administration (SSA). The MRS Program will provide grants to support research by graduate students at selected graduate institutions with high proportions of minority and low-income students (referred to in this notice as Minority Serving Institutions (MSIs)) in the areas of retirement security, financial literacy, and financial decisionmaking (personal savings, labor force planning, personal debt, etc.)

within minority and low-income communities.

SUPPLEMENTARY INFORMATION: SSA will provide the grant funds and will share responsibility with ED for selecting reviewers and monitoring the funded projects. ED is responsible for administration of the grant competition, making the grant awards, and monitoring the grantees' compliance with ED's financial requirements.

The grantee may be eligible for funding for up to five years, depending upon performance of the grantee and budget constraints of SSA and/or ED. If funding is available after the first year, ED will make continuation awards after considering SSA's assessments of the grantees' project progress. If a grantee receives a continuation award it must continue to use the funds to support graduate students who conduct research on retirement security, financial literacy, and financial decisionmaking within minority and low-income communities. An institution may only receive one MRS Program award in any given fiscal year.

Priority, Definitions, and Requirement: We are establishing this priority, these definitions, and this requirement for the FY 2013 grant competition and any subsequent year in which we make awards from the list of unfunded applicants from this competition, in accordance with section 437(d)(1) of the General Education Provisions Act (GEPA), 20 U.S.C. 1232(d)(1).

Absolute Priority: This priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is: *Retirement Security, Financial Literacy, and Financial Decisionmaking.*

Background:

ED has partnered with the SSA to establish the MRS Program to increase the capacity for producing, and quality of, published research by MSIs in the areas of retirement security, financial literacy, and financial decisionmaking within minority and low-income communities. These grants also seek to expand the talent pool of scientists and researchers from MSIs who are prepared to conduct rigorous research in this area. Grants will be awarded to eligible MSIs that are conducting research across a variety of relevant disciplines and fields (for example, business, economics, education, human development, political science, public policy, psychology, sociology, and statistics).

Priority:

The purpose of this program is to increase the number of researchers at

MSIs who conduct high quality retirement security research within minority and low-income communities. Grantees are to conduct research in the areas of retirement security, financial literacy, and financial decisionmaking within minority and low-income communities. Grantees are expected to produce research findings for publication, and to submit them to peer reviewed journals for consideration. Grantees are also required to disseminate their research findings through published papers and conference presentations, or such other means as proposed in its grant application. The grantee may, at its discretion, either: Develop a tool or program in the areas of retirement security, financial literacy, and financial decisionmaking within minority and low-income communities and evaluate the efficacy of that tool or program; or may evaluate the efficacy of an existing tool or program in the areas of retirement security, financial literacy, and financial decisionmaking within minority and low-income communities.

Such activities must be principally conducted by graduate students at the grantee MSI. Faculty at the grantee MSI must mentor students doing the research.

Research activities may include:

1. Empirical research using extant microlevel data to document the retirement security of minorities and the early, mid-life, and late-life causes of inadequate retirement income among minority and low-income households. Examples of extant microlevel data studies where the focus is on individual respondents (as opposed to organizations or groups) that may be used for this purpose are the Health and Retirement Study, the Survey of Consumer Finances, the Survey of Program Participation, the Current Population Survey, the American Life Panel, the Panel Survey of Income Dynamics, individual-level databases maintained by the National Center for Education Statistics, and other large-scale individual-level databases. The surveys listed as examples have public use files, which are subject to an expedited Institutional Review Board (IRB) review. Applicants using other data sources must submit their proposed research through a regular IRB review, which may take longer. IRB reviews are not required at the time of application. However, if funded, all applicants must follow their IRB review procedures.

2. Evaluation of pre-existing or development and evaluation of original research-based financial literacy and financial decisionmaking interventions for students at eligible MSIs, especially

minority and low-income students. Interventions may include, but are not limited to: Counseling; workshops; publications; or programs on effective money management, debt, and staying in and paying for college. These interventions may include behavioral economic concepts designed to teach students how to make optimal financial decisions.

3. Evaluation of pre-existing or development and evaluation of original research-based financial literacy and financial decisionmaking interventions for members of minority and low-income communities, including students at postsecondary institutions. Interventions may include, but are not limited to: Counseling; workshops; publications; adult education courses; or other programs on financial literacy and financial decisionmaking, debt management and reduction, credit report and score improvements, and personal savings plans, such as for retirement, a child's education, or an emergency fund. These interventions may include behavioral economic concepts designed to teach members of minority and low-income communities how to make optimal financial decisions.

4. Evaluation of pre-existing or development and evaluation of original research-based high school or college curricula for minority and low-income students designed to improve these students' financial literacy and financial decisionmaking. The curricula may be designed as entire courses or as new modules to be included within an already existing course (e.g., integrating financial literacy and financial decisionmaking topics into math, economics, or psychology courses).

5. Evaluation of pre-existing or development and evaluation of original research-based professional development programs on financial literacy and financial decisionmaking for librarians, social workers, counselors, and others working in community-based organizations in minority and low-income communities. These programs should use a "train-the-trainer" model where librarians, social workers, counselors, and others are trained in financial literacy and financial decisionmaking issues germane to the minority and low-income communities they serve so that they can educate those same communities through financial counseling, literature, seminars, or workshops.

6. Other research projects that support activities within minority and low-income communities designed to improve financial literacy and financial

decisionmaking related to educational attainment, labor market outcomes, and retirement security.

Requirement: Each applicant must conduct a literature review that summarizes current research and practice supporting the significance of its project. Each applicant must indicate whether the project would take a new direction or build on current or previous national, State, or community efforts that have shown promise of effectiveness.

