## FEDERAL TRADE COMMISSION

### Agency Information Collection Activities; Submission for OMB Review; Comment Request

**AGENCY:** Federal Trade Commission.

**ACTION:** Notice and request for comment.

**SUMMARY:** In compliance with the Paperwork Reduction Act (PRA) of 1995, the FTC is seeking public comments on its request to OMB for a three-year extension of the current PRA clearance for the information collection requirements contained in the Pay-Per-Call Rule (Rule). That clearance expires on May 31, 2012 (OMB Control No. 3084-0102).

**DATES:** Comments must be received by May 24, 2012.

**ADDRESSES:** Interested parties may file a comment online or on paper, by

following the instructions in the Request for Comment part of the **SUPPLEMENTARY INFORMATION** section below.

**FOR FURTHER INFORMATION CONTACT:**

Requests for additional information or copies of the proposed information requirements should be addressed to Gary Ivens, Attorney, Division of Marketing Practices, Bureau of Consumer Protection, Federal Trade Commission, 600 Pennsylvania Avenue NW., Washington, DC 20580, (202) 326-2330.

**SUPPLEMENTARY INFORMATION:**

*Title:* Trade Regulation Rule Pursuant to the Telephone Disclosure and Dispute Resolution Act of 1992 ("Pay-Per-Call Rule"), 16 CFR part 308.

*OMB Control Number:* 3084-0102.

*Type of Review:* Extension of a currently approved collection.

*Abstract:* The existing reporting and disclosure requirements of the Pay-Per-Call Rule are mandated by the TDDRA to help prevent unfair and deceptive acts and practices in the advertising and operation of pay-per-call services and in the collection of charges for telephone-billed purchases. The information obtained by the Commission pursuant to the reporting requirement is used for law enforcement purposes. The disclosure requirements ensure that consumers are told about the costs of using a pay-per-call service, that they will not be liable for unauthorized non-toll charges on their telephone bills, and how to deal with disputes about telephone-billed purchases.

On February 1, 2012, the Commission sought comment on the information collection requirements in the Pay-Per-Call Rule. 77 FR 5017. No comments were received. As required by OMB regulations, 5 CFR Part 1320, the FTC is providing this second opportunity for public comment.

*Likely Respondents:*

Telecommunications common carriers (subject to the reporting requirement only, unless acting as a billing entity), information providers (vendors) offering one or more pay-per-call services or programs, and billing entities.

*Estimated Annual Hours Burden:* 2,379,796 hours (21+ 2,379,775).

*Reporting:* 21 hours for reporting by common carriers.

*Disclosure:* 2,379,775 hours [(49,680 hours for advertising by vendors + 50,635 hours for preamble disclosure which applies to every pay-per-call service + 16,560 burden hours for telephone-billed charges in billing statements (applies to vendors; applies to common carriers if acting as billing entity) + 7,800 burden hours for dispute

resolution procedures in billing statements (applies to billing entities) + 2,255,100 hours for disclosures related to consumers reporting a billing error (applies to billing entities).

*Estimated Annual Cost Burden:* \$130,263,530 (solely relating to labor costs).<sup>1</sup>

**Request For Comment**

You can file a comment online or on paper. For the Commission to consider your comment, we must receive it on or before May 24, 2012. Write "Pay-Per-Call Rule: FTC File No. R611016" on your comment. Your comment—including your name and your state—will be placed on the public record of this proceeding, including, to the extent practicable, on the public Commission Web site, at <http://www.ftc.gov/os/publiccomments.shtm>. As a matter of discretion, the Commission tries to remove individuals' home contact information from comments before placing them on the Commission Web site.

Because your comment will be made public, you are solely responsible for making sure that your comment does not include any sensitive personal information, like anyone's Social Security number, date of birth, driver's license number or other state identification number or foreign country equivalent, passport number, financial account number, or credit or debit card number. You are also solely responsible for making sure that your comment doesn't include any sensitive health information, like medical records or other individually identifiable health information. In addition, don't include any "[t]rade secret or any commercial or financial information which is obtained from any person and which is privileged or confidential \* \* \*," as provided in Section 6(f) of the FTC Act, 15 U.S.C. 46(f), and FTC Rule 4.10(a)(2), 16 CFR 4.10(a)(2). In particular, don't include competitively sensitive information such as costs, sales statistics, inventories, formulas, patterns, devices, manufacturing processes, or customer names.

