An initial notice of the filing of the application-declaration was issued on October 4, 2000 (HCAR No. 27240) ("Initial Notice").

The Initial Notice described System Energy's Proposal to engage in certain financing transactions from time to time through December 31, 2005. Among other things, System Energy proposed: (1) To issue and sell one or more series of its first mortgage bonds ("Bonds"), and/or one or more series of its Debentures ("Debentures") in a combined aggregate principal amount of Bonds and Debentures not to exceed \$350 million; (2) to provide an insurance policy for the payment of the principal of and/or interest and/or premium on one or more series of Bonds or Debentures; (3) to enter into arrangements for the issuance and sale of tax-exempt revenue bonds in an aggregate principal amount not to exceed \$500 million ("Tax-Exempt Bonds"); (4) to provide for a more favorable rating, on the Tax-Exempt Bonds by arranging for letters of credit, an insurance policy, or additional first mortgage bonds up to an aggregate

No series of Municipal Securities will be sold if the fixed interest rate or initial adjustable interest rate thereon would exceed 15% per annum. One or more series of Municipal Securities may include provisions for redemption or retirement prior to maturity, including restrictions on optional redemption for a given number of years.

In order to obtain a more favorable rating and thereby improve the marketability of the Municipal Securities, System Energy may (1) arrange for one or more letters of credit from one or more banks up to an aggregate amount of \$115 million, (2) provide an insurance policy for the payment of the principal, premium, if any, interest and purchase obligations in connection with one or more series of Municipal Securities, or (3) issue one or more series of new collateral bonds up to an aggregate amount of \$115 million. SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application to Withdraw from Listing and Registration; (Yellowwave Corporation, Common Stock, \$.03 Par Value) File No. 1-16021

November 7, 2000.

Yellowwave Corporation, which is organized under the laws of Nevada ("Company"), has filed an application with the Securities and Exchange Commission ("Commission"), pursuant

to section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its Common Stock, \$.03 par value ("Security"), from listing and registration on the American Stock Exchange ("Amex").

As reported by the Company, the Amex halted trading in the Security on August 23, 2000, pending a review of the facts underlying, and the litigation arising from, a Share Purchase Agreement dated July 5, 2000, between the Company and Newtech Broadwidth Ltd., et al. The Company believed it was acquiring under this Share Purchase Agreement a company that owned valuable high technology which was supported by established licensing agreements. On the basis of this acquisition, the Company applied for, and received, a listing for its Security on the Amex.

The Company subsequently determined, however, that the technology and licensing agreements described above did not exist. As mentioned above, the Company has entered into litigation with various parties for, among other things, their failure to meet certain conditions of the Share Purchase Agreement. A description of these proceedings may be found in the Company's current Report on Form 8-K filed with the Commission on September 26, 2000. Pending the outcome of such litigation, and in the light of the Company's diminished eligibility for listing on the Amex as a result of the Share Purchase Agreement's conditions not having been met, the Company has determined to withdraw its Security voluntarily from listing and registration on the Amex and to use best efforts to arrange for its quotation in the unlisted over-the-counter market.

The Company has stated in its application that it has complied with the rules of the Amex governing the withdrawal of its Security and that its application relates solely to the withdrawal of the Security from listing and registration on the Amex and shall have no effect upon the Company's continued obligation to file reports with the Commission pursuant to sections 12(g) and 13 of the Act.³

Any interested person may, on or before November 30, 2000, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609, facts bearing upon whether the application has been made in

accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁴

Jonathan G. Katz,
Secretary.
