

estimate is 930 hours, which includes the time required for developing or modifying computer programs to extract the data, performing and checking the extracted data, and submitting it electronically to BJS' data collection agency via SFTP. The total burden for all 57 NCRP data providers is 2,121 hours for report year 2012. Starting with report year 2013, this burden will decrease to 1,326 hours since all states will have data extract programs created and need only make minor modifications to obtain report year 2013 data. All states submit data via a secure file transfer protocol (SFTP) electronic upload.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 2,121 total burden hours associated with this collection for report year 2012. Starting in report year 2013, the total estimated burden will be 1,326 hours.
