

the Regulations and in connection with any other activity subject to the Regulations.

This Order is being issued on an *ex parte* basis without a hearing based upon BIS's showing of an imminent violation in accordance with section 766.24 and 766.23(b) of the Regulations.

IV. Order

It is therefore ordered:

First, URAL Airlines JSC, Utrenniy Lane 1-g, Yekaterinburg, Russia 620025 when acting for or on their behalf, any successors or assigns, agents, or employees may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as "item") exported or to be exported from the United States that is subject to the EAR, or in any other activity subject to the EAR including, but not limited to:

A. Applying for, obtaining, or using any license (except directly related to safety of flight), license exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the EAR except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations, or engaging in any other activity subject to the EAR except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the EAR, or from any other activity subject to the EAR except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations.

Second, that no person may, directly or indirectly, do any of the following:

A. Export, reexport, or transfer (in-country) to or on behalf of URAL any item subject to the EAR except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by URAL of the ownership, possession, or control of any item subject to the EAR that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby URAL acquires or attempts to acquire such ownership,

possession or control except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from URAL of any item subject to the EAR that has been exported from the United States except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations;

D. Obtain from URAL in the United States any item subject to the EAR with knowledge or reason to know that the item will be, or is intended to be, exported from the United States except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations; or

E. Engage in any transaction to service any item subject to the EAR that has been or will be exported from the United States and which is owned, possessed or controlled by URAL, or service any item, of whatever origin, that is owned, possessed or controlled by URAL if such service involves the use of any item subject to the EAR that has been or will be exported from the United States except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations. For purposes of this paragraph, servicing means installation, maintenance, repair, modification, or testing.

Third, that, after notice and opportunity for comment as provided in section 766.23 of the EAR, any other person, firm, corporation, or business organization related to URAL by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business may also be made subject to the provisions of this Order.

In accordance with the provisions of sections 766.24(e) of the EAR, URAL may, at any time, appeal this Order by filing a full written statement in support of the appeal with the Office of the Administrative Law Judge, U.S. Coast Guard ALJ Docketing Center, 40 South Gay Street, Baltimore, Maryland 21202-4022.

In accordance with the provisions of section 766.24(d) of the EAR, BIS may seek renewal of this Order by filing a written request not later than 20 days before the expiration date. A renewal request may be opposed by URAL as provided in section 766.24(d), by filing a written submission with the Assistant Secretary of Commerce for Export Enforcement, which must be received not later than seven days before the expiration date of the Order.

A copy of this Order shall be provided to URAL and shall be published in the **Federal Register**.

This Order is effective immediately and shall remain in effect for 180 days.

Matthew S. Axelrod,

Assistant Secretary of Commerce for Export Enforcement.

BILLING CODE 3510-DT-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Notice Requesting Nominations for the Advisory Committee on Commercial Remote Sensing

AGENCY: National Oceanic and Atmospheric Administration, Commerce.

ACTION: Request for membership nominations.

SUMMARY: The Department of Commerce is seeking 3 to 5 representatives of key stakeholders in the commercial space-based remote sensing industry and among users of space-based remote sensing data to serve on the Advisory Committee on Commercial Remote Sensing (ACCRES). The Committee is comprised of representatives of leaders in the commercial space-based remote sensing industry, space-based remote sensing data users, government, and academia. The **SUPPLEMENTARY INFORMATION** section of this notice provides committee and membership criteria.

FOR FURTHER INFORMATION CONTACT: Tashaun Pierre, Commercial Remote Sensing Regulatory Affairs Office, NOAA Satellite and Information Services, telephone (301) 713-7047, email Tashaun.pierre@noaa.gov.

SUPPLEMENTARY INFORMATION: ACCRES was established by the Secretary of Commerce on May 21, 2002, to advise the Secretary, through the Under Secretary of Commerce for Oceans and Atmosphere, on matters relating to the U.S. commercial remote sensing industry and NOAA's activities to carry out responsibilities of the Department of Commerce as set forth in the National and Commercial Space Programs Act of 2010 (the Act), Title 51 U.S.C. 60101 *et seq.*

Committee members serve in a representative capacity for a term of two years and may serve additional terms, if reappointed. No more than 20 individuals at a time may serve on the Committee. ACCRES will have a fairly

balanced membership consisting of approximately 9 to 20 members. Nominations are encouraged from all interested U.S. persons and organizations representing interests affected by the regulation of remote sensing. Nominees must represent stakeholders in remote sensing, space commerce, space policy, or a related field and be able to attend committee meetings that are held usually two times per year. Membership is voluntary, and service is without pay. Each nomination that is submitted should include the proposed committee member's name and organizational affiliation, a brief description of the nominee's qualifications and interest in serving on the Committee, a curriculum vitae or resume of the nominee, and no more than three supporting letters describing the nominee's qualifications and interest in serving on the Committee. Self-nominations are acceptable. The following contact information should accompany each submission: the nominee's name, address, phone number, and email address.