Definitions:

Financial literacy means the ability to make informed judgments and to take effective actions regarding the current and future use and management of money. It includes the ability to understand financial choices, plan for the future, spend wisely, and manage the challenges associated with life events such as a job loss, saving for retirement, or paying for a child's education.

(www.financialeducatorsCouncil.org/financial-literacy-definition.html)

Good standing means the status of a grantee that has not been found to be a significant project or institutional risk, as indicated by ED's risk management review, which includes an assessment of the institution's ED grant project, financial standing, audits, and accreditation agency reports.

Low-income means income of less than 50 percent of the median household income—less than \$31,200 in 2011. Grantees may suggest other measures of low income as appropriate to their research focus—for instance, State-specific levels of median household income, or median rural household income. These measures must be derived from nationally recognized sources such as Federal statistical agencies or the Census Bureau.

Personal debt means debts that are owed as a result of purchasing goods that are consumable or do not appreciate. (www.investopedia.com/terms/c/consumer-debt.asp#axzz1VyK6apGi)

Personal savings means savings by households. Personal savings equals disposable personal income minus spending for consumption and interest payments. (www.teachmefinance.com/Financial_Terms/personal_saving.html)

Personal savings rate means personal savings as a percentage of disposable personal income.

Retirement security means an individual's level of comfort with the resources that are intended to support such individual through retirement and provide a standard of living similar to what was experienced before retirement.

Waiver of Proposed Rulemaking:

Under the Administrative Procedure Act (5 U.S.C. 553), the Department generally offers interested parties the opportunity to comment on proposed priorities, definitions, and requirements. Section 437(d)(1) of GEPA, however, allows the Secretary to exempt from rulemaking requirements, regulations governing the first grant competition under a new or substantially revised program authority. This is the first grant competition for this program under section 1110(a) of the Social Security Act (42 U.S.C. 1310(a)) and therefore qualifies for this exemption. In order to ensure timely grant awards, the Secretary has decided to forego public comment on the priority, definitions, and requirement under section 437(d)(1) of GEPA. This priority, definitions, and requirement will apply to the FY 2013 grant competition and any subsequent year in which we make awards from the list of unfunded applicants from this competition.

Program Authority: Section 1110(a) of the Social Security Act (42 U.S.C. 1310(a)).

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 86, 97, 98, and 99. (b) The Education Department debarment and suspension regulations in 2 CFR part 3485. (c) The Social Security Administration program regulations in 20 CFR parts 435 and 437.

6. *Data Universal Numbering System Number, Taxpayer Identification Number, Central Contractor Registry, and System for Award Management:* To do business with the Department, you must—

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the Central Contractor Registry (CCR)—and, after July 24, 2012, with the System for Award Management (SAM), the Government's primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active CCR or SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The CCR or SAM registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days to complete. Information about SAM is available at SAM.gov.

In addition, if you are submitting your application via *Grants.gov*, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with *Grants.gov* as an AOR. Details on these steps are outlined at the following *Grants.gov* Web page: www.grants.gov/applicants/get_registered.jsp.

7. *Other Submission Requirements:* Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications*

Applications for grants under the Minorities and Retirement Security Program, CFDA Number 84.414A, must be submitted electronically using the Governmentwide *Grants.gov* Apply site at www.Grants.gov. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Minorities and Retirement Security Program at www.Grants.gov. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.414, not 84.414A).

Please note the following:

- When you enter the *Grants.gov* site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by *Grants.gov* are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the *Grants.gov* system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the *Grants.gov* system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from *Grants.gov*, we will notify you if we are rejecting your application because it was date and time stamped by the *Grants.gov* system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary

depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at www.G5.gov.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), Department of Education Supplemental Information for SF 424, Budget Information, Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a PDF (Portable Document) read-only, non-modifiable format. Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by email. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system; and
- No later than two weeks before the application deadline date (14 calendar days; or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal

holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: John Clement, U.S. Department of Education, 1990 K Street NW., Room 6006, Washington, DC 20006-8510. FAX: (202) 502-7861.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

(1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and

(2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this competition were developed pursuant to a waiver of rulemaking under section 437(d)(1) of GEPA and are listed in the application package.

2. *Review and Selection Process:* We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In making a competitive grant award, Federal agencies require various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities

receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

ED will be responsible for receiving and reviewing all applications for eligibility. A review panel selected by ED and SSA that consists of at least three persons will be formed. Each panelist will objectively review and score applications using the selection criteria. All three scores will be added and divided by three, providing the overall score of each application. A slate with all applicants' overall scores will be prepared. Applications will be funded in rank order.

3. *Special Conditions:* Under 34 CFR 74.14 and 80.12, the Secretary of Education and the SSA Commissioner may impose special conditions on a grant if the applicant or grantee: is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 34 CFR parts 74 or 80, as applicable; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we will notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirement in 2 CFR 170 should you receive the funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information,

as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For other specific requirements on reporting, please go to <http://www.ssa.gov/oag/grants/grantpolicyhandbk.pdf>.

4. *Performance Measures:* The success of this SSA-ED joint grant program will be measured by the quality and usefulness of grantees' research and development and evaluation activities, as evidenced by the publication of research findings in peer-reviewed journals or other publications, the presentation of research findings at conferences, and the development of materials or curricula based on research findings.

5. *Continuation Awards:* In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made "substantial progress toward meeting the objectives in its approved application." In determining whether a grantee has made substantial progress, the Secretary will consider SSA's review of a grantee's progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget, as monitored by ED. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from ED (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
