

- Which materials would present the greatest cost reduction if the Commission determined that third party testing is not required, especially considering that compliance with the underlying standard(s) would still be required?

- What other information staff should consider before potentially making recommendations to the Commission regarding a determination of compliance with the limitations on the eight elements listed in the Toy Standard?

IV. What topics will not be discussed in the workshop?

This staff workshop will focus exclusively on potential ways to reduce third party testing costs through determinations consistent with assuring compliance as described in this announcement. Other matters, such as certification issues, test methods, statutory content limits, or definitions will not be discussed at this workshop, nor are comments on these other topics appropriate in response to this announcement. Staff will not make recommendations for determinations at the workshop. The purpose of the workshop is to collect specific and potentially actionable information and evidence to be considered by staff for any potential future determinations.

V. Details Regarding the Workshop

A. When and where will the workshop be held?

CPSC staff will hold the workshop from 9 a.m. to 4 p.m. on April 3, 2014, at the CPSC's National Product Testing and Evaluation Center, 5 Research Place, Rockville, MD 20850. The workshop will also be available through a webcast, but viewers will not be able to interact with the panels and presenters.

B. How do you register for the workshop?

If you would like to make a presentation at the workshop or be considered as a panel member for a specific topic or topics, you should register by March 13, 2014. (See the **ADDRESSES** portion of this document for the Web site link and instructions on where to register.) We also ask that you indicate whether you would like to serve on a panel or make a presentation, and indicate each topic for which you wish to be considered. We ask that you limit the number of topics to no more than three. We will select panelists and individuals who will make presentations at the workshop, based on considerations such as the individual's demonstrated familiarity or expertise

with the topic to be discussed, the practical utility of the information to be presented (such as a discussion of specific methods), and the individual's viewpoint or ability to represent certain interests (such as large manufacturers, small manufacturers, consumer organizations). We would like the presentations to represent and address a wide variety of interests.

Although we will make an effort to accommodate all persons who wish to make a presentation, the time allotted for presentations will depend on the number of persons who wish to speak on a given topic and the agenda. We recommend that individuals and organizations with common interests consolidate or coordinate their presentations and request time for a joint presentation. If you wish to make a presentation and want to make copies of your presentation or other handouts available, you should bring copies to the workshop. We will notify those who are selected to make a presentation or participate in a panel at least two weeks before the workshop. Please inform Ms. Jacqueline Campbell, jcampbell@cpsc.gov, 301-987-2024, if you need any special equipment to make a presentation.

If you would like to attend the workshop but do not wish to make a presentation or participate on a panel, we ask that you register by March 27, 2014. Please be aware that seating will be on a first-come, first-served basis.

If you need special accommodations because of disability, please contact Ms. Jacqueline Campbell, jcampbell@cpsc.gov, 301-987-2024, at least 10 days before the workshop.

In addition, we encourage written or electronic comments. Written or electronic comments will be accepted until April 17, 2014. Please note that all comments should be restricted to the topics covered by the workshop as described in this Announcement.

C. What happens if no one registers for the workshop?

If no one registers for the workshop, we will cancel the workshop. If we decide to cancel the workshop, we will post a cancellation notice by March 28, 2014, on the registration Web page for the workshop <http://www.cpsc.gov/meetingsignup> and send an email to all registered participants who provide their email address when they register.