<sup>1</sup> Non-labor (e.g., capital/other start-up) costs are generally subsumed in activities otherwise undertaken in the ordinary course of business (e.g., business records from which only existing information must be reported to the Commission, pay-per-call advertisements or audiotext to which cost or other disclosures are added, etc.). To the extent that entities incur operating or maintenance expenses, or purchase outside services to satisfy the Rule's requirements, staff believe those expenses are also included in (or, if contracted out, would be comparable to) the annual burden hour and cost estimates provided below (where such costs are labor-related), or are otherwise included in the ordinary cost of doing business (regarding non-labor costs).

If you want the Commission to give your comment confidential treatment, you must file it in paper form, with a request for confidential treatment, and you have to follow the procedure explained in FTC Rule 4.9(c), 16 CFR 4.9(c). Your comment will be kept confidential only if the FTC General Counsel, in his or her sole discretion, grants your request in accordance with the law and the public interest.

Postal mail addressed to the Commission is subject to delay due to heightened security screening. As a result, we encourage you to submit your comments online, or to send them to the Commission by courier or overnight service. To make sure that the Commission considers your online comment, you must file it at <https://ftcpublishcommentworks.com/ftc/ppcrulepra2>, by following the instructions on the Web-based form. If this Notice appears at <http://www.regulations.gov>, you also may file a comment through that Web site.

If you file your comment on paper, write "Pay-Per-Call Rule: FTC File No. R611016" on your comment and on the envelope, and mail or deliver it to the following address: Federal Trade Commission, Office of the Secretary, Room H-113 (Annex J), 600 Pennsylvania Avenue NW., Washington, DC 20580. If possible, submit your paper comment to the Commission by courier or overnight service.

Visit the Commission Web site at <http://www.ftc.gov> to read this Notice. The FTC Act and other laws that the Commission administers permit the collection of public comments to consider and use in this proceeding as appropriate. The Commission will consider all timely and responsive public comments that it receives on or before May 24, 2012. You can find more information, including routine uses permitted by the Privacy Act, in the Commission's privacy policy, at <http://www.ftc.gov/ftc/privacy.shtm>.

Comments on the information collection requirements subject to review under the PRA should also be submitted to OMB. If sent by U.S. mail, address comments to: Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Desk Officer for the Federal Trade Commission, New Executive Office Building, Docket Library, Room 10102, 725 17th Street NW., Washington, DC 20503. Comments sent to OMB by U.S. postal mail, however, are subject to delays due to heightened security precautions. Thus, comments

instead should be sent by facsimile to (202) 395-5167.

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

[Document Identifier OS-0990-new; 30-day notice]

### Agency Information Collection Request. 30-Day Public Comment Request

**AGENCY:** Office of the Secretary, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Office of the Secretary (OS), Department of Health and Human Services, is

publishing the following summary of a proposed collection for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, email your request, including your address, phone number, OMB number, and OS document identifier, to [Sherette.funncoleman@hhs.gov](mailto:Sherette.funncoleman@hhs.gov), or call the Reports Clearance Office on (202) 690-5683. Send written comments and recommendations for the proposed information collections within 30 days of this notice directly to the OS OMB Desk Officer; faxed to OMB at 202-395-5806.

*Proposed Project:* Evaluation of the effectiveness of an educational interactive video on research integrity—OMB No. 0990-New- Office of Research Integrity.

*Abstract:* The Office of Research Integrity (ORI) proposes to conduct a web based survey evaluation study of the effectiveness of an educational interactive video on research integrity. This study is web-based survey of research faculty/instructors, Research Integrity Officers (RIOs) and Research Administrators' perceptions of the effectiveness of this educational interactive video.

The study seeks to answer two questions: (a) Do researchers feel that this DVD would enhance their teaching of research integrity issues? (b) Will researchers use this DVD in future research methodology or ethics courses? Both hypotheses will be tested with a customer satisfaction type survey. A portion of the survey will collect data on respondent demographics to enable subanalyses on important subpopulations. Participants will be research instructors/faculty, Research Integrity Officers (RIOs) and Research Administrators) who have experience with the ORI educational programs or who may have experience with RCR programs in the near future. The information to be collected will be used by the ORI to help gain additional
