SUPPLEMENTARY INFORMATION: The National Boating Safety Advisory Council ("NBSAC") is a federal advisory committee under the Federal Advisory Committee Act (Pub. L. 92-463; 5 U.S.C. App. 2). It was established under authority of 46 U.S.C. 13110 and advises the Coast Guard on boating safety regulations and other major boating safety matters. NBSAC has 21 members: Seven representatives of State officials responsible for State boating safety programs, seven representatives of recreational boat manufacturers and associated equipment manufacturers, and seven representatives of national recreational boating organizations and the general public, at least five of whom are representatives of national recreational boating organizations. Members are appointed by the Secretary of the Department of Homeland Security.

The Council meets at least twice each year at a location selected by the Coast Guard. It may also meet for extraordinary purposes. Subcommittees or working groups may also meet to consider specific problems.

We will consider applications for seven positions that expire or become vacant on December 31, 2012:

- Two representatives of State officials responsible for State boating safety programs;
- Two representatives of recreational boat and associated equipment manufacturers; and
- Three representatives of the general public or national recreational boating organizations.

Applicants are considered for membership on the basis of their particular expertise, knowledge, and experience in recreational boating safety. Applicants for the 2012 vacancies announced in the **Federal Register** on June 14, 2011 (76 FR 34738) will be considered for the 2013 vacancies and do not need to submit another application. Applicants for years prior to 2012 should submit an updated application to ensure consideration for the vacancies announced in this notice.

2 U.S. Code 1601 Note). Each member serves for a term of three years. Members may be considered to serve consecutive terms. All members serve at their own expense and receive no salary or other compensation from the Federal Government. The exception to this policy is when attending NBSAC meetings, members are reimbursed for travel expenses and provided per diem in accordance with Federal Travel Regulations.
