

Notwithstanding the proposed delisting policy, customer requests to add strikes and/or maintain strikes in QOS in ETF options in series eligible for delisting shall be granted.

Further, in connection with the proposed delisting policy, if the Exchange identifies series for delisting, the Exchange shall notify other options exchanges with similar delisting policies regarding eligible series for listing, and shall work with such other exchanges to develop a uniform list of series to be delisted, so as to ensure uniform series delisting of multiply listed QOS in ETF options.

It is expected that the proposed delisting policy for QOS in ETF options would be adopted by other options exchanges that have adopted the QOS Pilot Program.

The Exchange represents that it has the necessary systems capacity to support new options series that will result from this proposal. Further, as proposed, the Exchange notes that this rule change would become part of the pilot program and, going forward, would be considered by the Commission when the Exchange seeks to renew or make permanent the pilot program in the future.<sup>7</sup>

## 2. Statutory Basis

Because the additional new series can be added without presenting capacity problems and because the Exchange has proposed a delisting policy with respect to QOS in ETF options, the Exchange believes the rule proposal is consistent with the Act and the rules and regulations thereunder applicable to a national securities exchange and, in particular, the requirements of section 6(b) of the Act.<sup>8</sup> Specifically, the Exchange believes that the proposed rule change is consistent with the requirements under section 6(b)(5) of the Act<sup>9</sup> that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest

<sup>7</sup> To the extent the Commission views the proposed rule change as an expansion of the pilot program, thus triggering the requirement under the terms of the Pilot Program Approval Order that the Exchange submit a pilot program report, the Exchange notes that it submitted a report on June 26, 2007, in connection with its filing to extend the pilot program through July 10, 2008. See Securities Exchange Act Release No. 56035 (July 10, 2007), 72 FR 38851 (July 16, 2007) (SR-CBOE-2007-70).

## B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

## C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposal.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which CBOE consents, the Commission will:

A. By order approve such proposed rule change, or

B. institute proceedings to determine whether the proposed rule change should be disapproved.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on January 11, 2008, the New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by NYSE. The Exchange has designated this proposal as one establishing or

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

changing a due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act<sup>3</sup> and Rule 19b-4(f)(2) thereunder,<sup>4</sup> which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange proposes to implement a four-month pilot program that will offer liquidity takers a reduced transaction fee structure for certain bond trades executed on the NYSE Bonds<sup>SM</sup> system. This pilot program will terminate on the close of business May 15, 2008 and will apply to all orders. The text of the proposed rule change is available at the Exchange's principal office, in the Commission's Public Reference Room, and at <http://www.nyse.com>.

#### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, NYSE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NYSE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

##### **A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

###### **1. Purpose**

The Exchange proposes to implement a four-month pilot program that will offer liquidity takers a reduced transaction fee structure for transaction fees for certain bond trades executed on NYSE Bonds. This pilot program will commence on January 15, 2008 and will terminate at the close of business May 15, 2008.

The Exchange proposes to reduce transaction fees charged to liquidity takers for transactions executed on NYSE Bonds with a staggered transaction fee schedule based on the number of bonds purchased in excess of ten bonds. Currently, the transaction fee for orders that take liquidity from the market is \$0.50 per bond. This fee

remains unchanged for orders up to ten bonds. The proposed fee filing provides for the following transaction fee schedule: (1) When the liquidity taker purchases between one to ten bonds, the Exchange will charge an execution fee of \$0.50 per bond; (2) when the liquidity taker purchases between 11 and 25 bonds, the Exchange will charge an execution fee of \$0.20 per bond; and (3) when the liquidity taker purchases 26 bonds or more, the Exchange will charge an execution fee of \$0.10 per bond. The Exchange will impose a \$100 fee cap per transaction.

###### **2. Statutory Basis**

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act<sup>5</sup> in general and furthers the objectives of Section 6(b)(4) of the Act<sup>6</sup> in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

##### **B. Self-Regulatory Organization's Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of purposes of the Act.

##### **C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others**

The Exchange has neither solicited nor received written comments on the proposed rule change.

#### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>7</sup> and subparagraph (f)(2) of Rule 19b-4 thereunder.<sup>8</sup> At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57186; File No. SR-NYSEArca-2007-121]

### Self-Regulatory Organizations; NYSE Arca, Inc.; Order Granting Approval of Proposed Rule Change Relating to Rule 6.37B and the Quoting Obligations of Lead Market Makers

January 22, 2008.

On November 27, 2007, NYSE Arca, Inc. ("NYSE Arca" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change to modify the continuous quoting obligation of Lead Market Makers ("LMMs"). The proposed rule change was published for comment in the **Federal Register** on December 12, 2007.<sup>3</sup> The Commission received no comments on the proposed rule change. This order approves the proposed rule change.

NYSE Arca proposes to amend its Rule 6.37B to reduce the continuous quoting obligation of LMMs. Currently, an LMM must provide continuous two-sided quotations throughout the trading day in its appointed issues for 99% of the time the Exchange is open for trading in each issue.<sup>4</sup> NYSE Arca proposes to reduce the continuous quoting obligation of LMMs to 90% of the time the Exchange is open for trading in each appointed issue. The Exchange proposes that any period in which a technical failure or limitation of a system of the Exchange prevents an LMM from maintaining, or prevents an LMM from communicating to the Exchange, timely and accurate electronic quotes in a class shall not be considered in determining whether an LLM has satisfied the 90% quoting standard with respect to that option class. The Exchange also proposes that it may consider other exceptions to the continuous quoting obligation based on

demonstrated legal or regulatory requirements or other mitigating circumstances. In addition, the Exchange proposes to amend the review period for this continuous quoting obligation from a quarterly basis to a monthly basis.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange.<sup>5</sup> In particular, the Commission believes that the proposed rule change is consistent with section 6(b)(5) of the Act,<sup>6</sup> in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission believes that the Exchange's proposal to reduce the continuous quoting obligation of LMMs is appropriate given the benefits afforded to LMMs.<sup>7</sup>

*It is therefore ordered*, pursuant to section 19(b)(2) of the Act,<sup>8</sup> that the proposed rule change (SR-NYSEArca-2007-121) be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>9</sup>

<sup>5</sup> In approving this rule, the Commission notes that it has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

<sup>6</sup> 15 U.S.C. 78f(b)(5).

<sup>7</sup> In addition, the Commission notes that all NYSE Arca Market Makers have a minimum continuous quoting obligation. NYSE Arca Rule 6.37B(c) states that a Market Maker must provide continuous two sided quotations throughout the trading day in its appointed issues for 60% of the time the Exchange is open for trading in each issue. In addition, the Commission notes that NYSE Arca Rule 6.37B(d), which states that in the interest of maintaining a fair and orderly market, a Market Maker may be called upon by a Trading Official to maintain continuous quotes in one or more series of an option issue, shall continue to apply.
