

Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Commandant Instruction M16475.1D and Department of Homeland Security Management Directive 5100.1, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of the categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34), of the Instruction, from further environmental documentation. This rule falls under the provisions of paragraph (34)(g) because the rule establishes a safety zone.

A final “Environmental Analysis Check List” and a final “Categorical Exclusion Determination” will be available in the docket where indicated under **ADDRESSES**.

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add temporary § 165.T01–061 to read as follows:

§ 165.T01–061 Safety Zone: Salute to Veterans Fireworks, West Marina/Jones Inlet, Point Lookout, NY.

(a) *Location.* The following area is a safety zone: All navigable waters of Jones Inlet in a 600-foot radius of a fireworks launch site located at approximate position 40°35′36.87″ N, 073°35′20.72″ W. All coordinates are North American Datum 1983.

(b) *Definitions.* The following definition applies to this section: *Designated on-scene patrol personnel*, means personnel comprise commissioned, warrant and petty officers of the U.S. Coast Guard who has been authorized to act on behalf of the Captain of the Port, Long Island Sound. Upon being hailed by a U.S. Coast Guard vessel by siren, radio, flashing light or other means, the operator of the vessel shall proceed as directed.

(c) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply.

(2) In accordance with the general regulations in § 165.23 of this part, entry into or movement within this zone is prohibited unless authorized by the Captain of the Port, Long Island Sound or his designated on-scene patrol personnel.

(3) All persons and vessels shall comply with the Coast Guard Captain of the Port or designated on-scene patrol personnel.

(4) Upon being hailed by a U.S. Coast Guard vessel by siren, radio, flashing light or other means, the operator of the vessel shall proceed as directed.

(5) Persons and vessels may request permission to enter the zone on VHF–16 or via phone at (203) 468–4401.

(d) *Enforcement period.* This section will be enforced from 8:30 p.m. to 10:30 p.m. on Saturday, June 30, 2007.

If the fireworks display is cancelled due to inclement weather on June 30, 2007, it will be enforced during the same hours on Sunday, July 1, 2007.

Dated: June 5, 2007.

J.J. Plunkett,

Commander, U.S. Coast Guard, Captain of the Port, Long Island Sound, Acting.

BILLING CODE 4910–15-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[CGD01–07–060]

RIN 1625–AA00

Safety Zone: Sag Harbor Fireworks, Havens Beach, Sag Harbor, NY

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for the Sag Harbor Fireworks on Havens Beach, Sag Harbor, NY. The safety zone is necessary to protect the life and property of the maritime community from the hazards posed by the fireworks display. Entry into or movement within this safety zone during the enforcement period is prohibited without approval of the Captain of the Port, Long Island Sound.

DATES: This rule is effective from 8:30 p.m. on July 7, 2007 until 10:30 p.m. on July 8, 2007.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket CGD01–07–060 and will be available for inspection or copying at Sector Long Island Sound, New Haven, CT, between 9 a.m. and 3 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Lieutenant D. Miller, Chief, Waterways Management Division, Coast Guard Sector Long Island Sound at (203) 468–4596.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. The Coast Guard did not receive an Application for Approval of Marine Event for this event until April 26, 2007, thereby making an NPRM impracticable. A delay or cancellation of the fireworks display in order to accommodate a full notice and comment period would be contrary to the public interest.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Any delay encountered in this regulation's effective date would be impracticable and contrary to public interest since immediate action is

needed to prevent traffic from transiting a portion of Sag Harbor Bay, NY and to protect the maritime public from the hazards associated with this fireworks event.

The temporary zone should have minimal negative impact on the public and navigation because it will be enforced for a two hour period on only one of two specified days. In addition, the area closed by the safety zone is minimal, allowing vessels to transit around the zone in Sag Harbor Bay, NY.

Background and Purpose

The Sag Harbor Fireworks display will be taking place on Havens Beach, Sag Harbor Bay, NY from 8:30 p.m. to 10:30 p.m. on July 7, 2007. If the fireworks display is cancelled due to inclement weather on July 7, 2007, it will take place during the same hours on July 8, 2007. This safety zone is necessary to protect the life and property of the maritime public from the hazards posed by the fireworks display. It will protect the maritime public by prohibiting entry into or movement within this portion of Sag Harbor Bay one hour prior to, during and one hour after the stated event.

Discussion of Rule

This regulation establishes a temporary safety zone on the navigable waters of Sag Harbor Bay, NY within a 1200-foot radius of the fireworks launch site located at approximate position 41°00.133' N, 072°17.267' W. The temporary safety zone will be outlined by temporary marker buoys installed by the event organizers.

