**SUPPLEMENTARY INFORMATION:** In  
accordance with the Paperwork  
Reduction Act of 1995 (PRA, 44 U.S.C.  
3501 *et seq.*) and 5 CFR 1320.8(d)(1), all  
information collections require approval  
under the PRA. The BLM may not  
conduct or sponsor a collection of  
information and a response to a request  
for information is not required unless it  
displays a current valid OMB control  
number.

As part of our continuing effort to  
reduce paperwork and respondent  
burdens, we invite the public and other  
Federal agencies to comment on new,  
proposed, revised and continuing  
collections of information. This helps  
the BLM assess impacts of its

information collection requirements and  
minimize the public's reporting burden.  
It also helps the public understand BLM  
information collection requirements and  
ensure requested data are provided in  
the desired format.

The BLM is especially interested in  
public comment addressing the  
following:

(1) Whether collection of information  
is necessary for the proper performance  
of the functions of the agency, including  
if the information will have practical  
utility;

(2) Determination of the accuracy of  
the BLM's estimate of the burden for  
collection of information, including  
validity of methodology and  
assumptions used;

(3) Methods to enhance the quality,  
utility, and clarity of information to be  
collected; and

(4) How the agency can minimize the  
burden of information collection on  
those who respond, including use of  
appropriate automated, electronic,  
mechanical or other technological  
collection techniques or other forms of  
information technology.

Comments submitted in response to  
this notice are a matter of public record.  
The BLM will include or summarize  
each comment in its request to OMB to  
approve this ICR. Before including your  
address, phone number, email address,  
or other personal identifying  
information in your comment, you  
should be aware that your entire  
comment—including your personal  
identifying information—may be made  
publicly available at any time. While  
you can ask us in your comment to  
withhold your personal identifying  
information from public review, we  
cannot guarantee that we will be able to  
do so.

“significant” caves on Federal lands  
within their respective jurisdictions and  
allows agencies to disclose to the public  
the location of significant caves only in

FCRPA and BLM regulations also  
authorize certain individuals,

and 43 CFR 37.12 by:
