This final rule amends the Federal Acquisition Regulation (FAR) to further

implement 41 U.S.C. 1908. Section 1908 requires an adjustment every 5 years (in years evenly divisible by 5) of statutory acquisition-related thresholds for inflation using the Consumer Price Index for all urban consumers, except for the Construction Wage Rate Requirements statute (Davis-Bacon Act), Service Contract Labor Standards statute, and trade agreements thresholds (see FAR 1.109). DoD, GSA, and NASA are also using the same methodology to change nonstatutory FAR acquisition-related thresholds for adjustment in 2020. This final rule will not have a significant economic impact on a substantial number of small entities.