This action is intended to prohibit vessel traffic in a portion of Sag Harbor Bay, NY to provide for the protection of life and property of the maritime public. The safety zone will be enforced from 8:30 p.m. until 10:30 p.m. on July 7, 2007 and, if necessary due to inclement weather, will be enforced from 8:30 p.m. to 10:30 p.m. on July 8, 2007. Marine traffic may transit safely outside of the safety zone during the event thereby allowing navigation of the rest of Sag Harbor Bay except for the portion delineated by this rule.

The Captain of the Port anticipates minimal negative impact on vessel traffic due to this event due to the limited area and duration covered by this safety zone. Public notifications will be made prior to the effective period via local notice to mariners and marine information broadcasts.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory

Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

This regulation may have some impact on the public, but the potential impact will be minimized for the following reasons: vessels will only be excluded from the area of the safety zone for 2 hours and vessels will be able to operate in other areas of Sag Harbor Bay, NY during the enforcement period.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule will have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule may affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in those portions of Sag Harbor Bay, NY covered by the safety zone. For the reasons outlined in the Regulatory Evaluation section above, this rule will not have a significant impact on a substantial number of small entities.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under subsection 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 [Pub. L. 104–121], the Coast Guard wants to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking. If this rule will affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call Lieutenant D. Miller, Chief, Waterways Management Division, Sector Long Island Sound, at (203) 468–4596.

Small businesses may send comments on the actions of Federal employees

who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health

Risks and Safety Risks. This rule is not an economically significant rule and will not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it will not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Commandant Instruction M16475.1D and Department of Homeland Security Management Directive 5100.1, which guide the Coast Guard in complying with the National Environmental Policy

Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of the categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction, from further environmental documentation, as it establishes a safety zone.

A final "Environmental Analysis Check List" and a final "Categorical Exclusion Determination" will be available in the docket where indicated under **ADDRESSES**.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1226 and 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add temporary § 165.T01–060 to read as follows:

§ 165.T01–060 Safety Zone: Sag Harbor Fireworks, Havens Beach, Sag Harbor Bay, NY.

(a) *Location.* The following area is a safety zone: All navigable waters of Sag Harbor Bay in a 1200-foot radius of a fireworks launch site located at approximate position 41°00.133' N, 072°17.26' W. All coordinates are North American Datum 1983.

(b) *Definitions.* The following definitions apply to this section: *Designated on-scene patrol personnel*, means any commissioned, warrant and petty officer of the U.S. Coast Guard who has been authorized to act on behalf of the Captain of the Port, Long Island Sound.

(c) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply.

(2) In accordance with the general regulations in § 165.23 of this part, entry into or movement within this zone is prohibited unless authorized by the Captain of the Port, Long Island Sound or his designated on-scene patrol personnel.

(3) All persons and vessels shall comply with the Coast Guard Captain of

the Port or designated on-scene patrol personnel.

(4) Upon being hailed by a U.S. Coast Guard vessel by siren, radio, flashing light or other means, the operator of the vessel shall proceed as directed.

(5) Persons and vessels may request permission to enter the zone on VHF–16 or via phone at (203) 468–4401.

(d) *Enforcement period.* This section will be enforced from 8:30 p.m. to 10:30 p.m. on Saturday, July 7, 2007 and if the fireworks display is postponed, from 8:30 p.m. to 10:30 p.m. on Sunday, July 8, 2007.

Dated: June 5, 2007.

J.J. Plunkett,

Commander, U.S. Coast Guard, Captain of the Port, Long Island Sound, Acting.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[COTP San Francisco Bay 07–018]

RIN 1625–AA00

Safety Zone; Pittsburg Chamber of Commerce Fourth of July Fireworks Display, San Francisco Bay, CA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone in the navigable waters of San Francisco Bay for the loading, transport, and launching of fireworks used during the Pittsburg Chamber of Commerce, Fourth of July Fireworks Display to be held on July 4, 2007. This safety zone is intended to prohibit vessels and people from entering into or remaining within the regulated areas in order to ensure the safety of participants and spectators. **DATES:** This rule is effective from 9: a.m. to 10 p.m. on July 4, 2007.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket COTP San Francisco Bay 07–018 and are available for inspection or copying at Coast Guard Sector San Francisco, 1 Yerba Buena Island, San Francisco, California, 94130, between 9 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Ensign Sherel Richardson, United States Coast Guard Sector San Francisco, at (415) 556–2950 extension 136, or the 24-hour Command Center at (415) 399–3547.