Nominations should be sent to Alan Robinson, Acting Director, Commercial Remote Sensing Regulatory Affairs Office, email CRSRA@noaa.gov. Nominations must be emailed no later than 30 days from the publication date of this notice. Please include affiliation, home address and business address for each nominee. The full text of the Committee Charter and its current membership can be viewed at the Agency's web page at: <https://www.nesdis.noaa.gov/commercial-space/regulatory-affairs/advisory-committee-commercial-remote-sensing>.

Stephen M. Volz,

Assistant Administrator for Satellite and Information Services.

National Oceanic and Atmospheric Administration

[RTID 0648-XC460]

Programmatic Environmental Impact Statement for the NMFS Saltonstall-Kennedy Research and Development Program

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Notice of availability.

SUMMARY: NOAA announces the availability of its Final Programmatic

Environmental Impact Statement (PEIS) which analyzes the potential environmental impacts of the implementation of projects that foster the promotion, marketing, research, and development of U.S. Fisheries and their associated fishing sectors, as consistent with NOAA's Saltonstall-Kennedy Research and Development Program (S-K Program). The focus of this action is on activities and projects under the S-K Program, which interfaces with numerous programs within NOAA, and it is NOAA's intention that this PEIS may also cover those activities and projects implemented by other NOAA programs and offices that are consistent with the scope of the S-K Program. In preparing the Final PEIS, NOAA has considered public comments received on the Draft PEIS, which was published in April 2022.

DATES: NOAA will publish a Record of Decision no sooner than 30 days after publication of the U.S. Environmental Protection Agency's Notice of Availability for this Final PEIS on the S-K website.

ADDRESSES: The Final PEIS is available at the NOAA website at the following link: <https://www.fisheries.noaa.gov/content/saltonstall-kennedy-research-and-development-program>.

FOR FURTHER INFORMATION CONTACT: Cliff Cosgrove, Saltonstall-Kennedy Program Manager, telephone: (301-427-8736); nmfs.sk.peis@noaa.gov; or visit the S-K Program website: <https://www.fisheries.noaa.gov/content/saltonstall-kennedy-research-and-development-program>.

SUPPLEMENTARY INFORMATION: The Final PEIS was developed to identify and evaluate the general impacts, issues and concerns related to the implementation of the types of projects that are consistent with the scope of the S-K Program. The S-K Program funds projects that address the needs of fishing communities, optimize economic benefits by building and maintaining sustainable fisheries (where the term "fisheries" includes commercial wild capture, recreational fishing, cultural and subsistence fishing, and marine aquaculture), and increase other opportunities to keep working waterfronts viable. The PEIS will be used to support site- and project-specific National Environmental Policy Act (NEPA) reviews, as necessary. The PEIS addresses all of the priorities and their associated project types that the S-K Program has funded since 2010, which cover the range of priorities and project types that fall under the S-K Program. The affected environment associated with the proposed action

includes all marine, estuarine, and coastal habitats in the United States and territories. It also includes freshwater interior habitats that influence or affect rivers, streams, and creeks affecting marine or estuarine waters, or that support migratory fish populations. It may also include adjacent or continuous habitats in Canada or Mexico that support living coastal and marine resources under NOAA trusteeship.

The Final PEIS considers comments made on the Draft PEIS that officially began on May 13, 2022 and ended on June 27, 2022. Based on the information provided in the Final PEIS, NOAA has identified the continued operation and active management for Promotion, Marketing, Research, and Development of the S-K Program as the preferred alternative.

This notice initiates a public review period for the Final PEIS. For more information about the S-K Program, please use the link provided in the **FOR FURTHER INFORMATION CONTACT** section above.

Authority: This PEIS was prepared under the authority of, and in accordance with, the requirements of NEPA, implementing regulations published by the Council on Environmental Quality (40 CFR 1500-1508), other applicable regulations, and NOAA's policies and procedures for compliance with those regulations.

Dated: October 13, 2022.

Daniel A. Namur,

Director of the NMFS Financial Assistance Division, National Marine Fisheries Service.
