Extension of Comment Period

OSHA is extending the comment period of the notice (77 FR 31647, May 29, 2012) that invited interested parties to participate in an informal stakeholder meeting to be held on June 25, 2012. The purpose of this meeting is to provide a forum to gather information and ideas on key outcome and activity based indicators and how OSHA can use such indicators to assess the effectiveness of State Plans. This notice requested comments by June 11, 2012. However, OSHA is extending the comment period for those who may be unable to attend the stakeholder meeting, for more time for commenters to review the proposed measures and questions to be discussed, and for comments that may arise in light of the discussion at the stakeholder meeting. This extension allows for such interested parties to submit their comments.
