

Frequency: On occasion of employee of a Federal contractor or subcontractor filing a complaint alleging a violation of proposed 29 CFR part 471.

Total Burden Cost (capital/startup): \$12.50 (\$0.50 per response × 25 respondents).

Total Burden Cost (operating/maintenance): \$0.

Employee Complaints Cost: \$761 (\$30.44 per response × 25 respondents).

Total Annual Burden Cost: \$773.50 (\$12.50 + \$761).

Total respondent and responses estimates are based upon the estimate in the E.O. 13496 final rule of 50. See 75 FR 28368. However, since the Department has no record of employee complaints received, the Department has lowered its complaint estimate to 25.

The Department has not adjusted its total employee complaint hour estimate of 1.28 hours, which it estimated in the E.O. 13496 final rule. *Id.*

The Department has updated the employee cost burden per complaint from the past estimates in the supporting statement sent to OMB and the Notice of Proposed Rulemaking. See 74 FR 38496. The Department estimates that it will take an average of 1.28 hours to complete a complaint. Based on the average seasonally-adjusted hourly earnings on private non-farm payrolls for all workers of \$23.78, we estimate that an employee will incur a cost of \$30.44 for the 1.28 hours involved (23.78×1.28) in preparing a complaint. Additionally, employees will incur costs of \$0.50 per complaint in capital/start-up costs (\$0.46 for postage + \$0.03 for an envelope + \$0.01 for paper) for a total cost per complaint of \$30.94. The total cost for the estimated 25 complaints is \$773.50. There are no ongoing operation/maintenance costs associated with this information collection.

Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they will also become a matter of public record.

Dated: February 13, 2013.

Chief of the Division of Interpretations and Standards, Office of Labor-Management Standards, U.S. Department of Labor.
